**LAS CRUCES
PUBLIC SCHOOLS**

DEAR PARENTS,

Another school year has come and gone, and what a wonderful year it was! Once again, I was amazed to see all of the incredible things our students and staff accomplished this year, both in and outside of the classroom. Keep up the great work!

While it's important to take some time and relax this summer, don't forget that it's also important to stay active and keep learning.

I hope everyone has a happy and safe summer break. I look forward to seeing all of you in August.

Keeping Cool During Summer Activities!

Parents, if you have children who ride the bus this summer or children who spend quite a bit of time outside, here are some tips to help keep them safe:

- Encourage children to drink water frequently at home and at school. Send a water bottle to school with your child, and/or a portable hand-held fan.
- Dress students in light-weight, loose-fitting, cotton clothing.
- Talk to your child about the dangers of getting overheated. Inform your child to report to an adult immediately if they experience: heavy sweating, dizziness, nausea, vomiting, weakness or fatigue, cramping in arms, legs or abdomen.
