## tonight's picks

## Rhiannon Fish

**4 p.m. on TCM**  
**Movie: American Graffiti**

Breakups, makeups, Mel's Drive-In, Wolfman Jack and a great hit-packed soundtrack all contribute to director George Lucas' wonderfully nostalgic 1973 comedy about an eventful night for young Californians in 1962. A prelude to television's "Happy Days" for cast member Ron Howard, the movie also was a great showcase for then-budding stars including Richard Dreyfuss, Cindy Williams, Mackenzie Phillips and Harrison Ford.

**5 p.m. on NIK**  
**Are You Afraid of the Dark? Ghost Island**

Season 3 of this spooky fantasy series reboot follows an all-new Midnight Society as they go on what they thought would be a carefree summer vacation on a resort island, only to discover something sinister is haunting the guests at their hotel. In the two-hour season premiere, the four close-knit friends have barely checked into their accommodations before discovering some of the chills awaiting them. The new cast includes Telci Huynh, Conor Sherry, Luca Padovan, Dior Goodjohn and Chance Hurstfield.

**6 p.m. on HALL**  
**Movie: A Splash of Love**

In this 2022 romance, a Ph.D. candidate decides on a whim to expand the focus of her studies to include the behavior of whales in the Pacific Northwest. During the course of her work in this picturesque new environment, she meets a tour guide on one of the area's many whale-watching boats. As they spend time together, it's not long before the couple start bonding over more than just orcas. Rhiannon Fish ("The 100") and Ben

Hollingsworth ("Virgin River") star.

**6 p.m. on TLC**  
**Say Yes to the Dress**

Time is of the essence for bride-to-be Liana as she heads to Kleinfeld to find a dress for her wedding that's only four months away in a new episode called "Can't We All Get Along and Get This Dress?" Another client, Meredith, wants a dress that gives her that fairytale feeling every bride is seeking, and Brianna brings her family to her final fitting, hoping they're all onboard with her choice of gown.

**7 p.m. on KTSM**  
**Movie: Furious 7**

The huge success of the action-movie franchise continued with this 2015 edition, the last to feature co-star Paul Walker. An enemy (Jason Statham) is out for vengeance against Dom (Vin Diesel) and his hard-driving comrades, who venture to various locations including Tokyo and Abu Dhabi in a bid to get the villain before he gets them. As usual, the stunts are spectacular. Kurt Russell, wrestler Ronda Rousey and Lucas Black ("NCIS: New Orleans") join the cast here.

## movie review

BY JAY BOBBIN

### “Battleship” has game as a screen adventure

“You sank my battleship!”

For a long time, that was a very popular phrase in television ads, at the peak of a certain board game’s popularity. It’s unlikely that any of the youngsters shown so eagerly playing the game could have imagined then that it would take on the proportions it did in the movie version of “Battleship,” which elevates the idea to “Transformers”-sized stature.

That’s not a bad thing for those who like special effects and pyrotechnics, as TNT reaffirms in showing the 2012 film Friday, Aug. 5. The catch is to put a solid story behind them, and to a large degree, director Peter Berg and his team succeed. It has its share of war-story clichés, but they play comfortably within the framework of a military-vs.-aliens saga.

Liam Neeson in  
“Battleship”

Certainly an action stalwart ever since his then-surprising image switch in “Taken,” Liam Neeson plays the commander who leads troops into the fray against unwelcome invaders. Before the actual fight begins, though, we get plenty of back story on those who will be representing humanity in the conflict.

Two of those principals are Navy brothers played by Alexander Skarsgard (“True Blood”) and Taylor Kitsch (of TV’s “Friday Night Lights,” which Berg also had a big hand in). One plays it by the book while the other is a maverick hotshot, and if you don’t think their experiences here will reshape their relationship, congratulations on this being the first movie you’ve ever seen.

## “Movie: House of Gucci”

Ridley Scott’s entertaining 2021 biographical crime drama earned significant acclaim for Lady Gaga’s gutsy performance as Patrizia Reggiani Gucci, who goaded introverted husband Maurizio (Adam Driver) into a power play for control of the Gucci fashion brand. An unrecognizable Jared Leto co-stars as hapless designer wannabe Paolo Gucci, with Al Pacino, Jeremy Irons, Jack Huston and Salma Hayek also featured in the high-wattage cast.

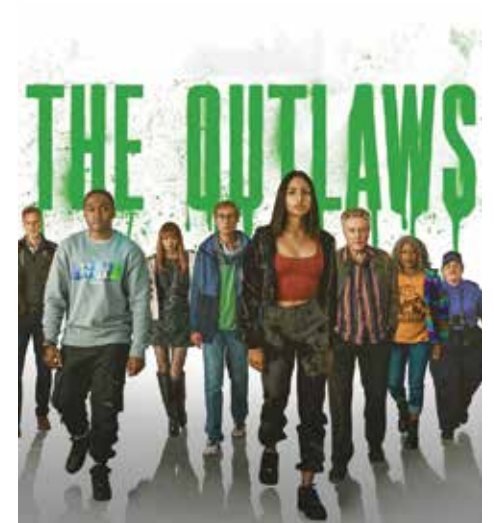

## “Movie: The 355”

Simon Kinberg (“Legion”) directed this 2022 spy thriller about a fictional group of international agents who join forces to stop a terrorist organization that is trying to ignite World War III. The title is derived from Agent 355, the codename of a female spy for the patriots during the American Revolution. Jessica Chastain, Penélope Cruz, Lupita Nyong’o, Diane Kruger and Sebastian Stan star.

## “Movie: Spider-Man: Far From Home”

Star Tom Holland hit it out of the park in this 2019 Marvel blockbuster that opens with Peter is still mourning the death of his friend and mentor Tony Stark, but he hopes a two-week school trip to Europe with his classmates may be just what he needs. Jake Gyllenhaal, Samuel L. Jackson and Marisa Tomei also star.

## “The Outlaws”

The comedy about a disparate group of lawbreakers thrown together to complete a community service sentence returns for its sophomore round with six new episodes, picking up a few months after the events of Season 1 and finds the Outlaws haunted by their past in the form of a vicious drug lord. Rhianne Barreto, Christopher Walken and series co-creator Stephen Merchant star. (ORIGINAL)
