

# Beat the Boredom Blues

*By Laura Hayes*

After a week or a month on campus, inevitably your friend will turn to you and say, "I'm bored. What should we do?"

If you're itching to get off campus, here's a list of fun things to do in the area.

*If you're in the mood to be outside*

*This gorgeous trail runs through the countryside along the Conewago Creek. The trail is 5.1 miles long and is perfect for biking, cross-country skiing or just walking.*

## **Jonathan Eshenour Memorial Trail**

*A fair warning, this 13-mile trail does not loop around. You can start at either Bullfrog Valley Park in Hummelstown or Palmdale Park in Hershey.*

*If you're in the mood for something artsy*

## **Susquehanna Art Museum**

1401 North Third Street, Harrisburg  
[susquehannaartmuseum.org](http://susquehannaartmuseum.org) | 717-233-8668

*In the past, SAM has had exhibitions featuring landscapes and cityscapes, abstract landscapes, photographs that were found in a flea market and so much more. Take a look at their calendar — SAM offers a number of classes and events like yoga in the main gallery or figure drawing. They even offer a \$5 student discount.*

**Flagship Cinemas:** 2 North Londonderry Square, Palmyra

**MoviE-Town:** 700 North Hanover Street, Elizabethtown
