Chela Kovar throws a ball to first base during Friday's area round game between Cinco Ranch and Heights at Memorial High School.

came for Heights, as Cinco's pitching and defense did not allow another run the rest of the way.

The Cougars' bats were cold early, as they did not get a hit in the first three innings, but the fourth inning was the turning point for Cinco Ranch.

Hodge got things started with a double to lead off the inning and then took an extra base on the throw to get to third. That ignited the team, and Mariah Hinojosa followed that up with a single to tie the game.

"I think we just needed to be patient at the plate and when we did that, we had success," said Cinco Ranch head coach Suzanne Reeve. "And Shelby did a great job of coming in and getting those clutch hits when we needed them. She was huge for us today."

Cinco came back again in the fifth inning, as they weren't done. Madison Rosario started the inning with a single, before Burg walked to put two runners on base. Heights got Cinco to two outs in the inning, but Hodge came to the plate and was clutch once again, hitting a single to

right field to give the Cougars a 2-1 lead.

"She was a really good pitcher but once we slowed it down we were able to find the answer," Hodge said. We like to press at times but once we started to slow things down and wait for our pitches instead of going after her good pitches. That helped us to be more successful. We just had to slow everything down and keep it simple."

Kovar then pitched a three up, three down inning to close things out, as she ended the game by retiring the final 13 batters she faced.

The Cougars advance to play Katy in the regional quarterfinal round, as Cinco attempts to keep this strong run going.

"We're just excited to be moving on and we're excited to play them," Reeve said. "The biggest thing for the girls is they need to believe that they can do it. That's 90% of it is the mental aspect. And it's like I told them the other day. We are prepared for these games. We have a saying, 'the hay is in the barn.' We've done everything to bring that hay in the barn, now it's just time to go."
