Home & Garden Show is a one-stop shop for home improvement needs

The 38th annual Las Cruces Home Builders Association's Home & Garden Show is right around the corner! The New Mexico Farm & Ranch Heritage Museum will be transformed into your one-stop shop for your home improvement needs.

Come see the newest products and trends for your new home or to upgrade your current home. At the show, you will be able to comparison shop several companies and set appointments for project estimates under one roof, saving you time. We

will have live demos throughout the show and a utility shed that will be built on site by the Doña Ana Community College Construction Program.

We will also have food trucks, a bounce house, the Home Depot Kids Clinic and Wonder Woman there both days for the kids to enjoy! On Sunday you can come see adoptable animals from Safe Haven Animal Sanctuary.

Also, during your visit, make sure to participate in the scavenger hunt

and visit all our sponsors' booths to be entered in a raffle for a great prize both Saturday and Sunday. We will have activities for the whole family, so come by and make a day out of it. We look forward to seeing you at the show!

Sincerely,

Josh Corral

Become a Member

Joining the Las Cruces Home Builders Association is the key to unlocking the potential of your business. You will meet other members with common interests that will allow you to exchange ideas, further your education and develop policies that will help your business thrive. Membership has the power to increase the visibility of your business and help you to develop the skills and gain the knowledge you'll need to succeed. This year our president, Kent Thurston, with KT Homes, has geared our focus to education for our members

with a free monthly education class, and by partnering with the Las Cruces Public Schools and Doña Ana Community College on getting our local youth involved in skilled trades. All of this was made possible with generous monetary donations by two of our members, Desert View Homes and Red Cliff Homes. With this, I would also like to recognize our Membership Chair Amie Ingram, with BBVA Compass Bank, she has done an amazing job! Being a part of this association has so many rewards!"

Nicole Black
Executive Officer

OTHER BENEFITS OF JOINING THE LCHBA ARE:

- Free monthly education classes
- Power advocacy and representation
- Access to NAHB's team of expert advisors
- Critical news and information
- Valuable member discounts
- Awards and community recognition

If you would like more information about joining the LCHBA, please contact Nicole Black at 575-526-6126 or nicole@lchba.com.
