Welcome to Daphne!

OFFICE OF THE MAYOR

October 16, 2021

Dear Jubilee Festival Artists,

Welcome to the City of Daphne "The Jubilee City" and thank you for your participation in the 2021 Jubilee Festival of Arts.

Located in the heart of the Eastern Shore, Daphne is a family-oriented community and a special place to live and visit with endless opportunities to relish the outdoors. This makes our city the perfect location for the annual Jubilee Festival of Arts. For thirty-three years, the Jubilee Festival has been held in the heart of Olde Towne Daphne. In 2020, we were faced with several challenges. In addition to trying to navigate through a global pandemic, our city was directly impacted by Hurricane Sally just weeks before the show. We worked closely with the Eastern Shore Chamber of Commerce to find a way to hold the art festival despite the challenges and moved it to W.O. Lott Park. This move allowed more room for artists and patrons to successfully and safely enjoy the event. It went so smoothly that the park will be home to the festival moving forward.

We hope that you enjoy the new location and the opportunity to experience Olde Towne Daphne during your stay. We invite you to explore the area by visiting our many historic landmarks, parks, bayfront access points, fishing piers as well as dining and shopping at our popular local retail boutiques and restaurants.

On behalf of the employees and citizens of the City of Daphne, thank you again for being a part of the 2021 Jubilee Festival of Arts.

Best wishes,

A handwritten signature in black ink, appearing to read "Robin Lejeune".

Robin Lejeune
Mayor

Greetings!

Welcome to the 33rd Annual Jubilee Festival of the Arts. What a year it has been since the 2020 festival! The year 2020 taught us a lot about being creative and managing change... quickly. Everyone was so pleased with our move to Lott Park that the Jubilee Festival of Arts now has a new home! We are also excited that our festival will now take place in October so we can enjoy the cooler temperatures as Fall makes its debut.

This year Kids Art is back with great activities for children, and we have with a delicious line up of food trucks for everyone to enjoy. Our stage returns with local entertainment along with a record number of artists from around the Southeast. Our Jubilee Market vendors are back with everything from honey to dog treats! As we always say, there really is something for everyone!

The Olde Towne Daphne merchants and restaurants are looking forward to seeing you as part of your day in Downtown Daphne. You might just discover a new favorite place to shop or dine!

The Eastern Shore Chamber of Commerce welcomes you to the Jubilee Festival of Arts. Please enjoy and stay safe. We look forward to seeing you!

Casey Williams

About the Festival

Presenting Sponsor:

Who:

The Eastern Shore Chamber of Commerce hosts the Annual Jubilee Festival of Arts in conjunction with the City of Daphne.

What:

33rd Annual Jubilee Festival of Arts presented by Southern Cancer Center

Art & music meet southern charm at this annual festival set in Olde Towne Daphne. The Jubilee Festival of Arts features more than 130 local and regional artists. The festival also includes the Jubilee Market featuring local food makers. Other attractions include entertainment, delicious food and Kids Art.

When:

October 16 & 17, 2021

10 a.m. - 5 p.m.

The Jubilee Festival of Arts is a rain or shine event.

Where:

W.O. Lott Park

2000 Main Street, Daphne, Alabama

Why:

The Eastern Shore Chamber of Commerce hosts the Jubilee Festival of Arts each year to support tourism and the arts & spotlight the beauty and fun of Olde Towne Daphne.

Where do I park?

Parking is available throughout downtown Daphne. Some of the largest parking areas include Daphne Elementary and Resurrection Church on the north end of the festival and Daphne City Hall and Christ the King Catholic Church on the South end of the festival.

What's New for 2021

We heard an overwhelming amount of support for moving our dates from September to October, so we're listening and the 33rd Annual Jubilee Festival of Arts presented by the Eastern Shore Chamber of Commerce is making a permanent move to the third full weekend of October. The dates for 2021 will be October 16 & 17.

We're hoping the later date will allow for cooler weather for our outdoor festival each year.

Artists, locals and visitors also loved the move to Lott Park in Olde Towne Daphne. We made the move in 2020 to allow more space for social distancing. Since we heard so much positive feedback, we're keeping the festival there moving forward. We'll continue to space booths out and the park gives us plenty of room to grow in the future.

We are also excited to have our Kids Art activities back in 2021 including Fish Prints, Wooden Block Sculptures, Pumpkin Painting & Freeform Art.

Look for updates at

Meet the Poster Artist

Linda Scott

The 2021 featured artist is local artist, Linda Scott, a staple of the Eastern Shore art scene for many years.

She says she doesn't have to travel far to find inspiration. "It's the whole Eastern Shore from Spanish Fort to Daphne to Fairhope, all the way down to Point Clear, you don't have a place like this just anywhere. There's never a day that there's not beauty along this shoreline."

She specifically recalls moving to the area 18 years ago. "We came over the hill and had the panorama of the bay in front of us, my husband and I looked at each other and said, 'and we live here,' said Scott, explaining that this year's featured artwork showcases Mobile Bay and all that makes this place wonderful.

The colors in her painting reflect the setting sun at May Day Park in Daphne. "It was about sunset, so I was able to capture the colors we get in the sunset here, captured the trees with the Spanish moss on it. There's usually a heron or an egret down there."

It's not uncommon to see local wildlife popping up in Linda's paintings. She's known locally for her birds, crabs and oysters.

The 33rd Annual Jubilee Festival of Arts is proud to have Linda represent us in 2021 with her beautiful work.

High School Art Exhibit

The High School Art Exhibit has become quite a tradition!

This exhibition is open to high school students attending Spanish Fort High School, Daphne High School, Fairhope High School, Bayside Academy, St. Michael's Catholic High School, Bayshore Christian School and home-school students residing on the Eastern Shore.

This is an opportunity for high school art students to compete and exhibit their work. It is also a great way to showcase the wonderful artistic talent found in the high schools located on the Eastern Shore.

Meet the Committee

I have always loved the Jubilee Festival of Arts and it is truly a joy watching it grow each year. This is my second year serving as the Chairman of the event and I am even more excited to see what our amazing vendors and patrons have in store for our festival. Our featured artist is Linda Scott and we are thrilled to showcase her artwork this year. My hope is that this year's festival continues to bring some much-needed fun and joy after the hardships we have endured over the last year.

Festival History

The Jubilee Festival is two exciting days filled with arts, crafts, food, entertainment and fun all taking place on the streets of downtown Daphne, aptly called "The Jubilee City." The Eastern Shore Chamber of Commerce hosts this wonderful event each year in cooperation with the City of Daphne. The Festival is growing each year and is enticing many new exhibitors as well as old favorites to the event and the Eastern Shore.

The Jubilee Festival was created as a way to combine business, tourism and fun while showcasing the City of Daphne. The first planning committee selected the name Jubilee Festival due to the Jubilee phenomenon that occurs in areas around Mobile Bay and most frequently on the Eastern Shore.

Antiques were featured during the first Jubilee Festival which was held in November 1989. During that first year, Main Street in Olde Towne Daphne was transformed into an "Antique Alley" with 60 vendor booths. In addition to antiques, there were arts and crafts booths as well as food and entertainment.

Much of this continues today, except that antiques are no longer featured. The Jubilee Festival is a juried visual arts and crafts festival that currently features many artists and crafters from the local area and Southeast region along with entertainment, food court and Kids Art Park.

In 2017, the festival changed its name to the Jubilee Festival of Arts, highlighting its expanding focus on all aspects of art. The Chamber added Southern Makers demonstrations & partnered with the World Food Championships to offer two qualifier competitions.

The festival embraced a new logo for its 30th Anniversary and added the Jubilee Market and Chef Demonstrations in 2019.

In 2020, the festival moved to Lott Park to allow room for social distancing during the COVID-19 Pandemic. It also made a move to October due to Hurricane Sally. People loved October's cooler weather and Lott Park so much, the committee chose to keep the moves in 2021.

The Jubilee Festival of Arts has become an Eastern Shore tradition offering fun and excitement for visitors of all ages. The Eastern Shore Chamber of Commerce is pleased to provide this honored event for local residents and visitors.

Downtown Retailers

While you're out enjoying the Jubilee Festival of Arts, we encourage you to pop in to shop at the many downtown merchants and enjoy delicious food at one of our local restaurants.

For a complete list of services, clinics and outpatient testing centers, visit infirmaryhealth.org.

Thomas Hospital is designated as a Blue Distinction Center[®] for Cardiac Care and a Blue Distinction Center[®] for Knee and Hip Replacement by Blue Cross and Blue Shield of Alabama, an independent licensee of Blue Cross Blue Shield Association.
Blue Distinction Centers (BDC) meet certain quality measures, developed with input from the medical community. A Local Blue Plan may require additional criteria for providers located in its own service area. For details, contact your Local Blue Plan. Blue Distinction Centers (BDC) also meet cost measures that address consumers' need for affordable healthcare. Each provider's cost of care is evaluated using data from its Local Blue Plan. Providers in CA, IL, IN, PA, and WA may be in two Local Blue Plans' areas, resulting in two evaluations for cost of care, and their own Local Blue Plans decide whether one or both cost of care evaluations must meet BDC's national criteria. National criteria for BDC and BDC+ are designed as minimums. Individual cost measures may vary. For details on a provider's network status or your own policy's coverage, contact your Local Blue Plan and ask your provider before making an appointment. Neither Blue Cross nor Blue Shield Association nor any Blue Plans are responsible for non-covered charges or other losses or damages resulting from Blue Distinction or other provider leader information or care received from Blue Distinction or other providers.
