

Well Child Policy

For the protection of the children and families in our kids ministry, please adhere to these guidelines when determining if you should bring your child to church.

A well child has:

- No fever over 99.6° currently or within the last 24 hours.
- No vomiting or diarrhea currently or within the last 24 hours.
- No runny nose.
- No cough.
- No unexplained rashes.
- No skin infections.
- No eye infections.
- No childhood diseases such as chicken pox, mumps, measles, etc.

If a child currently has any of the above symptoms ...

Please do not bring your child to church. The volunteers, teachers, and leaders in your child's class may not accept him or her into the classroom.

If a child develops any of the above symptoms while in our care ...

We will ask you to pick up your child immediately. We will not administer medicine of any kind.

Your cooperation will help to protect the health of the children and families in our church!
