"Movie: Desperado" Antonio Banderas makes his debut as an action hero in this 1995 Western from director Robert Rodriguez. A sequel to "El Mariachi," the film follows a guitartoting gunman as he sets

his sights on a drug lord. Cheech Marin provides a few laughs in his bit role as a bartender; Salma Hayek also stars.

"Movie: You've Got Mail"

1940's "The Shop Around the Corner" is updated for the digital age in this 1998 romantic comedy. Tom Hanks and Meg Ryan ("Sleepless in Seattle") star

as business rivals having an online romance, not knowing that the objects of their respective affections are ... each other. Parker Posey, Greg Kinnear and Jean Stapleton also star.

** "Here Comes the Boom" (2012) Kevin James.

** "The Replacements" (2000) Keanu Reeves, Gene Hackman.

"Movie: Casino" Robert De Niro and director Martin Scorsese yielded another memorable collaboration with this 1995 drama of racketeering in Las Vegas. The actor

plays a gambling-den operator who has to ward off those who would oust him, with the love of his life (Sharon Stone) a definite liability to him. Joe Pesci, who worked previously with De Niro and Scorsese on "GoodFellas," co-stars.

"Movie: The Way, Way Back"

Writer/directors Nat Faxon and Jim Rash earned critical kudos for this 2013 comedy-drama centering around a youngster (Liam James) who feels out of place while vacationing on the Massachusetts shore

Rozon.

As part of TCM's "Reframed: Films That Shaped Our Culture" programming event, this 1932 classic follows James Allen (Paul Muni), a World War I veteran and skilled tradesmen. But when times get hard, he finds himself with a long prison sentence. The film is based on a true story about an innocent man who was required to wear chains 24 hours a day and endured regular beatings by prison guards. As a result of the film, laws were changed that required more humane treatment of inmates.

6 p.m. on DISN Movie: Arctic Dogs

Swifty the Arctic Fox (voice of Jeremy Renner) works in the mailroom of the Arctic Blast Delivery Service, but hopes to become a star courier. To prove his ability, he commandeers a sled and delivers a mysterious package to a secret location. There he stumbles on a hidden fortress run by Otto Von Walrus (voice of John Cleese), a blubbery evil genius, and Swifty must enlist the help of his friends to save the world in this 2019 animated comedy. James Franco, Heidi Klum and Anjelica Huston are also heard.

6 p.m. on EPIX Movie: Goldfinger

Sean Connery's third James Bond film introduces Harold Sakata as Oddjob, who enforces his boss's orders with a razor-edged bowler hat. Goldfinger (Gert Frobe) is the rich villain who, after buying up all the world's private gold, plans to contaminate the contents of Fort Knox. Honor Blackman stars as Pussy Galore, Goldfinger's private pilot — and one of Agent 007's romantic conquests, another of whom (Shirley Eaton) comes to a famously golden end.

7 p.m. on KVIA2 Criss Angel's Magic With the Stars

U.S. Olympian Lolo Jones and television star Frankie Muniz join host Eddie Griffin to perform in front of judges Criss Angel, Loni Love and Lance Burton. During the grand illusion portion of the show, they'll be challenged to perform, and successfully execute, one of Criss' greatest demonstrations: The "Metamorphosis." Criss has performed the fastest version to date (since the days of Houdini), and now Lolo and Frankie will be put to the test. Can they do it or will they break under pressure?

11:01 p.m. on HMM Movie: A Maple Valley Christmas

Sometimes the holidays work in mysterious ways. Rancher Erica (Peyton List) has spent her whole life working the family farm with her mother (Frances Flanagan) and sister (Ella Cannon). It was a quiet and somewhat unfulfilling life. But when Aaron (Andrew Walker) arrives and disrupts her plans, she starts to question what it is she actually wants in this 2022 romance.

And Hoyt (Matt Barr) dives into helping the Reyes family in the new episode "Random Acts."

8:30 p.m. on KFOX Call Me Kat

People can be so tiring. Kat (Mayim Bialik) is drained from helping Sheila (Swoosie Kurtz) run errands all over town. Meanwhile, Phil (Leslie Jordan) is exhausted from partying every night with his new boyfriend, Jalen (guest star John Griffin). And Carter (Julian Gant) needs a selfesteem boost in the new episode "Call Me Dame Booty Clench." Chevenne Jackson and Kyla Pratt also star. Ted Wass and Marlon Meikle guest star.

What's Available NOW On prime video

"Movie: Heaven Can Wait" After an overeager angel prematurely ushers a pro football player (Warren Beatty, who also co-wrote and co-directed) into the afterlife, the late jock takes over the body of a just-murdered tycoon in this charming 1978 remake of 1941's "Here Comes Mr. Jordan." The main story finds Beatty wooing Julie Christie's character, but Charles Grodin and Dyan Cannon steal their scenes as comic villains.

"CASABLANCA"

One of the all-time greats among movies marks its 80th anniversary by making its move onto 4K Ultra HD, as it traces the renewed romance of cafe owner Rick (Humphrey Bogart) and resistanceleader's wife Ilsa (Ingrid Bergman) in World War II-era Casablanca. The revival of their affair goes against Rick's desire to stay as detached as possible, but there's intrigue to spare as Ilsa seeks safe passage to America for herself and her husband (Paul Henreid). The superb cast of the 1942 Oscar winner also includes Claude Rains, Conrad Veidt, Sydney Greenstreet, Peter Lorre and (as piano player Sam) Dooley Wilson. Directed by Michael Curtiz,

the film yielded many iconic scenes, right up to the final one that forecasts "a beautiful friendship." The many special features include an episode of a mid-1950s television series that the picture inspired. $\star \star \star$ (Not rated: AS, V)

"STAR TREK: PRODIGY -SEASON ONE"

The "Star Trek" universe has its younger fans, but rarely has the direct appeal of this Paramount+ and Nickelodeon series been made to them. The enduring sci-fi franchise goes where it hasn't often gone before with this animated series, which brings back Kate Mulgrew to voice a hologram version of her "Star Trek: Voyager" character Capt.

Kathryn Janeway. However, the show really centers on her new trainees, six young aliens who learn about working together (and the workings of Starfleet) while traveling aboard an abandoned ship. Also featured in the voice cast are Brett Gray, Jason Mantzoukas, Ella Purnell and – as the tyrannical Diviner and his enforcer Drednok – John Noble ("Fringe") and Jimmi Simpson ("Westworld"). A second season was ordered even before this first one premiered. *** (Not rated)

"FRASIER: THE COMPLETE SERIES"

Since Paramount+ recently (and finally) gave the green light to a sequel series, it's a good time for the original show to make its debut on Blu-ray. In this "Cheers" spinoff that became a classic, Emmy-winning sitcom in its own right, Kelsey Grammer continues his portrayal of the psychiatrist who migrates back to his hometown of Seattle and finds a new calling as a radio talk-show host. When he isn't dealing with callers - many of whom are represented by famous quest voices - he's given plenty to think about by his brother Niles (David Hyde Pierce) and their father Martin (John Mahoney). Jane Leeves and Peri Gilpin also are in the regular cast, and Shelley Long and Bebe Neuwirth turn up in their "Cheers" roles along the way. *** (Not rated: AS)

"THE STORY OF FILM: A NEW GENERATION"

A follow-up by filmmaker Mark Cousins to an earlier documentary of his, this project extends the history of moviemaking to cover prominent releases between 2010 and 2021, with Oscar winners "Black Panther" and "Parasite" among the relatively recent titles included. Through clips and commentary, various features that have had impacts – socially, financially or both – are recalled, with note made of the effects of the coronavirus pandemic on the movie business. Indeed, releases from 2020 and beyond are somewhat sparse here, by virtue of the fact that the health situation caused most studios to revise their exhibition plans substantially. *** (Not rated)

"THE ENFORCER"

Antonio Banderas has proven himself quite adept at screen action on a number of memorable occasions, and he's back in that mode in this tale (not to be confused with Clint Eastwood's same-named "Dirty Harry" installment). Banderas plays an underworld deputy whose tactics and effectiveness are well-known throughout Miami, but he takes a different view of his profession when his boss (Kate Bosworth) issues orders that could spell doom for a young runaway. The consciencestricken tough guy then does a U-turn and makes himself a target by going rogue. Rap star 2 Chainz also appears. ** (R: AS, P. V) (Also on Blu-ray and On Demand)

"COUNTDOWN TO CHRISTMAS 9-MOVIE COLLECTION"

More of the perennially popular Hallmark movies from past holiday seasons, packed with comfortably familiar elements, are compiled in this set. Among the titles included: "Check Inn to Christmas," with Hallmark staple Rachel Boston and Wes Brown as members of families whose inns are targeted for a takeover; "12 Gifts of Christmas," featuring "NCIS" regular Katrina Law as a woman hired to be a personal shopper for a busy executive (Aaron O'Connell); and "Christmas List," starring Alicia Witt as a suddenly deserted girlfriend whose solo status impacts her ability to fulfill everything on her list of Christmas traditions. *** (Not rated)

If the old adage that clothes make the man is true, so too is it that they also help the actor make the character.

That was especially the case for Katherine McNamara, who plays 19th century Boston widow-turned-Wild West Texas transplant Abby Walker in the Thursday CW prequel "Walker Independence." She found the period dresses and undergarments she had to wear invaluable in getting her into the character's headspace. Perhaps, a little too much so.

"(Our costumer department) has taken such care to make sure everything is as historically accurate as possible," the 26-yearold actress explains. "And that comes down to us wearing corset. ... And it really does change how you move, and how you walk and how you just exist in space. And you know, we have such an amazing cast of characters that has such a diverse wardrobe. But I will say that our women's shoes in the 1870s were not made for function."

Though she's known mainly for roles in otherworldly productions such as the TV series "Shadow Hunters" and "Arrow" and the "Maze Runner" film series, the Missouri native says period pieces are her passion. For "Walker Independence," she had to attend cowboy camp and learn how to ride horseback – solo and with others, forwards and backwards – to play a woman who finds her independent streak after watching her husband being murdered in cold blood.

"It's such an interesting opportunity to see a woman in this time period have such agency," McNamara says, "and to be able to start over on a life that is for her, and to create her own destiny, while also trying to take revenge for the death of the love of her life. And try and find some sense of justice in a world where justice is always a shade of gray."
