Thor

Life-size Valentine bears are about \$200. Thor is only \$35 AND he can hug & kiss you back!

Thor is 110 pounds, but very gentle & mindful of his size. He is very obedient & knows to sit on command for treats. In the fashion of a true gentleman, Thor only jumps up for hugs when invited. This Valentine has great breath (beautiful white teeth) & is a big cuddler. Thor is about one year old & likely a Cane Corso mix. He is originally from Grand Saline, so if you recognize please contact the Mineola Animal Shelter.

To help decrease the number of homeless animals, please remember to have your dogs & cats spayed & neutered.
