

# Crossover Health Clinic 2017

## IF YOU WOULD LIKE TO SERVE AT THE CLINIC YOU CAN:

**Set Up** - (Friday, November 10<sup>th</sup>, 6pm-8pm) Setting up the clinic includes hanging pipe and drape, setting up tables, moving chairs and getting the church ready to be a hospital for the day. (20 servants)

**Break Down**-(1:30pm-3:30pm) After the clinic, help take everything down, clean up and put things back where they belong. (20 people)

**Be a Family Advocate** – Advocates meet, greet and walk families through the clinic. Get to know a new neighbor and bless them with encouragement and good health. You will be their friend and a familiar face as they go through the clinic. Arrive at 8:15, training is at 8:30am. (30 people)

**Serve a Warm Meal** – We include a warm meal at our medical clinic. Man the grill or serve our guests food. Arrive at 10:00am, start serving from 11-2pm. (10 people)

**Fill out Medical Forms** – Help a family to fill out a registration form and a medical form for each member of their family, before they see a nurse or doctor. Help fill out these important forms. Arrive at 9am, for training and to help get ready for guests. (5 people)

**Free Services or Donating Goods** - If you offer a service or work for an organization that you would like to see at the medical clinic, there is an area on the sign-up sheet. A representative will be in touch with you.

**Provide Medical Services** – I am a licensed doctor and want to provide services. Please indicate your area of specialty when you register. A clinic representative will be in contact with you. (4 doctors)

**Dentists and Dental Hygienists**- I am licensed and want to provide screenings, as well as services, when donations allow. If you are a dentist and cannot make it to the clinic, please consider donating supplies or allowing us to refer 2 guests to you. Contact us for more information. (2 dentists to serve at the clinic/2 hygienists, 2 dental assistants)

**Provide Nursing Services** – I am an RN and want to help provide services. There is a triage area where nurses will take blood pressure and vitals. **REGISTERED NURSES ONLY.** (8 nurses)

**However I am needed** – We have various positions that we will not open for sign-up such as exit desk, health education materials, waiting room flow, door greeter/runner and to fill any gaps in the rest of the listed non-medical volunteer positions. (5 people)

**The Clinic is November 11<sup>th</sup> from 10-2pm.**
