Message from City Administrator

On behalf of the City of Mineola, I would like to welcome you to our community. Located in East Texas, Mineola is rich in community spirit and has much to offer visitors, residents and businesses. We are glad you are here to experience our city's local flavor and history. We have a wonderful Can-Do attitude, with numerous volunteer opportunities to all who wants to be involved in our city.

The City of Mineola is committed to “Building a Better Community” to serve our current and future citizens. This is done, in keeping with our commitment to the ongoing implementation of best practices in all our City operations. It is our belief that our City’s greatest attribute comes from our diverse residents with different points of view believing in one City. As such, we continue to work to establish collaboration, find consensus and achieve inclusiveness to become the best Mineola possible.

Mineola has so many things to offer residents that many times are taken for granted in small towns. Some of these attributes to Mineola are: A National Main Street Program (boasting 90 to 95% Occupancy of downtown buildings), a vibrant business environment with continuous growth, a weekly newspaper, a radio station, a superior school system, good health care, a movie theater, Transportation Depot/Museum with Amtrak Texas Eagle passenger rail service twice a day, Mineola Historical Museum, golf course, access to several area lakes, convenient location to Interstate 20 and Tyler Pounds Regional Airport, an excellent public library, Wood County Airport, Local Airport-Wisener Field & Museum, First class Civic Center complete with numerous RV Pads, Mineola League of the Arts and a City owned 3,000 acre Nature Preserve free for all to enjoy.

Mineola offers an excellent overall Quality of Life that is hard to quantify but must be experienced. Whether you are a resident or a visitor, I invite you to enjoy all that Mineola has to offer, and if my office can be of assistance to you, please don't hesitate to contact me at my email at mrushing@mineola.com or phone number at City Hall at 903-569-6183

WE WANT YOU IN MINEOLA TX!

"Where it's never too far for a far better deal"

Letter from Chamber President

The Mineola Area Chamber of Commerce welcomes you to our city and invites you to enjoy the unique aspects that make our community special! Mineola is a wonderful place to raise a family and is a Certified Retirement Community. Located in the heart of the piney woods of East Texas, we are a National Main Street City and in the top 5

most beautiful historic downtowns in Texas, featuring The Select Theatre, which is the oldest continuously running theatre in Texas! The Mineola Nature Preserve is the largest city park per resident in America with hiking and canoe trails, fishing, gardens and playgrounds for our residents and visitors to enjoy. The Mineola Civic Center hosts everything from conferences to concerts and has an RV park and water park for cooling off in the summer heat. Mineola is also home to Wisener Field, the oldest privately held airport in Texas that celebrated its 100-year anniversary last year and the newly remodeled Mineola Country Club.

In addition to these features, Mineola is also proud of its diverse business base with many antique and specialty stores, restaurants and services businesses with a healthy mix of locally owned as well as national companies for a well-rounded shopping experience.

The Mineola Chamber of Commerce Directors would like to invite you to attend our Iron Horse Festival that will be held September 28-29, 2018 celebrating Mineola's rich Railroad History with a variety of food, music and shopping or our May Fiesta event. Please contact the Chamber office for more information on Mineola and our member businesses. Check us out on facebook or at our website www.mineolachamber.org.

Welcome to Mineola

The welcome mat is out and the course is calling

Quiet or lively, serene or athletic, at the lake or in a shop – it doesn't matter what your description for fun is, Mineola boasts plenty of enjoyable pastimes for the young and the young at heart.

One of the most popular attractions is the 2,911-acre Mineola Nature Preserve on the Sabine River. Hikers, bicyclists, equestriennes, nature lovers, photographers and fishermen utilize the miles of trails through the park. The further you forge into the trails, the more chance you'll have of spotting an owl or a painted bunting, just some of the 193 species of birds there. The wetland habitat also offers numerous species of plants as well.

There are stocked fishing ponds (one of which is even ADA accessible), a pavilion with picnic tables and restrooms and a playground. A disc golf course has also been completed at the preserve this year. A canoe landing has been developed for enthusiasts on which to launch and travel through the preserve along the Sabine River. Archers can sharpen their skills on a range at the park.

While in town to visit the preserve, the varied businesses and chamber members in Mineola provide fun and intriguing places to shop, and the restaurants can tempt almost any palate from pizza, to delicious hamburgers and wonderful Rubens, Texas barbecue to Cajun, steaks, Mexican food and even gluten-free choices.

Some of the other things that bring folks to town include the Mineola Youth Foundation, Meredith Memorial Football Stadium (home of the Class 3A Div. 1 State Champion football team), a 2017 State Champion High School Band, as well as the

Mineola Civic Center, Mineola Country Club Golf Course, Select Theater, Lake Holbrook and the other county lakes. Historic Wisener Field Airport, home of the Royal Flying Circus, Wood County Collins Field Airport and Highways 80, 69 and 37 are ways visitors arrive in town, not to mention Amtrak's Texas Eagle that stops here twice a day.

The 100th anniversary of Wisener Field Airport and its tremendous history was celebrated this past July 4th with an air show, barbecue and visits by dignitaries. The airport is the site of fly-ins and other aviation gatherings that attract visitors from other fields from time to time.

Wood County Airport, with its modern-day accoutrements, was renamed this year to include the name of the long-time and former board chairman, Wayne Collins, who has shepherded its development.

The Mineola Youth Foundation hosts the boys and girls of summer and has for generations during the summer. Meredith Memorial Stadium has hosted other towns' championship games and high school marching band contests. The country club with its golf course is one of Mineola's oldest attractions. While it is a private course, guests are welcome to play with members. It is considered one of the top 9-hole courses in the state.

At the civic center, visitors will find a secure area that incorporates recreational vehicle pads with full hookups with access to a pavilion with restrooms and showers. Mineola's newest attraction, the Peggy and Jack Jones Pavilion, is adjacent to the John J.

Historic preservation leads to economic development

Mineola became a Texas Main Street City in 1989 and in 2000 was chosen as a National Main Street City by the National Trust for Historic Preservation. Sales tax revenues have increased for the past several years and economic development is seeing steady growth.

The business community has continued to grow with new restaurants and retailers. This vitality is a result of efforts by many in the development of a historic downtown district, with over \$11 million of investment of public and private funds made in the central business district.

The Main Street Advisory Board's mission is to use historic preservation as a method of maintaining a positive image of downtown, while creating economic growth for the community.

Main Street is the heart and soul of a community and with the city, merchants and the community's strong commitment to revitalizing the historic homes and downtown area, Mineola continues to establish itself as a

tourist destination.

One of the newest projects is the Iron Horse Square Project, a historical railroad park downtown. An old railroad bed has been uncovered to provide a walking trail. One room of the depot will be dedicated to an interactive model train replica of early day Mineola. Plans for the railroad park will pay tribute to the town's history. The park plans include a replica of an interlocking tower in Mineola and a flagman's hut, but also a track and train on which visitors will be able to ride in the park.

The Main Street Board, under the supervision of the city, continues to make strides in historic preservation, economic vitality in downtown, and a concentrated marketing program that will foster economic vitality in the community. The Main Street Program in Mineola is an outstanding example of what can be accomplished when the city, commu-

MLOTA functions through individual groups called "Guilds" formed to study specific art forms. Current guilds include Fiber Arts, Line Dancing, Painters, Photographers, Quilters and Sculptors. New guilds may be formed when a sufficient interest is shown.

The Historic Select Theater in Mineola is the longest continuous operating movie theater in Texas.

Web site

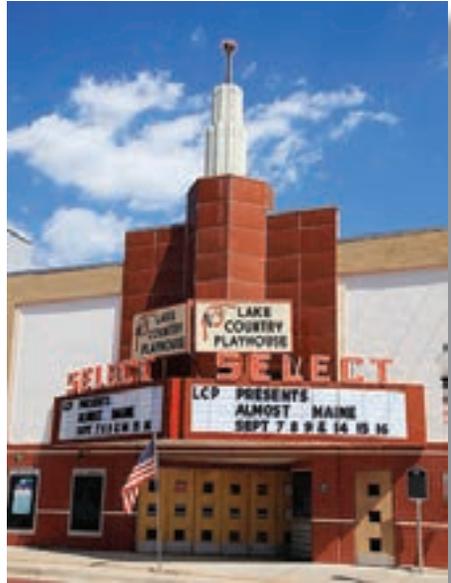

Facebook

First opening its doors in 1920, the Select has kept pace with the ever-changing technology of the motion picture industry while maintaining the charm of a single-screen theater in a small town, and that includes prices for tickets and concessions.

Mr. and Mrs. R. T. Hooks opened the Theater as a movie house in 1920, and the building retains much of its historical style and ambiance today. In 1978, a

group of actors determined to bring live theatre to the Lake Country area formed the Lake Country Playhouse. They purchased the Select in 1993, ensuring that Mineola would continue to have a movie theater and a venue for live theatrical and musical productions.

The Playhouse produces four live plays each year—one in each season—and shows first-run movies each weekend. Patrons especially love the summer musicals and popular Christmas shows.

The Select is also home to the Lake Country Symphonic Band, a 65-member community ensemble, which presents four scheduled performances during the year.

Call 903-569-2300 or visit www.lakecountryplayhouse.com. You can also find them on Facebook under Lake Country Playhouse; The Historic Select Theater, and The Lake Country Symphonic Band.

and Rheba Myers Splash Park. It has a covered porch-like area with picnic tables that is available for gatherings.

The splash park opened two years ago and offers water play areas for toddlers to teens at no cost. The park also offers lighted tennis courts, a playground and sidewalks that stretch for a mile around and through the park. On any given day you will find golfers, tennis players, soccer teams, campers and pet owners enjoying the park on the northeast side of town. The center is also the location of Meredith Hall, one of the popular event locations in town.

Mineola Retirement Community

Mineola is very proud to be known as a Go-Texan Certified Retirement Community. Certification is given to qualified communities by the Department of Agriculture (www.gotexan.org).

Being a retirement community, Mineola has become well-equipped with the many needs and wants of the retirement population. We offer quite the selection of medical outlets in our town. This town also offers many different services in which seniors, as well as folks of other ages, can participate including the Mineola League of the Arts, the Lake Country Playhouse, Charitable Bingo at the Forever Young Activity Center in Quitman, and much more! Mineola is also home to a very large quilting fan base.

Our nationally recognized historic downtown offers a vast assortment of antique shops, gift shops, crafting and clothing stores, museums, coffee shops and wonderful dining options. The Amtrak station provides transportation seven days a week and the Wood County Airport is just minutes away from the

heart of Mineola. Historic Mineola Wisener Field Airport is on the northwest side of town.

The arts are also alive with community concerts in a park downtown and at other venues. Mineola is also a wonderful place to get involved in the many non-profit organizations we have to offer, such as Caring & Sharing, the Kiwanis, Rotary, Pilots and Lions Clubs, the Masonic Lodge and much more!

Our housing opportunities for seniors in Mineola are above and beyond. The town also offers seniors housing within the community, an assisted living center and two nursing homes. The City of Mineola pays a fee to the ambulance service which prevents residents of the city limits who are insured from having to pay for transportation by ambulance when they have to go to the hospital. And those who don't have insurance are billed substantially less. Meals on Wheels is also a program that is offered in the Mineola area. The city of Mineola has everything anyone would want and need to relax, rejuvenate and retire!
