tonight's picks

Raisia Kuddus and Austin Coleman

6 p.m. on HALL
Movie: Marry Me in Yosemite

Zoe (Cindy Busby) is a well-known photojournalist who has published popular coffee table books featuring her images of iconic places. Her publisher wants her next subject to be Yosemite, so she heads West unsure she can do justice to the majesty of the landscape made legendary by photographer Ansel Adams. But once there, she meets Jack (Tyler Harlow), an intriguing tour guide

who opens her eyes to new romantic possibilities in this 2022 romance.

6 p.m. on TCM
Movie:
Double Indemnity

A classic that set up an entire genre, director Billy Wilder's 1944 drama established the idea of illicit lovers plotting a spouse's murder. Barbara Stanwyck plays the greedy beauty who preys upon an insurance salesman's (Fred MacMurray) weakness for her, thereby ensuring her husband's demise. Edward G. Robinson also stars. The screenplay is by Wilder and mystery novelist Raymond Chandler, adapted from James M. Cain's novel.

6 p.m. on MAX
Movie: Hot Shots!

"Top Gun" and other military movies are parody targets in this 1991 comedy from director Jim Abrahams of "Airplane!" and "Naked Gun" fame. Charlie Sheen plays Topper Harley, a traumatized ex-pilot who bears some resemblance to reluctant "Airplane!" hero Ted Striker. He's called back to help the Navy with a special mission, but he's got to conquer his own demons before taking on Saddam

Hussein. Cary Elwes and Valeria Golino also star.

8 p.m. on SUNDANCE
Movie: El Dorado

John Wayne again joined forces with director Howard Hawks ("Rio Bravo") for this 1967 Western, which also stars Robert Mitchum and holds true to many traditions of the genre. A gunslinger (Wayne) teams with a drunken sheriff (Mitchum) against an enemy (Edward Asner) who has some young guns on his side. The supporting cast reunites Johnny Crawford and Paul Fix, who co-starred on the classic TV series "The Rifleman."

8:01 p.m. on HGTV
First Home Fix

Is there anything better than a new series premiering on HGTV? Raisia Kuddus is an artist/designer who uses her love of color, design history and nature to create one-of-a-kind spaces. Austin Coleman is a builder and woodworker who is passionate about incorporating unique custom pieces into each of his projects. Together they help two pairs of homeowners with \$50,000 budgets revamp their lackluster first homes using sweat equity, clever design

decisions and their boundless creativity.

9 p.m. on FX
Movie: Avengers:
Infinity War

If you ever wanted a superhero movie with everything and everyone, this is it. While the Avengers have continued to protect the world from threats too large for any one hero to handle, a new danger has emerged from the cosmic shadows: Thanos. A tyrant of intergalactic infamy, he needs to collect all six Infinity Stones and use them to inflict his will on all of reality in this 2018 Marvel classic.

9:55 p.m. on FREEFRM
Movie: Sing

A stellar voice cast headed by Matthew McConaughey, Reese Witherspoon, Seth MacFarlane and Scarlett Johansson sparkles in this infectiously entertaining 2016 CGI-animated family film, about an assortment of animals who gather at a koala's theater for a singing competition. John C. Reilly, Taron Egerton, Jennifer Saunders, Jennifer Hudson and Peter Serafinowicz also lend their vocal talents to the movie, which grossed more than \$632 million at the worldwide box office.

tonight's picks

Rafaella Cohen

6 p.m. on A&E
Biography: WWE Legends

It was a night that changed everything. The season finale looks at an unassuming Sunday night in March of 1985 when the pop culture universe was rocked by an explosive event known as "Wrestlemania 1." This episode chronicles the making of the first Wrestlemania, when Hulk Hogan, Mr. T, Iron Sheik, Roddy Piper and others took over Madison Square Garden and created the greatest wrestling event of all time, laying the groundwork for

bringing wrestling into the mainstream.

7 p.m. on KRWG
The Boleyns:
A Scandalous Family

She had a good head on her shoulders. "Had" being the operative word. But for Anne Boleyn (Rafaella Cohen), England's most infamous queen, keeping that head proved impossible thanks to her husband, Henry VIII. In part two of this three-part series "Desire," Anne pushes aside her sister Mary (Elizabeth Mccafferty) in order to position herself for a marriage proposal from Henry. The only things standing in her way: Henry's first wife and Cardinal Wolsey dragging his feet with the Pope.

7 p.m. on FOOD
Alex vs America

The "meat" and greet has been postponed. Three chefs from New York, Oregon and Texas who specialize in vegetarian and vegan cuisine meet host Eric Adjepong in the arena with the hopes of knocking Chef Alex Guarnaschelli out of the competition and a chance to win \$10,000 in the new episode "Alex vs No Meat." Judges Fariyal Abdullahi and Jet Tila will determine the

winner of the intense no-meat-allowed challenges.

7 p.m. on HISTORY
Colosseum

There's a reason people say, "When in Rome." By the 4th Century A.D., a divided and declining Roman Empire is on the ropes thanks to devastating earthquakes, fires, barbarian invasions and deep religious divides. And the Colosseum, which once stood as a shrine to the Empire's glory, lies dormant. But one man, a devout worshiper of Rome's old Gods, in an effort to restore Rome, turns to the arena in the Season 1 finale "The Pagan." Can his plan to stage elaborate and expensive games bring Rome back from its decline?

8 p.m. on SHOW
Movie: McEnroe

You cannot be serious! The premiere of this 2022 documentary dives deep into the life of one of tennis' all-time greats who rose to world No. 1 for four consecutive years, all the while battling intense bouts of perfectionism and self-doubt. Viewers follow the controversial player as he traverses the streets of New York City over the course of a single night, retracing his life in previously unseen archival footage.

9 p.m. on ID
Still a Mystery

Often, even when a case has been closed, there are still truths to be uncovered and questions to be answered. And in this season premiere, investigators look into the case of a strangled high school senior whose body was found in flames just weeks before graduation. Decades later there's still a longing for justice. Then, in South Carolina, a promising college student disappears after scouting bachelor party locations with a friend. Through original interviews with law enforcement, families and private investigators, the series examines the evidence and presents new theories.

10 p.m. on HMM
Movie: Love's Portrait

Lily (Aubrey Reynolds) is a museum curator who finds a painting that bears a striking resemblance to her. Her search for the artist leads Lily to Ireland, where she meets William (Richard McWilliams), a charming man who helps her on her quest and may also know more about the portrait's origins than he's letting on in this 2022 romance. Kathryn McKiernan, Tamari Dunbar and Jessi Melton also star.

Real Girlfriends in Paris

Imagine the "Real Housewives" but without the annoying stories of their children and husbands. That, in a nutshell, is the premise of the new series that follows six young, attractive female American expats (Anya Firestone, Emily Gorelik, Margaux Lignel, Kacey Margo, Adja Toure and Victoria Zito) who are living their best lives in Paris. They flip between romantic rendezvous, exciting careers and likely avoidable conflicts as they chase the American dream in the City of Light. Bonjour!

8 p.m. on KFOX
Beat Shazam

The Season 5 finale "Shake Your Pom Poms!" is looking for a team to take home yet another \$1 million prize. Hosted by Academy Award-winning actor Jamie Foxx, the game show pits teams of two against the clock — and each other — in an attempt to identify the biggest hit songs of all time. In the end, the team with the highest score will outlast the competition and go against Shazam, the popular song identification app, for the chance to win up to one million dollars. DeeJay Corinne Foxx also appears.

James D'Arcy

6 p.m. on MTV Teen Mom: The Next Chapter

Being a mom isn't easy at any age, but being a mom in your teenage years changes everything. And we see that up close with the series premiere of yet another part of the "Teen Mom" universe as it unites the casts of "Teen Mom OG" and "Teen Mom 2" as they face the reality of parenthood in various stages. Some are now parents of teenagers themselves while others have babies still in diapers.

7 p.m. on KVIA2 Leonardo

When Ludovico (James D'Arcy) asks Leonardo (Aidan Turner) to create a sculpture in honor of his father mounted

on horseback, Leonardo's ambitions reach new heights as he endeavors to exceed everyone's expectations in this new episode. Through preparing the work, Leonardo recognizes himself in another troubled soul, the young duke of Milan, Gian Galeazzo Sforza (Edan Hayhurst), and puts trust in an unexpected source, a young, but resourceful thief called Salai (Carlos Cuevas).

7 p.m. on HGTV Good Bones: Risky Business

Mina Starsiak Hawk is out on her own! In this series premiere, the red-headed renovation dynamo takes on her biggest, riskiest challenge yet as she goes

solo to purchase the historic 7,000-square-foot Sanders House in the Indianapolis neighborhood of Fountain Square. Here she must strategize how to manage the pricey renovation without breaking the budget and then get things started with a whole new team, deal with unexpected costs and power through the challenges of updating very old construction.

11 p.m. on FX What We Do in the Shadows

From struggling to maintain the mansion to opening the hottest vampire nightclub in the Tri-State area, it's been a challenging season for the fanged friends. And while Nandor's (Kayvan Novak)

search for eternal love is perhaps paying dividends, Laszlo's (Matt Berry) struggle to raise Baby Colin (Mark Proksch) into anything other

than an energy-sucking vampire is heading the point of no return as he reaches that awkward age in the Season 4 finale "Sunrise, Sunset."

Soundies: A Musical History Hosted by Michael Feinstein

Long before MTV and VH1 there were Soundies, three minute black-and-white films featuring artists of the big band, jazz and swing era, such as Duke Ellington, Count Basie, Louis Armstrong and Gene Krupa that you could watch for a dime through a machine called a Panoram at various public venues across the U.S. The Soundies helped launch the careers of Doris Day, Nat King Cole, Liberace, Dorothy Dandridge and others. Michael Feinstein hosts this look back at these endearing time capsules.

6:30 p.m. on FS1
MLB Baseball

As the San Diego Padres seek to bag a Wild Card playoff berth, they'll need to beat up on tomatos cans such as the Arizona Diamondbacks, their opponents in the finale of a three-game series tonight at Petco Park. So far this season, Manny Machado and the Pods have mostly had their way with Christian Walker and the D-backs, winning nine of 12

"Jay Leno's Garage"

games against their NL West rivals through mid-August.

7 p.m. on KFOX
MasterChef

Imagine a Baked Alaska being your Waterloo. It's about

to happen as the top five chefs take on two separate elimination challenges in the semifinals: the aforementioned Baked Alaska and one of Chef Ramsay's signature dishes, an

intricate lobster tortellini. The chefs who make it through that gauntlet advance to the finals in front of a live audience and must prepare an appetizer and entree with the support of a former MasterChef judge in the new two-hour episode "Semi Finals; Finale Part 1 — Special Guest Graham Elliot."

7 p.m. on KVIA2
DC's Stargirl

After stumbling upon a suspicious murder in Blue Valley, the JSA begin the search for potential suspects in the new episode "Frenemies — Chapter Two: The Suspects." A tense run-in with The Shade (guest star Jonathan Cake) makes Courtney (Brec Bassinger) and Pat (Luke Wilson) realize that Sylvester's (Joel McHale) old ways could land them in hot water. And finally, Barbara (Amy Smart) steps in to help Paula (Joy Osmani) fit in. Yvette Monreal, Cameron Gellman, Anjelika Washington and Trae Romano also star.

7 p.m. on TLC
Dr. Pimple Popper

Dr. Sandra Lee helps the younger set starting with John who lost his sight at a young age and soon after, began growing lumps on his body.

Then, Lynette has hundreds of pebble-sized bumps all over her arms, chest and belly. And Gabe cannot imagine going to college with the unsightly mole on the back of his head in the new episode "Fast Times at Nevus High."

“Movie: Sonic the Hedgehog 2”

This 2022 sequel to the 2020 hit “Sonic the Hedgehog” picks up the animated adventure eight months after the first film, which ended with Sonic (voiced by Ben Schwartz) defeating the evil Dr. Robotnik (Jim Carrey). The new story follows Sonic in another fight with Robotnik, who has returned with a new villainous sidekick (Idris Elba). James Marsden and Tika Sumpter also star.

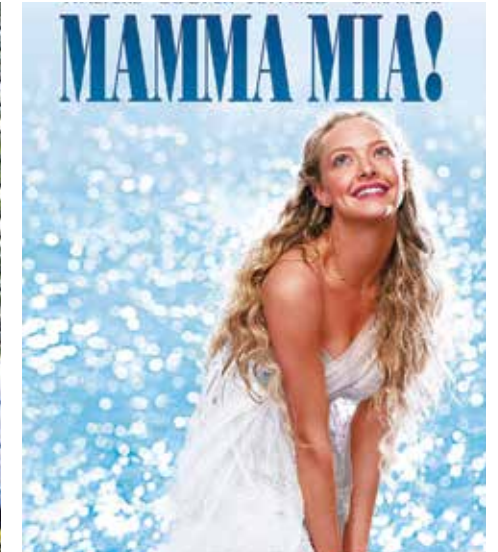

“Post Malone: Runaway”

Filmed pre-pandemic in September 2019, this documentary from first-time filmmaker Hector Dockrill captures the rapper born Austin Richard Post — aka Post Malone — in the midst of his 37-stop North American tour and includes exclusive backstage access, live performances, intimate interviews and a peek into the Grammy-nominated artist’s world. (ORIGINAL)

“Sprung”

Garret Dillahunt (“Fear the Walking Dead,” “Raising Hope”) stars in this comedy series as Jack, a convict just released from prison because of the pandemic, who must shelter in place with other former inmates and band together to use their criminal expertise for good. Kate Walsh, Clare Gillies and Martha Plimpton also star. (ORIGINAL)

“Movie: Mamma Mia!”

The musical inspired by the songs of ABBA makes for a very entertaining movie, enhanced by lovely Greek locations. Amanda Seyfried plays a young bride-to-be who wants to know her father’s identity before she walks down the aisle. Her mother (Meryl Streep) isn’t much help with that, so she invites the likeliest candidates (Pierce Brosnan, Colin Firth, Stellan Skarsgard) to the nuptials.

Leonard Nimoy

"STAR TREK: THE MOTION PICTURE – THE DIRECTOR'S EDITION"

Though fans of the franchise have had mixed views of the first theatrical spinoff ever since its 1979 release, they're likely to welcome the film's debut in the 4K Ultra HD format, especially when it comes to director Robert Wise's ("The Sound of Music") majestic depiction of the retrofitted starship Enterprise when it's first seen here. James T. Kirk (William Shatner) gets command of the vessel again to investigate a strange force that appears to be swallowing ships whole, and the mission also involves the return of Mr. Spock (Leonard Nimoy) after a hiatus to reconnect with his Vulcan roots. Original television cast members DeForest Kelley, George Takei, Nichelle Nichols, James Doohan and Walter Koenig also

are back, with Stephen Collins and Persis Khambatta as major additions. Among the special features here is a longer cut of the film that was prepared for TV. The picture is available on 4K separately or in a six-movie set including all the theatrical attractions with the original "crew." ★★★ (G: AS, V)

"PARADISE HIGHWAY"

Oscar winner Juliette Binoche has an atypically gritty role as a trucker who reluctantly becomes involved in human trafficking to protect her brother (Frank Grillo, "Billions") from a lethal gang in

this melodrama. She's forced to transport a youngster (Hala Finley, formerly of the series "Man With a Plan"), and in doing so, she also has to outrun an FBI agent (fellow Oscar recipient Morgan Freeman) who's determined to track her in order

to dismantle the highly illegal operation. Cameron Monaghan ("Shameless") also appears. DVD extras: theatrical trailer: "making-of" documentary; audio commentary by writer-director Anna Gutto; deleted scenes. ★★★ (R: AS, P, V) (Also on Blu-ray and On Demand)

"CHICAGO P.D.: SEASON NINE"

Executive producer Dick Wolf's NBC police drama will be nearing its 200th episode when it starts its 10th season Sept. 21. This round puts emphasis on the connection between team leader Hank Voight (Jason Beghe) and one of his informants, Anna (Carmela Zumbado), but it starts with the intense search for abducted detective Kim Burgess (Marina Squerciati). One episode is a tour de force for co-star Tracy Spiridakos, whose Hailey Upton – who has a big personal development linked to colleague Jay Halstead (Jesse Lee Soffer) – is unable to save someone from a submerged car, leading to a much larger investigation. Patrick John Flueger, LaRoyce Hawkins and Amy Morton also are cast regulars. ★★★ (Not rated: AS, P, V)

"YOUNG Sheldon: THE COMPLETE FIFTH SEASON"

The sitcom prequel to "The Big Bang Theory" continued its very successful CBS run with a season that starts with a health crisis for George (Lance Barber). Other household changes also affect son

Sheldon (Iain Armitage), who grapples with the realization that he doesn't have an answer for everything, thanks to the unpredictability of nature. Melissa Joan Hart and Shiri Appleby ("Roswell") directed episodes; regular cast members also include Zoe Perry, Raegan Revord, Montana Jordan and Annie Potts. Among recurring guest stars are Reba McEntire, Wendie Malick, Wallace Shawn, Craig T. Nelson, Melissa Peterman, Emily Osment and Ed Begley Jr. Simon Helberg and Mayim Bialik resurface in their "Big Bang" roles, with Jim Parsons narrating the show as the adult Sheldon. ★★★ (Not rated: AS)

"WHEN WE WERE APOLLO"

That's "Apollo" as in the manned space program by that name, whose history is traced in this documentary. As those who know their history will recall, that series of flights had its setbacks as well as its triumphs ... landing men on the moon for the first time with the Apollo 11 mission, but also necessitating emergency measures when the later Apollo 13 crew faced in-flight problems. This recollection focuses not only on the astronauts who went into orbit, but also the scientists and engineers whose know-how back on Earth enabled the undertaking of an amazing journey figuratively and literally. A number of those individuals are shown here, offering their present-day perspectives on what they accomplished then. ★★★ (Not rated)

Checking in with

DOMHNALL GLEESON

Some actors will tell you that playing a particularly intense or troubled character can exact an emotional or even physical toll on them.

But for Domhnall Gleeson, who stars as Sam Fortner, a serial killer who takes his therapist prisoner in his mother's basement in an effort to curb his homicidal tendencies in the psychological thriller "The Patient," currently streaming on FX on Hulu and Disney+ (in Canada), it was more like a "perfect working experience" acting opposite Steve Carell in the series' basement set.

"I loved it," says the 39-year-old Irish actor, whose film credits include "Ex Machina," "Anna Karenina" and "The Revenant." "I'm also a pacer, and Steve couldn't pace because he was chained up. So I would pace. It was quite a big room, so I'd pace over on one side of the room sometimes. Like, if it was a thing where it felt like there was a little bit of space needed or a little bit of room to allow some tension to grow ... I would go and pace, and Steve would just sit there.

"And it was kind of amazing. You'd feel this slow buildup to 'action,' and then it would happen, and you'd f... go at it. So I think that that was one of my favorite things."

To play Sam, the son of actor Brendan Gleeson did plenty of research, reading up on serial killers and reading and watching interviews. But once he got on set, Gleeson found all he needed

was the information in the script and his own instincts when the director yelled "action."

"Once I started reading it with Steve," he says, "it felt like a lot of that, I couldn't play any of (the research). All I could do was play the person in front of me, and that ended up being (a case of) listening was way more important."
