YOU MAKE US STRONGER

During these unprecedented times, we are humbled by the sacrifice of all of America's healthcare professionals who serve on the front lines of the COVID-19 pandemic.

We are especially grateful for those who serve the Nucor Crawfordsville family every day - our company nurse and on-site medical clinic. Thank you for serving on the front lines for our team and our community.

Because of you, we are stronger.

As law enforcement professionals, we pledge to serve the Montgomery County Community, build trust and confidence, and respond to community needs with:

INTEGRITY - We interact with each other and the community we serve with honesty, dignity, and respect.

INNOVATION - We respond to the community's needs with vision and initiative, relying on both traditional and non-traditional problem solving methods.

PARTNERSHIP - We actively promote a spirit of teamwork and cooperation through open communication and free exchange of ideas.

SERVICE - We will continuously develop our skills and talents to provide top quality, responsive, and effective law enforcement services.

ACCOUNTABILITY - We ensure judicious management of human, financial, and physical resources.

MISSION

To provide Montgomery County residents, businesses and industries, non-profit organizations, and local governments the education and support necessary to reduce the loss of life and human suffering; to minimize property damage; and to protect environmental sensitive areas from all types of disasters through a comprehensive, risk-based, all-hazard emergency management program.

VISION STATEMENT

The goal of the Montgomery County Emergency Management Agency is to educate the Citizens of Montgomery County about their ongoing role in preparing for emergencies through education, community outreach and training. Through creating an increased emphasis on disaster preparedness, the Montgomery County Emergency Management Agency looks forward to reinforcing interdepartmental communications and cooperation throughout our County, while creating a community culture of preparedness and fostering partnerships with local public and private groups and businesses. It is the goal that Montgomery County Emergency Management Agency will work with the community, neighbor helping neighbor when a disaster strikes.
