

# CROSSOVER 2017 HEALTH CLINIC

Dear Business Owner,

In the last several months, there have been an increasing number of families coming to Refuge seeking assistance in various forms. At Refuge, we come alongside them and help meet some of their physical, tangible needs right away. One way of doing this is hosting a free medical clinic for our community; where we, along with a variety of volunteers and organizations, provide free medical and dental screenings.

In addition to the medical and dental services at the clinic, we provide reading glasses basic medicine and a hot meal. We are looking to gather up a large variety of goods to provide a well-rounded day of education and assistance to our neighbors in need. We expect to serve 200 guests with our 100 volunteers, as well as having many doctors, nurses, dentists and other medical professionals present and serving. We humbly ask if you would be willing to donate any of the needed items and be part of the change in someone's life.

Our hope is to continue to serve the community more often with these medical clinics once we are able to obtain supplies and make partnerships with local businesses that can help the community we live in. We would be happy to put up a sign at our event to acknowledge any gift you are able to provide.

Thank you for your consideration and God bless.

Sincerely,

Catherine Fowler  
Crossover 2017 Clinic Coordinator  
Refuge Louisville
