BY JAY BOBBIN

Q: Was Jennifer Love Hewitt actually pregnant while playing her character Maddie's condition on "9-1-1" this season?

A: No, but Jennifer Love Hewitt certainly knows how to portray the situation, since she and her fellow-actor husband Brian Hallisay are the parents of a daughter and

two sons. Hallisay has also been seen on "9-1-1" — now on ABC, which picked up the show after its Fox run, and Hulu — as Maddie's abusive ex, and he also worked with Hewitt earlier on the Lifetime series "The Client List" (2012-13).

The spouses know how to involve their children in their work, since the three youngsters joined their parents in the Lifetime movie "The Holiday Junkie" last December. Hewitt was in a great position to call the shots on the casting, since in addition to starring in the film, she was its director, co-writer and one of its executive producers. (Kristin Chenoweth was heard in

the picture as the late mother of Hewitt's character.)

From what she told us at the time "The Holiday Junkie" debuted, Hewitt didn't foresee staying with "9-1-1" this long, but she maintained that she's happy to continue with it. She joined the show in its second season and it's now in its eighth year; while a ninth season hadn't been ordered yet at the time of this writing, that renewal would seem promising. Though "9-1-1: Lone Star" ended recently on Fox, ABC has ordered another spinoff of the parent series for next season, to be set in Nashville and star Chris O'Donnell ("NCIS: Los Angeles").

"No Man's Land" - Season 2 (April 16)

Delving deep into the complexities of the Syrian war, Season 2 of this dramatic thriller focuses on the experiences of women in various roles: as victims, survivors, fighters, and even a villain. Central to the narrative is a young Syrian girl on a quest to find her kidnapped mother.

"The Stolen Girl" - Season 1 (April 17)

A seemingly ordinary decision turns the world of Elisa (Denise Gough), mum to two young kids, upside down in this tense thriller. When her daughter excitedly asks to go on an overnight playdate with her new best friend, Elisa agrees after meeting the girl's mother, Rebecca (Holliday Grainger). But, when she says goodnight to her daughter, Elisa has no idea that she is about to be thrust into every parent's worst nightmare.

"Leah Remini: Scientology and the Aftermath" - Seasons 1 and 2 (April 17)

Actress Leah Remini turns investigative reporter to share the shocking truth about Scientology in this docuseries. A member of the secretive, controversial church herself for years, Remini uses her own experiences, alongside high-level former Scientology executives and members, to uncover the darkness within the church.

"The Order" (April 18)

A series of bank robberies and car heists frightened communities in the Pacific Northwest. Lone FBI agent Terry Husk (Jude Law) believes that the crimes were not the work of financially motivated criminals, but rather a group of dangerous domestic terrorists. Nicholas Hoult, Jurnee Smollett, and Tye Sheridan also star.

"The Diamond Heist" (April 16)

From Executive Producer Guy Ritchie and Academy Award and Emmy-winning producers, Lightbox, comes a three-part documentary true crime caper. It's summer 2000. A group of South-East London criminals are orchestrating what just might be the most audacious heist of all time. Their plan: use a bulldozer to ram-raid the brand new Millennium Dome in broad daylight, steal the world's second biggest flawless diamond in a haul worth £350 million, and escape by speedboat down the Thames. There's just one tiny problem: the Flying Squad are watching.

"The Glass Dome" (April 15)

In a village in Sweden, Lejla (Léonie Vincent) returns to her childhood home, a place caught between tradition and modernization, causing tension among its citizens. For Lejla, however, her return is overshadowed by something far more dark and intimidating than she ever anticipated. As a child, she was held captive in the area by an unknown perpetrator, trapped in a glass dome. Now, another young girl has disappeared without a trace. As Lejla investigates the disappearance, she must also confront her own inner darkness—a part of her past she's tried to avoid.

"Oklahoma City Bombing: American Terror" (April 18)
