Laclede Co-40 Acres

\$85,500

This is the property you have been searching for! Come check out this amazing opportunity to own 40+/- acres surrounded by Mark Twain Forest on three sides. This will be the perfect set up for someone wanting good blacktop road frontage with beautiful build and/or camp sites toward the front of the property while leaving the back of the acreage undisturbed for hunting and/or recreational use. You can build your dream home on the high ground and clear a few trees to open up breathtaking views of the valley and rolling hills for you to enjoy from the comfort of your own living room. I can only imagine the beautiful sunrises you can enjoy from your back deck! The acreage boasts a great mixture of hardwoods and cedars which have created a wonderful habitat for deer and other wildlife. There is also a gorgeous stream meandering through the property providing a water source for wildlife as well. The Gasconade River flows nearby, and there is an access point just a few miles down the road. All of this, plus being surrounded by hundreds of acres of Mark Twain National Forest land that you can make use of, makes this a very highly sought after piece of property with loads of potential! **Call Pamela Dempsey today at 660-553-8677** to schedule a tour of the property.

Miller Co-45.5 Acres

\$89,862

29.25 Acres

\$57,769

This is what everyone is looking for in a property! Great timber, wooded draws, and off the beaten path. This property has county road frontage, and also a easement that runs through the east, this will be rocked as well. There is electric on the front of the property. There are a lot of deer and turkey in this area, and while I was out on the property I saw lots of tracks and deer rubs. This is close to Ulman, Mo, just at the end of Hwy JJ, then only a little ways down Bear Creek Rd to the property on the right. For more information **contact Mike Stoner at 573-774-9775 Cell** . Two tracts available: a 45.5 and a 29.25
