Welcome to Bulletin's Best 2.0!

We are so excited to welcome you to the Bulletin's Best 24-25. We at Las Cruces Bulletin have endeavored to make our annual recognition program more exciting than ever. This year we decided to upgrade and produce this commemorative Winner's Circle magazine for your enjoyment. We also added a new component – we celebrated our winners and finalists at the first ever Bulletin's Best Winner's Circle Gala on November 21 this year.

This is a time to shine a light on local people and businesses across our community. Within these pages you will find the best of what our community offers, from favorite local businesses and hidden gems to inspiring community leaders and events that bring us all closer.

We are proud to announce that we received an astounding 65,681 nominations this year with a spectacular amount of engagement that led to 206,065

votes cast. Thank you so much to everyone who took the time to provide a nomination and to all those who voted for their community favorites on the Bulletin's Best platform.

On a personal note, I want to thank the Bulletin staff for all the hard work as well as the dedication to excellence they bring to our organization every day. We may be few, but we are fierce! It is truly a privilege to be a part of this amazing team.

We congratulate everyone who made it into this year's Bulletin's Best Winner's Circle! Well done!

My Community. My Bank.

Citizens Bank opened its doors in the historic Amador Hotel and adopted the “El Cortijo” as its symbol representing a marketplace. This symbol depicts the sun radiating to neighboring communities surrounding the central area of trade. The Bank’s founders chose the symbol because they viewed the responsibility of the bank as being the heart of the community, providing needed financial services to communities it served. Today, the Bank remains a strong locally-owned company, and has been recognized as one of the top 25 banks in the nation out of more than 1,200 banks its size.

Over the years, Citizens Bank has expanded its locations to 9 full service branches, 6 in Las Cruces, 1 in Truth or Consequences, El Paso, TX., & Albuquerque. In addition, Citizens Bank selectively continues to serve customers in several additional markets. With a strong local Board of Directors and a team of over 130 employees, the Bank has been able to remain successful by focusing on their professionalism, high customer service standards, and the goal of preserving mutually beneficial customer relationships.

Providing and delivering the best financial services the first time, every time.

575-647-4100 505 S. Main St., 88001 www.citizenslc.com

TRUST PROPERTIES

Trust Properties bring their love of the community and real estate expertise to their enterprise

One syllable sums it up: Trust.

Since 2011, Trust Properties has introduced property owners and tenants, matching residents with some of the most desired homes in and near Las Cruces – from casitas to estates and ranches.

Angela and Patrick Potter are licensed qualifying brokers, realtors and property managers who let property owners relax. Angela moved to Las Cruces in 2004, earned her New Mexico Real Estate license in 2008, and founded Century 21’s property management division. In 2011, she earned her New Mexico Real Estate Qualifying Broker license and formed Trust Properties to deal solely with property rentals. Patrick joined Trust Properties as a licensed associate broker in 2011, and earned his New Mexico Real Estate Qualifying Broker license in 2017.

The Potters have watched the city grow and bring their love of the community and real estate expertise to their enterprise. The result is service tenants and landlords can trust. The simplest way to get started is by perusing vacancies at Trust’s website, RentInLC.com.

Trust Properties will locate and vet ideal tenants and serve as friendly local liaisons between them and owners. They will also look after the property, lavishing care for upkeep and security,

managing construction and property development, while maintaining positive relations with tenants – all for a percentage of collected rent.

Of course, some owners are comfortable handling the management tasks themselves and may simply need help facilitating inspections, checking on properties, evictions, serving notices and similar tasks. For this, Trust Properties has an “a la carte” menu of non-contractual services.

For new arrivals to Las Cruces, Trust Properties offers a smooth path to a beautiful home in New Mexico’s second largest city with prompt attention to maintenance and repairs. Trust’s website even offers a tenant portal with guidelines for eligibility, links to utility provides and online payment options. There is a portal for owners, also, to minimize friction.

THANK YOU, MESILLA VALLEY!

We are so proud that you voted us one of the top 3 Best Local Credit Union in Bulletin's Best of Mesilla Valley annual competition. Thank you to everyone who voted for us and for trusting GECU. We're honored to continue serving and elevating our community. Thank you, Mesilla Valley!

Insured by NCUA.

[gecu.com](https://www.gecu.com)

GECU

Investing in the communities we serve Opportunities at GECU in southern New Mexico

Young Vasquez, GECU Vice President of Human Resources

As a credit union with deep roots in the Borderland, GECU takes great pride in serving more than 34,900 members across the state of New Mexico.

Earlier this year, we were pleased to announce that our first Las Cruces branch will open next year, marking a significant step in our ongoing efforts to expand services and uplift communities in the Land of Enchantment.

GECU is not your typical financial institution. We believe in aligning ourselves with organizations and events that share our goal of elevating the community. That goal also includes the exciting opportunity to welcome new members from the communities that we serve to join our team.

Since the Las Cruces branch announcement, we've had the privilege of working with several initiatives in New Mexico that have truly made a difference. One of our proudest moments was when the GECU Foundation donated to Casa de Peregrinos, supporting their mission to provide food, clothing and shelter toward those in need. Our employees came together to donate over 2,600 pounds in canned food and non-perishables. We also provided free tax-preparation services at New Mexico State University.

One of the reasons that people continue to trust GECU for more than 90 years is that our 950 employees come from the same communities that we serve. We build teams that support the financial needs of the communities we serve, while upholding our "people helping people" philosophy.

By opening our doors in Las Cruces, we're not just bringing a new financial institution to the area: We're bringing new possibilities, new partnerships and a renewed commitment to the community. Together, we can elevate lives and create a lasting impact in the Land of Enchantment.

Winner's Circle!
THANK YOU FOR VOTING FOR US!

Call us today or visit us online to learn more about how we can help you with your financial needs.

THE GAME SPORTS BARS & GRILLS

Celebrating 16 Years of Community, Flavor, and Giving Back: The Game Sports Bars & Grills

For 16 years, The Game Sports Bars & Grills have been more than just a place to grab a bite or catch a game. They've served as cornerstones of our local community. Owned and operated by Marci Dickerson, who's passionate about both great food and giving back. Born and raised in Las Cruces, she built her businesses with a deep commitment to supporting the community that supports her.

As a verification to the hard work of her team, The Game I & II Sports Bars & Grills were recently nominated for several prestigious awards: Best Locally Owned Restaurant, Best Chicken Sandwich, Best Chicken Wings, Best Nachos, Best Outdoor Patio, Best Pub Food, and Best Sports Bar, these accolades reflect the high standards and genuine hospitality that define The Game brand. And it's not just about food and drinks—The Game Billiards is also nominated for the titles of Best New

Marci Dickerson

Bar and Best Pool Hall.

Behind these successes is an owner who has created a space where many feel like family. Most of her staff have been with her for more than five years, many nearly two decades, a testament to the supportive work environment she fosters.

But what truly sets her apart is her mission to give back. As nominated for 2024 Best Philanthropist and Best Boss, she pours herself into supporting local charities, youth programs, and community events, always striving to make a difference, specifically through her own passion projects: Revolution 120, Warrior League Special Needs Baseball, and Cancer Warriors. For her, success isn't just about business—it's about uplifting others. When you support The Games, you're supporting a local business that's dedicated to making our community a better place.

¡ANDELE! RESTAURANT

For nearly 29 years, Andele Restaurant has been a linchpin of Mesilla cuisine.

The restaurant sits in Oñate Plaza at the town's northern gate, serving up a menu loaded with authentic Mexican dishes, steaks and more – breakfast, lunch and dinner. Across the street, Andele's Dog House offers a patio dining environment all its own or a relaxed environment for beers with friends.

What began as a retirement project for Phil Schneider with his daughter, Andrea, with a simple take-out window and a modest menu, established a following for its distinctive tacos al carbon and award-winning salsas.

Still managed by Andrea today, Andele preserves a family legacy while helping distinguish Mesilla as a dining destination.

TACOS & SHELL-AH'S

"Tacos are like what the voices of a hundred angels singing Bob Dylan while sitting on rainbows and playing banjos would taste like if that sound were edible."

That's how the writer Isabel Quintero described a good taco. You might not hear angels or Dylan or banjos yourself, but one thing restaurateurs Alberto Quezada, Anais Moya, Mariana Moya and Alejandro Aldape agree on is that the flavors of north Mexico – of Baja, Sonora, Sinaloa – come together like beautiful music.

The four brought their experience together to create a true community expression of Mexican cuisine as art, sustenance and community. Their message is: Don't give tacos short shrift, or take the pleasures of Mexican seafood for granted. The authentic taco, ceviche and aguachile is always in tune.

CHILDREN'S DENTAL CLINIC

Children's Dental Clinic offers kids a positive dental experience

At Children's Dental Clinic and Orthodontics of Las Cruces your child's oral health and comfort are our priorities. Since we only see patients ages nine months to eighteen years, our focus is solely on kids.

We know that going to the dentist can be scary for children. We strive to create a positive experience through a kid-friendly environment and a welcoming child-centric staff. We explain procedures while we do them and encourage parents to accompany their children in the treatment areas. We offer sedation options for nervous kids and even hospital dentistry with full anesthesia for special cases, when recommended by our experienced dentists.

Our southwestern décor office is equipped with the latest in dental technology. Designed with children in mind our bright office will keep them distracted and comfortable during treatment with in-ceiling HDTVs. Our spacious hygiene area is comfortable and open, and our treatment rooms provide privacy when needed for more involved procedures.

We are a full-service dental practice for kids and even offer braces options with our certified orthodontist. Our team focuses on prevention. We want to teach your children how to best take care of their teeth and establish healthy habits for life! We educate kids on complete oral health. Not only will we teach them the proper way to brush and floss, but also eating the right foods to support oral health and visiting the dentist twice per year.

We make it easy on parents too! We accept most insurance, including Medicaid, and have same day appointments. Se Habla Espanol. Scheduling is simple with our online booking, so visit our website at childrensdentalclinic.org or call us at (575) 526-5522.

ELITE DERMATOLOGY

Founded in 2017, Elite Dermatology provides comprehensive skincare services to Las Cruces and surrounding communities. Established by Dr. Tiffany Autry, a Las Cruces local and board-certified professional, the practice benefits from her extensive experience in intensive care, cardiac, and medical-surgical care. She holds a Bachelor of Science in Community Health, a Bachelor of Science in Nursing, a Master of Science in Nursing Administration, and a Doctor of Nursing Practice, along with a post-doctoral fellowship specializing in medical dermatology.

Dr. Autry has pursued ongoing education and holds numerous postgraduate certifications. As a certified medical aesthetics practitioner, she has completed many advanced courses in aesthetics, continuously expanding her expertise to bring the latest in dermatological care to her patients. She is also an active member of the American Academy of Nurse Practitioners and the Society of Dermatology Nurse Practitioners.

Dr. Autry and the Elite Medical Team are dedicated to meeting the community's medical dermatology needs, addressing conditions such as rashes, acne, eczema, psoriasis, warts, skin cancer, skin infections, and more. Additionally, Elite Dermatology offers a range of aesthetic services for patients looking to enhance their skincare routines and skin health. The Elite Aesthetics team includes licensed estheticians and registered nurse injectors who provide advanced services such as neurotoxins, dermal fillers, medical-grade skincare, laser treatments, microneedling, facials,

weight loss plans, platelet-rich plasma, and IV therapy. Elite also offers in-house retail skincare products to support patients' skincare regimens.

At Elite Dermatology, patient care and education are the priority. The team takes pride in educating about skin health while delivering quality care tailored to everyone's needs. Whether it's medical or aesthetic, they strive to ensure every patient feels comfortable and confident in their own skin. Elite Dermatology is honored to serve the Las Cruces community year-round and across all stages of life. For more information, head to their socials, or visit www.elitedermatologynm.com

JENSEN ORTHODONTICS

Transforming smiles at Jensen Orthodontics

Jensen Orthodontics wants to thank you for voting us top orthodontist for the second year in a row! Here at Jensen, we love to transform smiles, and we know you will love the results!

We offer braces options to fit your lifestyle and wallet. From traditional braces and clear aligners to the latest behind-the-teeth-smart-wire braces – InBrace™! We've got the solution to improve your smile and we treat patients of all ages.

Our orthodontist, Stephen Jensen, DDS, and his knowledgeable and friendly team will walk you through every step of the process. During your complimentary consultation, we will discuss what options are available to you to get the smile you've always wanted. Our treatment coordinator will review all of your financial options and available insurance coverage with you.

Not only will you love your new smile, but did you know that straighter teeth and an even bite will improve your oral hygiene? Decay breeds in teeth that are crooked, where bacteria can get trapped in deeper crevices be-

tween the teeth. Straight teeth are simpler to brush, floss and clean and make tooth decay more preventable. An even bite makes chewing easier and can even relieve jaw pain in some cases.

Ready to get a smile you'll want to show off? For your complimentary consultation call (575) 522-1779 or book online at lascrucesbraces.com.

HEAR ON EARTH

Hear On Earth Hearing Care Center

Mild hearing loss can disguise itself. You can hear, but perhaps long listening sessions leave you tired or irritable – especially in social settings, bars, restaurants, public settings that can be noisy.

Lots of people enjoy playing their music and TV at high volume, but it could also be that hearing it is more difficult unless it is loud. Sometimes cell phone service truly is bad, but mild hearing loss can also make phone conversations more strenuous. In many subtle ways, undiagnosed hearing loss can affect health in other ways, as well as one's quality of life. So can tinnitus, that sensation of hissing, humming or clicking sounds within the ear, that may be intermittent or permanent.

Yet more than half of adults with some hearing trouble do not see a provider for testing and treatment.

Now for some happier news: evaluation and treatment can slow hearing loss with benefits for emotional and general physical health. And hearing aid technology is evolving rapidly, in-

cluding devices that use AI to aid the brain's auditory system so people don't miss the softer sounds that enrich each moment.

Hear on Earth is a family business offering hearing care for southern New Mexico through locations in Las Cruces, Silver City, Truth or Consequences and Roswell.

Their services encompass hearing evaluations and hearing protection for musicians and sportsmen; water protection for swimmers; counseling and treatment for ear wax and hearing loss; and a full line of hearing aids (digital, wireless and custom), cleaning and repair; and a range of accessories including batteries, ear molds, microphones and more.

Besides their friendly staff of hearing instrument specialists, Hear on Earth has a website (HearOnEarthNM.com) with instructive videos and articles as well as a discreet five-minute online hearing test. The website also makes it easy to schedule an appointment online.

FYZICAL THERAPY & BALANCE CENTERS

FYZICAL Therapy and Balance Centers

For almost a quarter-century, Denise and John Campbell have been proving to residents of Las Cruces and El Paso that they do not need to live with pain, to worry about falling or sports injuries or post-surgical recovery.

The Campbells founded their enterprise in 2000, with Denise's physical therapy practice growing from a small clinic in Las Cruces to add two El Paso locations.

Today, their FYZICAL Therapy and Balance Centers of Las Cruces are not just about fixing what is broken, but comprehensive care, sound habits and healthy living. This is physical therapy with "physical" spelled uniquely, since they are unique – and so are their clients.

FYZICAL operates from a holistic health and wellness viewpoint, because physical, mental and emotional health are of a piece.

The team includes physical therapists and certified athletic trainers equipped to assist in spine care, orthopedic conditions, concussion management, aquatic therapy to man-

John and Denise Campbell

age pain and facilitate recovery, attend to worker's comp injuries or athletic needs, or to ground clients experiencing balance problems and dizziness – all to keep people moving and living. Work-related injuries are not limited to employees who do physical work: FYZICAL's staff provide guidance on ergonomic habits and help workers who spend long hours in front of computers, as well as workers engaged in lifting, operating machinery, use hand tools

or do a lot of driving. For injuries, chronic pain and other conditions, FYZICAL employs the McKenzie Diagnosis and Treatment method to locate an accurate diagnosis and individual treatment plan.

FYZICAL's locations are conveniently situated near the Mesilla Valley mall and the New Mexico State University campus – or even on your own electronic device, through their telehealth service. And their website, FYZICAL.com, makes requesting an appointment as simple as can be – to help you get back in the game, or stay in it.

ZIA RECOVERY CENTER

Zia Recovery Center

Built on Experience, Guided by Community

ziarecoverycenter.com

(575) 523-0111

303 North Alameda Blvd.
Las Cruces, NM

Ryan Brewer (Left) | Daniel Smead (Right)

In 2017, **Ryan Brewer** and **Daniel Smead** recognized a critical gap in Las Cruces' recovery services. Only two facilities existed, and neither offered what they knew from personal experience was essential: a long-term program where people could grow through recovery together. They envisioned something different - a treatment center built by those who had recovered, for those wanting to recover.

Today, that vision has become Zia Recovery Center, where the impact is evident in transformed lives and a strengthened community. "Seeing clients overcome what they thought was impossible, then watching them share that solution with others - that's the good stuff," reflects Brewer, Co-founder and CEO of Zia Recovery Center.

What makes this CARF-accredited program unique is its foundation in lived experience. Over 90% of the staff have walked the recovery path, working alongside Master's-level clinicians to provide comprehensive, evidence-based treatment. This powerful combination of professional expertise and personal understanding creates an environment where real change happens, free from judgment and full of possibility.

The journey at Zia follows a natural progression through their four core values: Foundation, Growth, Perseverance, and Service. Clients move through these stages together, housed in the same community, building the accountability and fellowship needed for lasting recovery. "We understand that addiction isn't just about substances, it's about finding purpose and fulfillment," explains Smead, Co-founder and Director of Operations. "Our program provides the time, resources, and support needed for that transformation."

From withdrawal management through outpatient care, each person's treatment plan is individually tailored, integrating proven 12-step principles with evidence-based therapy. The results speak for themselves as graduates rebuild their lives through work, education, and community service, achieving not just sobriety, but genuine life satisfaction.

ASHLEY HOMESTORE

Sleep is essential for health at every age. For children, it correlates with cognitive and emotional development, natural immunity, focus and educational outcomes. A thriving, healthy community must assure the welfare of its children.

The Las Cruces Ashley Store has, for many years, stepped up to help the community match children with good beds, supplying some of Las Cruces' neediest households through the Ashley's "Hope to Dream" program.

At a 2023 Hope to Dream event, two women arrived on bicycles hoping to obtain bedding for their children, without a cart or a plan for bringing beds home.

Ashley staff smiled, loaded the beds and the bikes onto a truck, and gave them a lift home. That's how neighbors help each other.

CASA AUTOPLEX

Where community and caring drive us

At Casa Autoplex, we believe that a successful dealership is about more than just selling cars – it's about fostering connections, building relationships and contributing to the wellbeing of the community that supports us. As a proud local business, we're committed to making a positive impact, both through our work and our actions.

One of the ways we've given back is by responding to the needs of our community during times of crisis. When the South Fork Fire threatened our neighbors, Casa Auto Group sprang into action, organizing a relief effort to gather supplies and food for those affected. Our team worked tirelessly to ensure that the people in our area had the resources they needed to recover and rebuild. This is just one example of our commitment to standing beside the people who make this community special.

But our involvement doesn't end with emergencies. At Casa Autoplex, we believe in celebrating the moments that bring us together. That's why we host fun and inclusive community events, like our Haunted House this past Halloween. It was a night filled with laughter, excitement and a chance for families to come together in a safe, welcoming environment. These experiences help create bonds, and we're proud to be at the heart of it all.

Each month, we give away a free car to one individual in our community, a gesture that reinforces our belief that everyone de-

serves a fresh start.

None of this would be possible without the leadership of our dedicated team. From our management to every employee on the floor, Casa Autoplex is committed to making each customer feel like family. It's that sense of care and community that makes Casa Autoplex feel like home.

Come visit us today – where you're not just a customer, you're part of the Casa family.

To stay in the loop of all our upcoming fun events, make sure to follow Casa Autoplex on Instagram and Facebook.
