# Bruce Willis

# OF MOONLIGHTING ON ABC

#### Q: Did Bruce Willlis ever do another series after "Moonlighting"?

A: Not in terms of being a regular cast member, but he did have another significant TV role afterward ... and it's on display often, given how frequently the series in question is still shown. He guest-starred on "Friends" for three episodes in 2000 as Paul, the disapproving father of Ross's (David Schwimmer) considerably younger girlfriend Elizabeth (Alexandra Holden), and the two men eventually came to a meeting of the minds thanks to certain information Ross had about Paul (which the latter man didn't want revealed). Willis earned a Primetime Emmy Award for the portrayal, marking the second one he won, his first having come for his work as wisecracking sleuth David Addison on "Moonlighting." He also did guest shots on such shows as "Ally McBeal" and "Mad About You," but movies had the bulk of his creative attention after he scored an enormous hit with the original "Die Hard" in 1988.

That being said, the actor also hosted "Saturday Night Live" a couple of times, and he was the good-natured target of a "Comedy Central Roast" in 2018, with his ex-wife

Demi Moore and "Moonlighting" leading lady Cybill Shepherd among those who took humorous shots at him. As is traditional for such events, though, Willis got to even the score with his own remarks at the end of that show. Joseph Gordon-Levitt, who played Willis' younger self in the 2012 movie "Looper," was the host of the "Roast."

Fear the Walking Dead

AMC 7 p.m.

Just when you think you're out,

they pull you back in. In this

final mid-season premiere,

Strand (Colman Domingo)

fights to protect his new life

when it's threatened by the

arrival of an old friend (Kim

ing together or apart?

Dickens). But are things com-

clues leading the police to the

new neighbor (Will Holland)

wrong front door?

Jonathan Bennett from "Halloween Wars"

#### Under the Christmas Sky HALL 6 p.m.

Sometimes, falling short of the stars is exactly the right path. And when Kat (Jessica Parker Kennedy), an astronaut, suffers an accident that grounds her, she volunteers at a local planetarium where she falls for bythe-book David (Ryan Paevey). **The Neighbors Are Watching** 

# LIFE 6 p.m.

Good fences make good neighbors. Tall fences, not so much. Amy (Kabby Borders) must confront her disturbing past

#### Halloween Wars FOOD 7 p.m.

The contestants better like garlic as host Jonathan Bennett tasks them with incorporating it into their next display. With a spot in the finale on the line, the stakes are at their highest. Can they impress judges Shinmin Li and Aarti Sequeria? Bob's Burgers

### KFOX 8 p.m.

Bob Belcher is no hero; he's just a slightly eccentric small business owner trying his best to provide for his wacky family. This new episode finds him and Linda helping Gretchen throw a bachelorette party while Tina forces Gene and Louise to play a game. Sister Wives TLC 8 p.m.

As Season 18 continues, drama is the name of the game when it comes to the polygamist Brown family. Husband Kody Brown must navigate the wants and needs of his four wives and 18 children. However, he may not be able to hold the family together any longer.

#### Creepshow AMC 8:10 p.m.

The Creep has more stories to share as season 4 continues. Based on the 1982 movie, each episode features two new stories that will explore everything from the supernatural to the unexplainable. Like a comic come alive, stories may be interrupted by humanity's most horrifying creation — advertisements.

Big Brother KDBC 8:30 p.m.

Is \$750,000 enough money to isolate one's self with absolute strangers for months on end? The remaining houseguests certainly think so. However, they begin week 12 in peril as the Head of Household nominates two fellow guests for eviction. **Billions** 

# SHOW 9 p.m.

The alliances have formed, and Chuck (Paul Giamatti), Axe (Damian Lewis) and Wendy (Maggie Siff) look to square off against Prince (Corey Still) as the campaign continues to heat up. Plus, the Prince Cappers' loyalties are tested as things come to a head.

#### "MEG 2: THE TRENCH"

Coming five years after the original thriller "The Meg," this sequel returns action staple Jason Statham to the role of the heroic environmentalist who finds more supposedly extinct Megalodon sharks to fight. A mining operation that ruptures a danger-harboring undersea trench plays a part in forcing others to struggle to survive, and the special-effects-enhanced mayhem remains of the sort that made the first film a considerable hit. Ironically, one of the settings in the tale is called Fun Island ... and many of the characters surely would call that a misnomer, given what they face there and in the surrounding area. The human cast of the American-Chinese co-production also includes Wu Jing, Cliff Curtis, Shuya Sophia Kai, Page Kennedy, Skyler Samuels and Sienna Guillory. ★★★ (PG-13: ÁS, P, V) (Also on Bluray, 4K Ultra HD, Digital and On Demand)

#### "NANCY DREW: THE FINAL SEASON"

The latest of the screen iterations inspired by the mystery-novel series written under the pseudonym Carolyn Keene, which has been hugely popular for generations, puts forth its recently concluded last television season – which aired on The CW – on DVD. Ever-curious sleuth Nancy (played

A major element for Nancy apart from her detective work is her future, if there is one, with longtime ally Ace (Alex Saxon).

#### "BLUE COLLAR TV: THE COMPLETE SERIES"

Jeff Foxworthy, Bill Engvall and Larry the Cable Guy were on a particular roll with the popularity of their country-flavored humor when they brought the essence of their successful Blue Collar Comedy Tour to weekly television with this sketch series, which ran for two seasons (2004-06) on what then was the WB Network. Each episode had a particular theme, and certain segments were recurring elements of the show, such as "Big Kids" - which saw the three stars play youngsters (particularly interesting in servicing Foxworthy and Larry's facial hair) - and "Politically Correct Fairy Tales." Among guest stars were Brad Pitt (yes, really), Drew Carey and such country-music acts as Trace Adkins, Clint Black, LeAnn Rimes and Brooks & Dunn. ★★★ (Not rated: AS)
