This IS the Land You Have Been Looking For !!

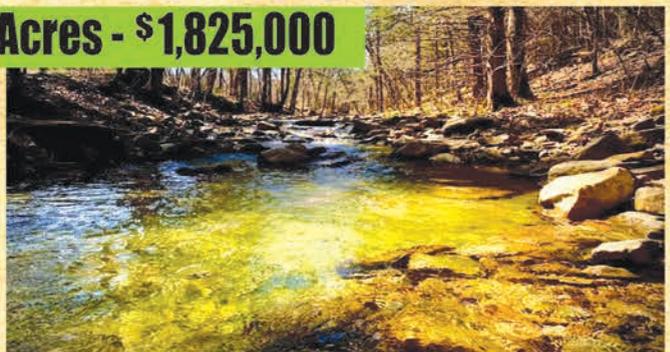

Dent-Reynolds Co. 300 Acres \$925,000

If you are in the market for a very nice Reynolds and Dent County farm you will want to give this one a look. Located near the community of Boss, Missouri, this working cattle farm has good pasture and no shortage of water. The East Fork of the Huzzah Creek runs through the property in addition to multiple springs and ponds. You will find a hay barn/machine shed, cattle working pen and the property is fenced and cross fenced. Easy access throughout the property and the farm borders hundreds of acres Mark Twain National Forest on the North and South. No shortage of Deer or wild Turkey. We saw eight deer and a big gobbler while viewing the farm. The ranch style home is 2040 square feet, providing three bedrooms on the main floor and another bedroom in the basement. Two full bathrooms and a half bathroom, family room, dining, and kitchen with custom built oak cabinets. The home has an electric furnace and central air, but can also be heated with an outside wood boiler. There is a two car garage in the basement. The home is well kept. There are four wells on the property to include a well and electric with a concrete pad that is located on the east central portion of the property off of County Road 942 that would make an excellent spot for a camper or homesite. Don't miss the opportunity to own this farm, Reynolds and Dent county farms do not come available very often. **For a showing call Danny L. Miller at 573-528-1489 or Mike Stoner at 573-774-9775**

Christian Co - 355 Acres - \$1,825,000

Dream it, Build it, Live it! Just over 350 acres of Southern Missouri Ozarks in Christian County. The property lays on the Taney County Line, only 10 miles North of Branson, has one mile of Highway 65 Frontage and comes with its own outer road. Enjoy Nature's Finest with two live spring fed creeks that flow through property with year-round water. The acreage has beautiful rolling acres, massive hardwoods, gorgeous Ozark crystal clear water with stunning rockscapes. Additionally, the owner spent endless hours building several miles of trails throughout the property, established 2 wildlife ponds and there are several open areas for food plots. The property has several building sites with amazing views that go on for miles and miles! This property has marketable timber and endless recreational possibilities such as hunting, shooting, trail riding, and an abundance of wildlife including deer, turkey, and yes, even bears! (Missouri just authorized a bear season this year too). Imagine the commercial, development or other possibilities: the property neighbors the high-end housing development and community of Saddlebrooke; a Gas Station and Branson Visitor Center are directly west of Property across Hwy 65; an RV Park is to the SW; and several other commercial operations are in the surrounding area. The east side of the property, near highway 65 was a prior staging area for construction company which provides an excellent foundation for a commercial enterprise. This property's possibilities, and natural beauty, are endless. Let creativity guide you to your future in these breathtaking Missouri Ozarks. Nearby: • Busiek State Forest and Wildlife Area 2 mi. North • Springfield, MO (Bass Pro HQ) about 30 mi. North • Branson, MO 10 mi. South • Property Neighbors/Borders the Saddlebrooke Community. **Call Pamela Bollinger 816-769-5076**
