Q: I always enjoy seeing Reese Witherspoon as Rachel's sister in "Friends" repeats. How many times was she on that show?

A: Twice, though it might seem like she was on it more, since those two episodes of the sitcom are repeated so frequently (as is every other episode of it). Thanks to such pictures as "Election" and "Cruel Intentions,"

Reese Witherspoon

OF THE MORNING SHOW ON APPLE TV+

Witherspoon was a major movie star – though "Legally Blonde" and "Sweet Home Alabama" were yet to come — by the time she first played Jill Green in a 2000 "Friends" story appropriately titled "The One With Rachel's Sister."

Jill showed up at her sibling's New York apartment in need of help when she was suddenly cut off financially by their father (not seen in that episode, but played in others by Ron Leibman). He sent Jill to get advice on basic monetary survival from Rachel (Jennifer Aniston), who wasn't happy at all when Ross (David Schwimmer) seemed to take a more-than-friendly interest in Jill ... and vice versa.

In the next episode, "The One Where Chandler Can't Cry," Witherspoon continued her role as Jill – who wasn't happy, in turn, when she found out that Rachel asked Ross to back off from seeing Jill in a romantic light and behaving in kind. Of course, that didn't stop Jill from pursuing Ross anyway, making things quite tense between the sisters.

BY JAY BOBBIN

Reese Witherspoon and Jennifer Aniston have reunited in their careers since, as stars of the Apple TV+ drama series "The Morning Show," on which they both serve as executive producers as well. The show about a fictional television newscast has run for three seasons so far, and two more were ordered before Season 3 premiered in 2023, so there's plenty more Witherspoon-Aniston teamwork yet to come.

Phil Keoghan hosts "The Amazing Race"

The Flip Off HGTV 6 p.m.

The epic six-part battle between husband-and-wife team of Tarek and Heather Rae El Moussa and designer Christina Haack comes to its dramatic conclusion during this finale. Before the winners are crowned, the teams scramble to finish their exteriors.

Summer House BRAVO 7 p.m.

As the snow begins to melt outside, it's certainly time to get in the mood for the summer sun. Bravo certainly thinks so too, as this summer-themed reality show continues its ninth season. New friends Imrul Hassan and Lexi Wood join the cast.

The Masked Singer KFOX 7 p.m.

Lucky Season 13 of this unique singing competition continues, as panelists Robin Thicke, Ken Jeong, Jenny McCarthy and Rita Ora try their best to determine the famed identities of the costumed singers. Who will be unmasked this week? Nick Cannon hosts.

Good Cop/Bad Cop KVIA2 8 p.m.

When the Eden Vale High star quarterback is attacked, sibling detectives Lou (Leighton Meester) and Henry Hickman (Luke Cook) are called in to get to the bottom of things. What they uncover reveals the extremes that people will go to win.

Expedition Bigfoot DSC 8 p.m.

In the heart of 'The Fork', Biko howls into the night during a stakeout with Mireya. Bryce makes a surprising discovery at the cabin Russell has been occupying. After tracking familiar sounds, Russell captures activity the team will be shocked to see.

The Amazing Race KDBC 8:30 p.m.

Phil Keoghan hosts another brand-new season of this competition, as 14 new teams of two challenge the elements, logistics and physical and mental strain to make it to the final pit stop in and win \$1 million. This season takes teams to Japan, Portugal and more.
