As a life long resident of Montgomery county, I'm humbled by being chosen at the top of my profession in our county in the Best of Series. The people who voted can claim this as their reward as well. If it were not for the great customers I have worked with over the last 18 years, there would be no award like this for me. Thank you to my customers and for a home like Montgomery county to work in and the Journal who had the contest!

## FURNITURE & BEDDING

### Voted Montgomery County's **BEST HOME FURNISHING**

We are humbled and honored to be presented with the award for best home furnishings store of 2020! When we started the appliance division 5 years ago, we had very clear long term goals. To say we've been blessed beyond comprehension would be an understatement! Just under 2 years ago, we started serving high quality home furnishings along with our appliances. During that time, we were fortunate to outgrow our store not once, but three times! We had no idea the doors god would blow open.

Through prayer, communication, an incredible staff and outstanding vendors, we have the privilege to do what we love, serving others! The cornerstones of our businesses have always been providing the customer with the highest quality furniture with exceptional customer service at the best prices! From all of us here at "Caldwell's Furniture and Bedding", thank you for allowing us to serve your family. Without you, we would not be able to do what we're so passionate about.

*From the bottom of our hearts, thank you! Matthew 20:28*

First of all I want to thank everyone who voted me as "best waitress" I couldn't have done it with all of your love and support. YOU all make me the best and make it easier to love what I do and make you guys feel at home when coming into Little Mexico. ### Voted Montgomery County's **BEST SALESMAN**

When I was asked to write something about the huge honor of winning Montgomery County's salesman of the year, I was at a complete loss for words. Since the mid 80's, I remember knocking on doors to earn money mowing lawns. When I got my license, it was flipping cars. Working hard and serving others have always been my passion. So, earning the honor of being recognized for doing something I love, was almost unbelievable. Seeing the look on someones face when you have the privilege of not only serving their family, but saving them money, is a feeling that's rewarding in itself. Through hard work, honesty, and integrity, we've been fortunate enough to outgrow our location three times! I will forever be thankful for the privilege Christ has given my family, and my staff to serve. This honor wouldn't have been attainable without a huge support system. This award goes to not only me, but my incredible team, our wonderful customers and friends. *Thank you again for the incredible honor of recognizing me for doing what I love.*

***Dear Journal Review Readers:***

I humbly say thank you. I count it a privilege to join many other pastors in our community who are dedicated to advancing the Kingdom of Jesus Christ. Pastoring a church is not a competition but rather a calling to a much greater cause. At Rock Point, we love our community and are honored to stand with those who faithfully preach the Word of God.
