"Africa's Wild Year"

6 p.m. on BBCA
Africa's Wild Year

Each episode of this new four-part series focuses on a single season in Africa — spring, summer, autumn and winter — revealing the different conditions they bring and shape the continent. In the opener, "Spring," as temperatures, rain, and light change, every animal adapts to the new season, which brings many more animals to the skies and seas, while returning sunlight fuels life offshore.

7 p.m. on HGTV
Steal This House

Host Cristy Lee ("All Girls Garage") helps a woman who wants to move closer to her family in Leland, Mich., but skyrocketing vacation resort prices have put everything out of her budget in the new episode "Easy Livin' Up North." Lee's renovation skills help save the day as a lower priced home that needs serious work just might fit the bill. With a smart renovation budget, Lee transforms the place into the home of her dreams.

7 p.m. on OWN
Family or Fiancé

This series returns with new episodes beginning with Shanika and Justin, a young couple ready to walk down the aisle, but unresolved family issues have put the celebration on hold. While Shanika attempts to reconcile with her estranged brother, Toney, information about her past, and a shocking story about a prior pregnancy and baby, causes Justin and his family great concern. Shanika's family is convinced that Justin might have second thoughts if he knew about all of her lies and they are ready to expose it all. Renowned

relationship coach, Tracy McMillan, hosts.

9 p.m. on HBO
Movie: Belfast

Kenneth Branagh wrote and directed this 2021 coming-of-age drama about a boy's (newcomer Jude Hill as Buddy) childhood in Belfast, Northern Ireland in 1969. The film examines the family's struggles through the eyes of 9-year-old Buddy. Starring Jamie Dornan, Caitriona Balfe, Judi Dench, Lewis MacAskie and Ciarán Hinds, the film won an Academy Award for Best Original Screenplay for Branagh and won a BAFTA for Outstanding British Film of the Year.

10 p.m. on SHOW
Movie: Jackass Forever

An aging jackass is a successful jackass. And after 11 years, Johnny Knoxville, Steve-O, Chris Pontius, Dave England and the rest of the "Jackass" crew celebrate the joy of being back together and doing wildly absurd — and often dangerous — displays of comedy that often require professional-grade wincing and the occasional trip to the doctor in this 2022 comedy.

6 p.m. on KTSM
Who Do You Think You Are?

In this new episode, actor and political activist Bradley Whitford ("The West Wing," "The Handmaid's Tale") learns about his grandmother's heritage, discovering why his ancestors immigrated to the United States in 1846. His journey then takes him to Washington, D.C., where he learns that his great-great-grandfather, along with his siblings, fought in the Civil War. From there he partners with a historian to learn if his

ancestors survived the brutal conflict.

Biography: WWE Legends

Boasting an impressive physique, WWE Legend Lex Luger was given the moniker "The Narcissist" and later "The All American" by Vince McMahon himself. This new episode explores how Luger found his home with the WCW, and how his matches helped cement the legendary rivalry between WWE and WCW, but Luger's winning streak came to a grinding halt with drug and alcohol abuse, jail time, and the tragic death of his girlfriend, Miss Elizabeth.

7 p.m. on HISTORY
Colosseum

When the mighty Emperor Trajan throws his great games of 107 AD, the crowd is treated to a rare spectacle: female gladiators. The combatants are typically prisoners of war, but in one game, a Roman woman named Mevia decides to trade her status as a free citizen of Rome to fight in the arena. The choice earns the enmity of Roman historian and satirist, Juvenal, but illustrates the challenges of plebeian life for women in ancient Rome in the new episode "The Gladiatrix."

7 p.m. on EPIX
My Life as a Rolling Stone

This new four-part music docuseries gives its audience an exhilarating look at how The Rolling Stones created a blueprint for every other budding rock band as they grew from ambitious, blues-loving hopefuls to a cultural brand recognized around the world. Each episode features an intimate look at one of the four charismatic members, starting with frontman Mick Jagger, who talks exclusively about his time with the Stones, from his first performances at local teen parties to his creation of a stage persona that became a template for any rock singer.

7 p.m. on ID
Menendez Brothers: Misjudged?

This two-hour documentary special looks back at a 1990 murder trial that never has really left the public consciousness, but got new pop culture traction in recent months via TikTok. In August of 1989, José and Mary "Kitty" Menendez were fatally shot in their Beverly Hills Home. Their sons Erik and Lyle were arrested and charged with the killings, which the young men claimed were the result of

longstanding sexual, physical and emotional abuse by their parents.

Movie: Twisted House Sitter

When destitute Uber driver, Alicia (Crystal-Lee Naomi) crosses paths with Morgan (Jennifer Freeman) — a beautiful, affluent entrepreneur, during a drive to the airport — she realizes she'd rather live Morgan's luxurious life. So she takes it, by any means necessary, becoming the house sitter from hell in this 2021 thriller. Karen Lewis, Ali Amin Carter, Tyler Kay Whitley, and Suzanne Salhaney also star.

Looking to get away from New York City and her messy divorce, Tara Kendall (Emmanuelle Vaugier) books a summer rental in Parable, Mont., the small, rural town she credits for her love of horses. New neighbor Sheriff Boone Taylor (Kavan Smith) hopes she stays for more than just one summer. But when Tara's stepdaughter reaches out for help, the painful realities of real-life step on any dreams of being in the country in this 2022 romance.

movie review

BY JAY BOBBIN

Still the word: ‘Grease’ continues to supply fun

“Grease” always will be timeless, and for a good reason.

Being shown by Freeform on Sunday, Aug. 7, and also streaming on Paramount+, the 1978 screen version of the hit stage musical unapologetically presents actors who clearly are well beyond their high school years as ... high schoolers. The audience is in on the joke from the start, though, so the Randal Kleiser-directed picture's campy undercurrent is a huge part of its appeal.

John Travolta was just coming off a gargantuan success with “Saturday Night Fever” when he went back to his pre-stardom roots with this project, which he had done in live theater with a touring company. As cooler-than-cool gang member Danny Zuko, he lets his guard down during a summer fling with the virtuous Sandy (depicted here as an overseas exchange student to accommodate Olivia Newton-John, a charmer in her first major film role).

Flash forward a bit, and Danny is stunned to find Sandy has transferred to be one of his fellow pupils at Rydell High – where he puts up a charade to try to keep others from discovering the softer side he showed with her. Naturally, she isn't happy with

his turn in attitude toward her, so she aligns with rough-around-the-edges Rizzo (Stockard Channing) and the other Pink Ladies to win him back.

Admittedly, this is not the deepest of plots, but where “Grease” really succeeds is in topping that with massive doses of star appeal and great music. Though many of the tunes come from the original version, “You're the One That I Want” and “Hopelessly Devoted to You” were added for the film, as was Frankie Valli's title song (written by Barry Gibb). All were enormous hits on the charts, as was “Summer Nights,” from the original stage score.

“Movie: We Love You, Sally Carmichael!”

Christopher Gorham (“Covert Affairs,” “Insatiable”) pulls double duty as director and star of this 2017 comedy that casts him as Simon Hayes, a bitter author who finds success with his series of young adult romance novels written under the pen name Sally Carmichael. Paula Marshall, Elizabeth Tulloch, Felicia Day and Jack McBrayer are also in the cast.

“Movie: Gladiator”

Maximus (Russell Crowe), a great Roman general, is marked for death for refusing to support the new emperor (Joaquin Phoenix) — who got the job by killing his own father. He manages to escape, but the emperor executes his family. Then, Maximus is easily captured and sold into slavery, putting his military training to good use as a gladiator in this 2000 adventure.

“A League of Their Own”

Penny Marshall’s hit 1992 comedy about a World War II-era women’s baseball league served as inspiration for this new series that tells the story of a whole generation of women who dreamed of playing professional baseball, focusing on Carson (Abbi Jacobson), Max (Chanté Adams) and a new ensemble of characters as they find their way on the field and in life.

“Cosmic Love”

Ophira and Tali Edut — aka “The AstroTwins” whose clients include Beyonce, Emma Roberts, Alicia Keys, Karlie Kloss, and Sting — are front and center of this new unscripted series in which the celebrity matchmakers/astrologists guide singles via astrology to find their perfect matches. (ORIGINAL)
