CEDAR PARK SURGEONS

BEST SURGEON

We would like to congratulate Dr. Nicole Basa for being voted Hill Country News' Best of the Best Surgeon for 2019!

The comprehensive program encompassing weight loss and aesthetics at Cedar Park Surgeons, PLLC – also known as Cedar Park Bariatrics and Cedar Park Aesthetics – was founded by Drs. Nicole Basa and Alan Abando in 2007. They personally take a caring and comprehensive approach to weight loss surgery for their patients. They are complemented by a team of dietitians, nutritionists, psychologists and aestheticians to streamline the process to surgery, help you to be successful as well as look and feel your best after surgery. Surgeries are performed at all Center of Excellence locations throughout the Austin and Cedar Park areas.

If weight loss surgery is not the direction the patient wants, the practice also offers medical weight loss options which are facilitated by nutritionists and dietitians. Once you step foot into the practice you will know you will be cared for every step of the way. The practice is excited to help you reach your weight loss goals and support you throughout this life-changing journey!

TARKA INDIAN KITCHEN

BEST VEGETARIAN MENU

We set out with a simple premise. Create a restaurant with fresh and flavorful Indian food that is also fast and affordable. Serve it in a casual, modern space with stellar customer service. Make it as convenient as possible, whether you're enjoying a relaxing meal on our patio, grabbing take out using our online ordering system, or having it delivered. Run it as environmentally friendly as we can. And strive to make a positive impact in the communities in which we operate by partnering with local charities and schools as part of our Eat Good Karma program.

Our first store opened in South Austin in 2009, and from that moment on, our guests have been almost as passionate about Tarka as we are, for our Curries, Kabobs, Biryanis, and freshly baked flatbreads, paired with great drinks like Mango Lemonade, fresh fruit Lassis and select wine and beer.

We now have 8 locations in Austin, Round Rock, Houston and San Antonio, including our newest store at Lakeline Plaza, with many more to come.

We look forward to having you as our guest at Tarka!

Bush's Chicken opened in Cedar Park over ten years ago and is the unquestioned "King of Fried Chicken."

Bush's earned its eleventh title as "Best of Best Chicken" in the annual Hill Country News readers' poll. Bush's uses its own proprietary marinade and cooking process along with the highest quality chicken products to make its award-winning chicken by the piece. Bush's Chicken is headquartered in Cedar Park, Texas and has five corporate stores in the area — Cedar Park, Round Rock, North Austin, South Austin, and the newest location in Pflugerville/Hutto!

BEST CHICKEN

"Cedar Park, Leander and the surrounding areas have been a blessing to Bush's Chicken. The community has provided us not only with great employees but an environment and culture that we are proud to call our home. The family values and support in the community are unmatched. We could not have won this award with just the Best Chicken, we credit most of our success to our wonderful employees in this area who deliver excellent customer service and run the fastest drive-thru in the business" said Jeff Hammock, President of Bush's Chicken.

Bush's Chicken is very active in the community through their support of area schools and churches. Visit any press box or concession stand at a Friday night high school football game and you will see Bush's Chicken everywhere. The coaches, scouts, media and volunteers can always count on Bush's each Friday night at all the stadiums in the Austin Area school districts. If you have bought Bush's iced tea at a school-sponsored event, you should feel good knowing that 100 percent of the proceeds of the tea sales went straight to the booster club or community group that sold it to you.

"Bush's Chicken is not only in business to provide the community with the Best Chicken, iced tea, rolls and sides but to also give back and help our community and students wherever we can. Bush's Chicken would like to thank our customers for their support and friendship over the years. We look forward to providing the Best Chicken and being a part of this great community in the years to come."

Stop in and check out the Bush's Summer Special: Happy Hour through the end of summer is now all day every day! Happy hour specials include a 32-ounce cup filled with Bush's famous tea for 69 cents — also save on soft drinks, tender rolls, pies, and brownies!

In 2006, Cook Hearing and Balance opened their doors. Our mission was simple: to serve the Cedar Park and Leander communities and bring a new standard of care to the hearing impaired population. Our commitment has only grown stronger over time.

We've been privileged to volunteer, sponsor local events, and offer free hearing screenings to this flourishing community. We're committed to helping our patients get more out of life by reconnecting them with their loved ones. The

gift of better hearing improves the overall quality of not just the patient, but transcends to their families and the community as a whole.

Our dedication to the hearing impaired community has been evident in our efforts for the past 13 years. We've partnered with the Starkey Hearing Foundation and the Sertoma Club. In 2019, the Cedar Park Chamber of Commerce gave us the Small Business of the Year award. Our founder, Lori Cook, also serves as an active member of the International Hearing Society and

served as the Treasurer for the Texas Hearing Aid Association from 2012 to 2017.

We also pride ourselves in always keeping up to date with the latest testing technology. Our newest piece of testing equipment is the Otometrics Otoscan 3D Ear Scanner, which uses high-tech lasers and cameras to create a digital 3D scan of the ear canal. This allows us to have extremely precise earmolds, ensuring a superior fit every time. No other hearing practice in the Austin area has this technology!

SIGNATURE EYE CARE

BEST EYE DOCTOR

Thank you Hill Country News Readers for voting and giving us the honor of Hill Country News Reader's Best Eye Doctor 11 years in a row!

My wife, Julia, and I fell in love with the Hill Country area when we both attended UT Austin. I am so thankful we were able to call this community home, where our three children and puppy, Phillip (12), Carmel (10), Xander (7) and Mochi (9 months), have been born and raised.

My own experience as a child shaped my desire to become an optometrist. I was struggling in school until an optometrist in my 3rd grade discovered my need for a high nearsighted and astigmatic prescription. It was a life-changing moment to get eyeglasses and see so clearly for the first time.

It was always my dream to open a practice where I could assemble a wonderful team that cared as much about patients as I did. Providing exceptional customer service along with innovative technology is our priority in delivering the best eye care we can to our patients. Our team strives to offer our best when it comes to protecting and enhancing something as precious as you and your family's eyesight.
