Make the most of your Home & Garden Show

Welcome to the 37th annual Las Cruces Home Builders Association's Home and Garden Show! We have transformed the New Mexico Farm & Ranch Heritage Museum to bring your local building and home service professionals to one location.

Come check out the show to find new ideas for your new home or to upgrade your current home.

At the show, you will be able to comparison shop several

companies and set appointments for project estimates under one roof, saving you time.

We will have live demos throughout the show and a utility shed that will be built on site in the courtyard by the Doña Ana Community College Building Construction Technology Club.

During your visit, make sure you have visited all our sponsors' booths to be entered in to a raffle for a great prize both Saturday and Sunday. We will have activities for

the whole family so come by and make a day out of it.

We look forward to seeing you at the show!

*Sincerely,
Josh Corral*
