"They told me time would fly by, and that I would miss this, so I counted every moment, and milestone. I tried to see it all to my memory. Somehow, here we are, in a flash. No longer are you small, nor can I lift you up and spin you in hugs. Now you tower over my head, and your hugs engulf me. I taught you all that I could. Now your intellect baffles me! I couldn't be prouder of you, MJ. Please remember two things; first, God will never fail you. Keep your faith, and He will guide you. Second, it's okay to make mistakes. Own them, learn from them, get up, and do better the next time."

Love, Mommy

"MJ, I feel privileged to have got to be a part of your life you are an amazing kid I love you like one of my own. I've watched as you have grown from a little kid to a young man. Congrats Grad!!"

Love, Jess
