

Thank you for your interest in helping with much needed donations for the Crossover 2017 Clinic!

Below is a list of donation needs we have for this year's clinic. If you know a company or individual who may be able to donate any of these items that we can reach out to, or if you, or your small group would be interested in donating any of these items please email Catherine at: info@refugelouisville.com or call 502-785-9577. We also have printable donations request letters if you would like to help solicit donations from companies, stores or individuals. It would be wonderful if you would help us build partnerships with local companies to help refugees in need.
