VAMPIRE HUNTER

## "Movie: Nature Calls"

After his troops ditch him for a slumber party at the posh home of his rival brother (Johnny Knoxville), a scoutmaster (Patton Oswalt) lures the youths away in the middle of the night for an ill-advised camping trip. Rob Riggle, Patrice O'Neal and

name by Seth Grahame-Smith, this 2012 fantasy horror film is set in 1800s America. After loosing his mother to a vampire bite and barely escaping with his life as a boy, Abraham Lincoln (Benjamin Walker) dedicated his

life to getting revenge. He is rescued by Henry (Dominic Cooper), a charismatic vampire hunter who instructs Abe in the fine art of dispatching bloodsuckers.

A remake of the classic western film from 1957, this 2007 action flick follows outlaw Ben Wade (Russell Crowe), who terrorized 1800s Arizona until he was finally captured. Wade must be brought to trial in Yuma to answer for his crimes, so Dan Evans (Christian Bale), the own-

er of a drought-stricken ranch, volunteers to escort him to the train. Along the trail, a grudging respect forms between the men, but danger looms at every turn, and the criminal's men are in pursuit.

"Barrabrava: Season 1" (July 2) Barrabrava is a story of power, ambition, family, love, and lust following César (Gastón Pauls) and Polaco (Matías Mayer), brothers and key pieces in the operation of the barra brava, a group of soccer hooligans, of Club Atlético Libertad del Puerto. Historically led by "El Tío" (Gustavo Garzón), the two brothers are expelled from the barra of their beloved club after a fierce internal fight. On their own, with neither money nor political power or protection, they will stir up a war that will place their personal brotherhood to the test.

## "The Brady Bunch: Complete Series" (July 2)

This classic family sitcom begins when a man named Mike Brady (Robert Reed), an architect widower with three sons - Greg (Barry Williams), Peter (Christopher Knight) and Bobby (Mike Lookinland) - meets and marries Carol (Florence Henderson), who has three daughters of her own — Marcia (Maureen McCormick), Jan (Eve Plumb) and Cindy (Susan Olsen). With their wacky maid named Alice (Ann B. Davis), this blended family all live in a four-bedroom, two-bathroom house in the Los Angeles suburbs.

"The Horror of Dolores Roach" (July 7) Based on the hit Spotify podcast series of the same name, this series is a contemporary, Sweeney Todd-inspired urban legend of love, betrayal, weed, cannibalism and survival of the fittest in New York City. Dolores Roach (Justina Machado) is released from prison after 16 years and returns to a gentrified Washington Heights. She reunites with an old stoner friend, Luis (Alejandro Hernandez), who lets her live and work as a masseuse in the basement under his empanada shop. When the promise of her newfound stability is quickly threatened, "Magic Hands" Dolores is driven to shocking extremes to survive.

"Movie: Los Iniciados" (July 7) Bogotá, Colombia, in the year 2031 looks verily similar to Bogotá in 2022—the same streets, same buildings, same people. But now uncontaminated water is rationed, blackouts are more frequent, and the fight for power over the city has reached new heights. Here, Frank Molina, a troubled crime reporter, confronts powerful and obscure forces that inhabit the hidden most layers of the city's society when an old informant winds up murdered-the day after she reaches out to Frank for help. His investigation into the homicide unravels a much larger mystery involving a forbidden love story, political corruption, massacres in the moonlight and water.
