Seven Lakes finally broke through on Tuesday, beating Memorial 2-0 in the regional quarterfinals and clinching a spot in the Region III-6A Tournament for the first time in nine years behind two first half goals and a strong defensive performance.

"It's just crazy and I'm so proud of everyone," said Seven Lakes senior captain Wagoner Towsen. "It's something that we strived for but we knew would be so hard coming into this year. This team has so much heart and that's what got us here — there were changes and growing but we did it and I'm so proud."

Seven Lakes had grown over the course of the season and it's continued into the playoffs. The Spartans got past round one with a 1-0 victory before playing even better in the second round, winning 3-0 before beating Memorial by two goals in the regional quarterfinals, getting back to the regional tournament for the seventh time in school history.

The Spartans came out counter attacking in the first half with the wind in their face, but even without possession, Seven Lakes created chances and got ahead in the 22nd minute, when freshman winger Sienna Marchitello spun past a center back and fired a shot from the left side of the 18-yard box into the bottom of the near post, giving Seven Lakes an early advantage. The Spartans kept pushing even with the lead and got a second in the 38th minute as Madison Holland raced past the left back and took a shot from the right side of the box that snuck under the goalkeeper and into the back of the net.

"It's credit to the players," said Seven Lakes head coach Kaitlyn Eidson. "They stuck with it, they were organized defensively and they took their chances. We executed well and put our chances away and that's exactly how we need to play to get results."

The Spartans came out in the second half and dominated the rest of the game, keeping possession, creating chances and playing strong defense the rest of the way to seal the win. The team got contributions all over, from Carly Drescher making important saves, to the defense stepping up in key moments and the midfield keeping possession and helping out both offensively and defensively.

"This has been a process and some of these players have put in the time and work for years to get to this point," Eidson said. "They committed to the process and never stopped working. I'm really proud of all of them for that, they worked and strived to be here and they made this happen."

The Spartans will play the winner of Atascocita and Pearland in the regional semifinals on Friday. The Spartans are excited for the opportunity to keep going and know they'll be ready no matter who it is that stands in their way.

"We all wanted this so badly," Holland said. "We wanted to get past this round so badly and to keep this season going. Everyone was hyping each other up and making sure we stayed in the game. We just have to do that same thing on Friday and we'll be ready, we're all so excited!"

Cinco Ranch beat Northbrook to advance to the regional tournament.

RECAP

from page B1

Seven Lakes had a dominating win in the area round, beating Cy-Fair 3-0. The Spartans took a 1-0 lead in the first half and added a second midway through the second half. Chloe Callahan added the final goal with five minutes to play, clinching the win. The Spartans advance to the third round for the fifth straight season and will play Memorial for a chance to get to the regional tournament.

On the boys side, Seven Lakes clinched a spot in the regional quarterfinals for the fifth straight season with a 3-0 win over Spring Woods on Friday. The Spartans were led by Eddie Davalillo, who scored and was named the man of the match for Seven Lakes. The reigning state champions will be up against Jordan in the regional quarters as they try to get back to the regional tournament for the third straight season.

The Cinco Ranch boys continued their hot play, beating Jersey Village 3-0, advancing to the regional quarterfinals for the third time in four seasons. The Cougars won their fourth straight game and improved to 15-3-4 on the season. Cinco will take on Northbrook in the regional quarterfinal round, as they try to get past the point where their season ended last year.

Jordan used two late goals to get past Cy-Ridge in the area round and make it to the regional quarterfinals for the third straight season. The Warriors went up in the first half before Cy-Ridge scored two goals in the second half to take the lead. Jordan answered back though, scoring two goals late to get past Cy-Ridge for the second straight year. Aiden Erol scored two goals in the game and Kaelen Vilarson scored the other while Marcelo Ojeda had two assists. This sets up a matchup between the Warriors and Seven Lakes in the third round. Both teams have made the regional tournament in two straight seasons and will be trying to get back for a third straight year with a win.

Tompkins boys and girls both lost in the area round. For more information on those games, go to KatyTimes.com/sports and click on the articles for those games.
