## tonight's picks

Jeffrey Dean Morgan

4:30 p.m. on ESPN2  
2022 Grey Cup

After an 18-game regular season and two rounds of playoffs, the 2022 CFL season comes to a close at Mosaic Stadium in Regina, where the champions of the East and West Divisions will go at it in the 109th Grey Cup. In last year's title game, Zach Collaros's 13-yard touchdown pass to Darwin Adams in overtime gave the Winnipeg Blue Bombers a thrilling 33-25 victory over the Hamilton Tiger-Cats.

6 p.m. on HALL  
Movie: When I Think of Christmas

Sara (Shenae Grimes-Beech) returns to her hometown to help her mother (Beth Broderick) move and is surprised to find her ex-boyfriend Josh (Niall Matter) is back home. The two had once planned a life in music together but Sara left to study law. When Sara makes a surprising discovery, she and Josh forge a bold plan for the upcoming Christmas concert that will lead them back to their musical roots and make this a holiday to remember in this 2022 romance.

6 p.m. on LIFE  
Movie: A Show-Stopping Christmas

Riley Burdett (Jamie Perez) is the director of a small theater in Western Massachusetts. When Regina (Maureen Keiller), the Scrooge-like owner of the theater, reveals she's preparing to sell the property before the holiday performance, Riley calls upon the ghosts of Regina's past, present, and future to change her mind. Meanwhile, TV star Sam Palmer (Thomas McDonnell) has moved to the area and Riley casts him as Bob Cratchit in "A Christmas

Carol" to help save the theater in this 2022 TV movie.

7 p.m. on KDBC  
The Equalizer

Call it justice of the streets or karma, but in the canyon walls of New York City, what goes around comes around. And after a teen girl dies from an overdose of fentanyl-laced pills, a vigilante goes on a killing spree. Not surprisingly, Robyn McCall (Queen Latifah) becomes a suspect in the new episode "A Time To Kill." Liza Lapira, Laya DeLeon Hayes, Lorraine Toussaint and Adam Goldberg also star.

7 p.m. on KVIA  
2022 American Music Awards

It's hard to believe but it's been 50 years since the legendary Dick Clark created the first American Music Awards show making it one of the longest continually broadcast award shows. But this year's golden anniversary will celebrate the history that has been made on the AMA stage. Bad Bunny could potentially tie Michael Jackson and Whitney Houston for the most awards in a single year if he ends up winning in all his nominated categories. Other notable nominees include Beyoncé, Drake,

Taylor Swift, Adele, Harry Styles and The Weeknd.

7 p.m. on AMC  
The Walking Dead

Since there are spinoffs in the TWD multiverse, we know that some characters will make it out alive in the episode aptly titled "The Series Finale." Daryl (Norman Reedus), Carol (Melissa McBride), Maggie (Lauren Cohan) and Negan (Jeffrey Dean Morgan) all move on to fight another day. But that leaves a lot of room for death and mayhem. Expect at least one big character to meet their maker.

7:11 p.m. on PAR  
Tulsa King

Dwight "The General" Manfredi (Sylvester Stallone), a New York mafia capo, has just been released from prison after 25 years and is unceremoniously exiled by his boss to set up shop in Tulsa, Okla. Realizing that his mob family may not have his best interests in mind, Dwight slowly builds a crew from a group of unlikely characters in order to help him establish a new criminal empire in a place that to him might as well be another planet in the series premiere episode "Go West, Old Man."

**6 p.m. on TCM**  
Movie: **The Manchurian Candidate**

This 1962 film airs as part of the channel's 24-hour memorial tribute to Angela Lansbury, who was nominated for a best supporting Oscar for her role. Major Bennett Marco (Frank Sinatra), an intelligence officer in the U.S. Army, is having a recurring nightmare where two members of his squad are killed by fellow soldier Raymond Shaw (Laurence Harvey). Shaw is a member of a prominent political family, led by his mother, Eleanor (Lansbury). Other Lansbury films "Gaslight," "The Picture of

Dorian Gray," "Kind Lady" and "Sweeney Todd" immediately follow.

**8 p.m. on FOOD**  
**Holiday Baking Championship: Gingerbread Showdown**

There's a frosty chill in the air as the epic battle between Santa and his nemesis, Jack Frost, heats up when host Carla Hall challenges the baking teams to portray this age-old conflict in gingerbread in the new episode "Claus vs. Frost." They are to incorporate a sweet and salty dessert to reflect this pair of frenemies. The winning team is chosen by Hall and judges Stephanie Boswell and Kalen Allen.

"Buffy Sainte-Marie: Carry It On"

6 p.m. on TCM  
Movie: The Automat

If you liked window shopping and eating, the automat was basically heaven on earth. This nostalgic documentary centers on the larger-than-life vending machine popularized in the 20th century that offered fresh cooked meals in a commissary-style eatery.

6 p.m. on EPIX  
Movie: Cyrano

??A man ahead of his time, Cyrano de Bergerac (Peter Dinklage) dazzles whether with ferocious wordplay during a verbal joust or with brilliant swordplay in a dangerous duel. But, convinced that his appearance renders him unworthy of the love of a

devoted friend, the luminous Roxanne (Haley Bennett), Cyrano has yet to declare his feelings for her and Roxanne has fallen in love at first sight with Christian (Kelvin Harrison Jr.) in this 2021 romance.

8 p.m. on KRWG  
American Masters

This new documentary film examines the remarkable story of Indigenous artist Buffy Sainte-Marie as she rises to prominence in New York's Greenwich Village folk music scene in the 1960s and blazes a ground-breaking path as an Oscar-winning singer-songwriter (for the song "Up Where We Belong" from "An Officer and a Gentleman"), social activist, educator and

artist in the new episode "Buffy Sainte-Marie: Carry It On."

8 p.m. on KVIA2  
Professionals

Vincent (Tom Welling) and Peter (Brendan Fraser) make it to the Congo and arrive to find that Grace's (Elena Anaya) good nature has put her in serious trouble. Vincent sets out to save her leaving Peter behind to organize their home base. Kurt Neumann's (Ken Duken) arrival further stirs the pot while Vincent's team faces familiar enemies along the way on their rescue mission in the new episode "Hot Zone."

8 p.m. on FOOD  
Outchef'd

Design director and home cook Alexis is left speechless when

host Eddie Jackson surprises her with a face-off against celebrity chef and restaurateur Geoffrey Zakarian. Alexis works to amaze the judges

and get that one precious vote to prevent Geoffrey from winning the day in the Season 1 finale episode "Geoffrey Zakarian vs. Alexis."

John Cena

### "PEACEMAKER: THE COMPLETE FIRST SEASON"

After being part of the Suicide Squad, Peacemaker was ready to go off on his own. Following the 2021 movie about the team of convicts turned crime-fighters, John Cena worked again with writer-director James Gunn by reprising the DC Comics character – who intends to instill peace, even if that takes committing some mayhem – in this HBO Max series. A black ops soldier, Christopher Smith (Cena) uses everything at his disposal to try to shape the world the way he'd like it, whatever price anyone else has to pay in the process. Robert Patrick ("Scorpion") is cast as Peacemaker/

Christopher's disapproving father Auggie, with the "Harry Potter" movies' Freddie Stroma as Adrian Chase, a district attorney who moonlights as crime-battler Vigilante. Danielle Brooks ("Robin Roberts Presents: Mahalia"), Steve Agee and Jennifer Holland also are series regulars. A second season is slated to go into production in the new year. ★★★ (Not rated: AS, P, V) (Also on Blu-ray)

### "THE GOOD HOUSE"

Seen together earlier in "The Ice Storm," Sigourney Weaver and Kevin Kline reunite in this comedy-drama that gives Weaver the platform for a bravura performance. She plays a New England realtor who enjoys her recreational drinking a bit too much, a situation that's stoked when she renews her relationship with a high-school beau (Kline). The various influences in her life eventually merge into a reckoning that

Weaver plays for all it's worth. Morena Baccarin, Rob Delaney, David Rasche, Kathryn Erbe ("Law & Order: Criminal Intent") and Kelly AuCoin ("Billions") also are in the cast for directors and co-screenwriters Maya Forbes and Wallace Wolodarsky. DVD extras: theatrical trailer, audio commentary by Forbes and Wolodarsky; photo gallery. ★★★ (R: AS, P) (Also on Blu-ray, Digital and On Demand)

### "PLANES, TRAINS AND AUTOMOBILES"

In an ideal week for a holiday-travel comedy, writer-director John Hughes' 1987 classic makes its debut on the 4K Ultra HD format. Steve Martin and John Candy play extremely dissimilar passengers who end up sharing lodging and various forms of transportation in their mutual effort to get home ... a pursuit that becomes ever more complicated. Just the idea of the persnickety Martin and the boisterous Candy together is funny, and indeed, it plays out very humorously through their performances here. Kevin Bacon appears in a supporting cast that also includes Laila Robins, Michael McKean and Dylan Baker. The film's success made the public aware that the prolific Hughes could generate more than the teen-driven pictures he mainly was famous (and revered) for at the time. ★★★ (R: AS, P)

### "5-25-77"

Some people pride themselves on having been among the first to see the original "Star Wars" (now known as "Episode IV – A New Hope"), and this story of Patrick Read Johnson is both related and somewhat different. An Illinois youngster with filmmaking aspirations when the fantasy classic was released (on the date indicated by this picture's title), Johnson headed to Hollywood and managed to become one of the first people outside

George Lucas' inner circle to experience seeing the first stage of the saga of Luke Skywalker, Han Solo and company. This project (written and directed by Johnson) dramatizes that trek, with John Francis Daley, Austin Pendleton, Colleen Camp and Neil Flynn ("The Middle") among the actors participating. It's hugely notable that Gary Kurtz, who produced the initial "Star Wars" picture, also is among the producers here ... and Johnson did go on to fulfill his career dreams, since he has worked in visual effects for many years. ★★★ (Not rated) (Also on Blu-ray)

### "ROLLERBALL"

Director Norman Jewison's career has been marked by variety, and one of his most surprising turns was this futuristic 1975 sports drama, adapted by William Harrison from his own short story and making its 4K Ultra HD premiere. James Caan plays Jonathan, a superstar of the title sport – a violent merging of football, hockey and roller derby – whose personal fame worries a hierarchy that would prefer that no one individual stand out in their society. When he refuses to retire voluntarily, his bosses change the literal rules of the game in a bid to eliminate him permanently. John Houseman, John Beck, Maud Adams, Moses Gunn, Ralph Richardson and Pamela Hensley also are featured. The film was remade in 2002. ★★★ (R: AS, P, V)

## celebrity scoop

BY GEORGE DICKIE

Checking in with  
**MELISSA GEORGE**

Ask Melissa George what she admires most in her character of on-the-lam activist, wife and mom Margot Fox on the Apple TV+ adventure thriller "The Mosquito Coast" and she answers without skipping a beat.

"Her perseverance. I'm very similar to Margot in that respect," the Australian actress explains. "I like the fact that she doesn't give up. I like her femininity and her delicateness at the same time as just being a ruthless lioness for her children. I really admire that. I, in my life too, have Plan A, B, C or D and I teach my kids that all the time. ... And I feel like Margot's like that, too. ... She is first of all, a fearless leader; second of all, a great mother."

The currently streaming second season finds the Foxes on the run from the U.S. government deep in the Guatemalan jungle, where they become entangled in a conflict between a local drug lord and his family. Once again at odds with husband Allie (Justin Theroux) over whether to settle down or keep moving, Margot pursues a solution of her own that will either unite or break up the clan forever.

The new season was one of experimentation for George, who admits the performances of actresses such as Meryl Streep inspired her to find the little subtleties in her own.

"I really worked hard this season to try and find the silences and the beats and the nuances and, I don't know, feel the light," she explains. "We had beautiful cinematography and I just wanted to kind of feel the lights and do different things that I haven't done

before. And I've kind of used it as a six month experimental piece because she's very on a singular journey. That's for sure. And the singular journey really required me to kind of stay by myself."
