BY JAY BOBBIN

#### Q: With Josh Duhamel doing series work again in "Ransom Canyon," I know he was on "Las Vegas," but has he done any other continuing TV roles?

A: The actor first made a name for himself in weekday serials, winning a Daytime Emmy Award in 2002 for playing Leo du Pres on ABC's "All My Children." He was partnered primarily on that show with Rebecca Budig, who portrayed Greenlee Smythe. He also ended his three-year run on the program in 2002, to explore options he might have in primetime TV.

# Josh Duhamel

OF RANSOM CANYON ON NETFLIX

It didn't take long for him to land the part of casino security chief (and later president of operations) Danny McCoy on NBC's "Las Vegas," a role he kept for the full five-season run of the drama (2003-08). Much also was made of Danny's background as a veteran of the U.S. Marines, with some memorable episodes finding him trying to help other soldiers in various ways. Duhamel also played Danny in several crossover stories on another NBC show of the time, "Crossing Jordan."

Also serving as narrator of the 2011-12 G4 documentary program "Bomb Patrol Afghanistan," Duhamel lent his voice to such animated series as "The Replacements" (Disney Channel, 2008-09), "Fanboy & Chum Chum" (Nickelodeon, 2009-14) and "Jake and the Never Land Pirates" (Disney Junior, 2011-16). His next major TV acting role was in CBS's "Battle

Creek" (2015), which cast him in the part of an FBI special agent based in the title Michigan city.

Duhamel then appeared in Hulu's Stephen King-based limited series "11.22.63" in 2016, then played a police detective investigating the title crimes in "Unsolved: The Murders of Tupac and The Notorious B.I.G." on USA Network in 2018. Netflix – where Duhamel now appears in "Ransom Canyon" — was his next series-regular stop in the 2021 fantasy "Jupiter's Legacy," then he co-starred in NBC's "The Thing About Pam" in 2022.

Featured in Season 2 of "The Mighty Ducks: Game Changers" on Disney+ later in 2022, Duhamel hosted and executive-produced CBS's 2023 reality-competition series "Buddy Games," which was based on a 2019 movie that he directed, co-wrote and starred in.

#### "Predator: Killer of Killers" (Hulu — June 6, Movie Premiere)

The eighth installment in the Predator franchise, this anthology story follows three of the fiercest warriors in human history: a Viking raider guiding her young son on a bloody quest for revenge, a ninja in feudal Japan who turns against his Samurai brother in a brutal battle for succession and a WWII pilot who takes to the sky to investigate an otherworldly threat to the Allied cause. But while all these warriors are killers in their own right, they are merely prey for their new opponent – the ultimate killer of killers.
