We want to again express our Thanks and Gratitude to the sponsors that you see on these pages of this special publication. It is with their generosity of money, gifts, time, services and talent that we are able to host this annual event. We gratefully acknowledge our past and present sponsors and supporters. If we missed someone's name or business, we sincerely apologize.

If you would like to be a part of The Lions Club, please reach out to any current member for more information. The Dennison Lions Club welcomes new members and individuals that want to give back to Dennison and the surrounding area, and be a part of something bigger. Besides Dennison Days, we host the annual Kids Halloween Party at City Hall, Turkey Bingo, Flake Out Fest (our winter event) and the an-

nual Spring Breakfast. We host the Charitable Gambling at Fireside Lounge, Catlemens Saloon and The Sapphire Cocktail Lounge & Event Room, which allows us to continue to donate to many worthy causes in the area. Funds raised throughout the year are used to support the city park, as well as student scholarships to area Randolph, Kenyon, Northfield and Cannon Falls students going off to college or votech, individual hardship donations to those in need and more.

We hope you enjoy Dennison Days 2026!

Fighting Hunger Starts at Home: How Lions are Feeding Communities Worldwide

On any given day in neighborhoods around the world, Lions clubs are packing meals for families in need, tending to community gardens, and checking in on seniors who rely on food assistance to get through the week. These volunteers aren't strangers being called in to help—they are neighbors, responding to a need they see every day.

According to a recent United Nations report, an estimated 673 million people worldwide (about 8.2% of the global population) struggled to get enough to eat in 2024. As hunger continues to affect families across every region of the globe, Lions International is addressing food insecurity the way it always has—through local service, driven by people who know their communities best.

"Hunger doesn't exist somewhere else—it exists right where we live," said Lions Clubs Past International President A.P. Singh. "For Lions, fighting hunger is about more than providing meals—it means responding immediately when families need food today, while also building the capacity of those facing economic hardship to secure income earning jobs and opportunities for the future. Through local service and global collaboration, Lions are working every day to ensure no one is left behind."

While hunger is often discussed as a distant or abstract problem, Lions see its reality up close. From food pantries and community kitchens to school meal programs and emergency food distributions, Lions clubs are stepping in to tackle hunger one neighborhood at a time. Lions Clubs International Foundation (LCIF) hunger grants help make many service projects possible. Statistics from July 2024 through June 2025, LCIF awarded more than US\$3.4 million in hunger-related grants.

Beyond addressing immediate hunger, Lions service fosters connection and dignity. Volunteers don't just distribute food—they listen, they build relationships, and they create spaces where people feel supported and seen. In many communities, Lion-led hunger programs have become a reliable source of stability for those facing ongoing food insecurity. There are countless ways, both big and small, Lions combat local hunger:

- In Connecticut, the Southbury Community Lions Club maintains a 20x20 community garden and donates all harvested goods to the local food bank.
- The Lions Club of Gauhati in India started "Project Lions Ahaar" which serves nutritious meals to more than 550 people in need each day and has served over one million meals since 2021.
- When a food pantry in Granville, New York was forced to relocate, the local Lions purchased a building for the non-profit and continues to offer financial and volunteer support.
- The Knysna Lions Club works closely with their local soup kitchens and often purchases ingredients, volunteers in the kitchen and serves meals, treats and supply kits to hundreds of South Africans in need.
- After every meeting, the High Springs Florida Lions toss their spare change into a "Coins for Kids" jar, which raises about \$150 each month for local food assistance programs.

- Locally, The Dennison Lions Club makes frequent donations to area food shelves, including the food shelves in Randolph, Kenyon, Cannon Falls and Northfield. This is just one area where your local Lions Club makes a difference in the area.

From neighborhood food drives to large-scale community partnerships, Lions International is proving that the most effective solutions to global challenges often begin locally—when neighbors choose to show up for one another.

Here in the US, we are fortunate to have many local area food shelves and resources to insure no one goes hungry. Sometimes people just need a little help because of job loss or change, medical and family emergencies or other circumstances beyond their control.

About Lions International

Lions International represents Lions Clubs International and Lions Clubs International Foundation. Lions take on some of the greatest challenges facing our communities and the world through the service of 1.4 million members in 50,000 clubs and the grant funding support of our foundation. We improve health and well-being, strengthen communities and support those in need, locally and globally. At Lions International, we are serving a world in need. Staff Reports

For John and Monica Davis, of the Friendship Wagon Train, touring the beautiful countryside of southeastern Minnesota has been more than just a fun summer activity.

Since 1985, the Davis family has been participating in wagon trains across the state. The Friendship Wagon Train started when John Davis became aware of a wagon train that was hosted by Camp Courage, a camp for children and adults with disabilities.

Soon after becoming involved with the Camp Courage Wagon Train, John and Monica decided to start their own wagon train to raise money for additional organizations. John and Monica Davis are now celebrating their 38th year of the Friendship Wagon Train.

The goal of each wagon train has always been to raise money to support organizations that serve individuals with disabilities. Throughout the years, they have raised thousands of dollars for multiple organizations, including Camp Courage, Camp Friendship, Camp Winnebago, and, most recently, the Minnesota Special Olympics.

The Friendship Wagon Train has become a family tradition. Not only are members of the Davis family involved, including their grandkids, but many individuals come back to travel with the Friendship Wagon Train year after year. Jollene Gundermann from Waseca is one of them. She greatly enjoys the wagon-train life and has been doing it since 1986. She loves reconnecting with the Friendship Wagon Train members and

watching the children grow up from year to year. Gundermann says as long as she can

still ride, she will continue to be involved in the wagon-train tradition.

In addition to local Minnesotans, many people from out of state come every year. This year, individuals came from Louisiana, Missouri, Tennessee, Illinois, Wisconsin, and Iowa. Karen Gohn and her husband, Michael, travel from Tennessee each year. Karen loves the scenery she gets to see as she travels through the Minnesota countryside.

She also greatly enjoys the people and says, "it gets to be like a family." Tina and Curt Leis are also committed wagon train travelers. Tina says, "[the] first time we came, we knew we wanted to come a lot." The commitment and camaraderie displayed by each of the members of the Friendship Wagon Train is another reason the organization is so special.

Monica Davis notes that people come to travel not only because they enjoy it, but also because the Friendship Wagon Train rides for a good cause. Monica says she is proud of the results that they see, raising between \$25,000-\$30,000 each year for the cause.

The Friendship Wagon Train takes a different route in southern Minnesota every summer. This means they can see new sites and connect with different communities in southern Minnesota. They work with local churches and community groups, such as The Dennison Lions Club, to help provide meals and other services along the trail. Connecting with local individuals and businesses is another way the Friendship Wagon Train has made such an impact in the past 38 years.

Early in the morning, the Friendship Wagon Train is up and moving, sending the trailers and vehicles ahead to the next destination. After breakfast, the rest of the company prepares to saddle up. As the horses and mules were saddled and hooked to the wagons, you could feel excitement in the air. A mule would bray, and a horse would answer back, starting a small chorus of livestock in response. At 8:15 am, the Friendship Wagon Train lined up and headed down the road towards Skyberg for lunch. They set off at a steady pace of 3 mph. Although this years event is over,

If you would like to donate to the Friendship Wagon Train and support the Minnesota Special Olympics, or if you are interested in joining the Friendship Wagon Train, contact

John and Monica Davis at 507-365-8064 or Monica Davis at 507-696-1418. All donations are appreciated.

This was the 2026 Schedule and Route

- June 19: Volunteers assemble at Cannon Valley Fairgrounds in Cannon Falls, MN.
- June 20: Cannon Falls, Stanton→ Transburg farm near Northfield.
- June 21: Transburg farm, Nerstrand
- June 22: Kenyon, West Concord , Dodge Center.
- June 23: Layover in Dodge Center with public wagon rides available.
- June 24: Dodge Center, Claremont, Owatonna fairgrounds.
- June 25: Owatonna, Meriden, Waseca fairgrounds.
- June 26: Waseca, Wilton, New Richland.
- June 27: Final ceremony in New Richland to present donations to Special

Herman Transburg and Brent Keske visiting during the Wagon Train stop at the Transburg Farm

Olympics Minnesota

Local organizations including The Dennison Lions Club, along with churches, American Legion groups, FFA, and 4H clubs provide meals and support along the route. Fire departments assist with water supply, and communities host evening camps for the volunteers. This year, The Dennison Lions and The Fireside Lounge & Supper Club provided a dinner and breakfast meal when the wagon train stopped at the Herman Transburg farm between Dennison and Northfield. The group also enjoyed Live Music with the Johnny Cash Tribute Artist, Doug Allen Nash in Dennison the evening of their layover at Transburgs.. The wagon train has been active for over 34 years, raising more than half a million dollars for Special Olympics Minnesota. Each year, the event draws teams from multiple states, including Minnesota, Tennessee, South Dakota, North Dakota, Illinois, Louisiana, Wisconsin, and Iowa. Wagons vary in design, from traditional wooden wheels to modified vehicles, and participants range from long-time volunteers to new drivers.

Proud to support the community we serve.

A Shady Donation

The Dennison Lions Club donated trees for the Nerstrand City Park after the city had to remove multiple trees. The trees were recently planted by Strese Tree Service and at the park were given in memory of Clyde & Mary Heggedahl, long time local residents, community supporters and business owners at Nerstrand Meats. The second, in memory of and in honor of David & Penny Isaacson, long time owners of Isaacson Implement in Nerstrand. Both couples operated family owned businesses and supported many causes over the years not only in their hometowns of Nerstrand, but the entire area.

The communities of Nerstrand and Dennison are forever grateful of their support over the years.

Dennison Lions Club - Service to Dennison & the Surrounding Area

What is The Dennison Lions Club?

The Dennison Lions Club was started in Dennison Minnesota around 1977 by a group of local business owners, farmers and individuals from Dennison and the surrounding area. Local Lions clubs, like the one in Dennison are part of the larger Organization of Lions International. A Service Organization. You can learn more on line at www.lionsclubs.org Many times, in smaller towns, like Dennison, the Clubs serve not only as a service club supporting activities in the community, but also like the “chamber” to help promote events and businesses in the community. Other area clubs can be found supporting their hometowns in Goodhue, Wanamingo, Kenyon, West Concord, Mazeppa , Zumbrota , Northfield and more.

Lions Clubs international is the largest membership-based service organization in the world. With 1.4 million members in more than 49,000 clubs and serving in over 200 countries and geographic areas. Since 1917 Lions clubs have improved health and well-being, strengthened communities and supported those in need locally, regionally, nationally and globally. The Lions Clubs international motto is “we serve”.

Lions clubs act as the local or regional civic organization in many small medium and larger communities all over the United States and the world. Lions International represents both the Lions Clubs International and the Lions Clubs International Foundation. The Lions Club International Foundation is the global foundation supporting the 1.4 million members of Lions Clubs through grant funds that expand their works and empower service at home and around the world.

Since its founding in 1968, the foundation has awarded more than 19,000 grants totaling more than \$1.2 billion.

Dennison Lions Club - Service to Dennison & the Surrounding Area

(continued from page 15)

Locally, The Dennison Lions Club and its members work to support the Dennison area in a variety of ways. This includes awarding scholarships each year to area graduating students or making donations to families and individuals that may be experiencing a medical emergency or financial hardship. In addition to local contributions, the club supports area school activities like class field trips that help further student education. The Dennison club supports several of the larger programs Lions International works on like Lions Eye Bank program and The Leader Dog program, and also provide support to other area Non-profit groups, schools and activities that benefit the area and its residents.

The club has continually worked to support the city park in Dennison, helping get new equipment in the park for several years ago. The club also supports area fire departments and first responders, including the Nerstrand Volunteer Fire Department, which not only provides fire protection to Nerstrand, but also the City of Dennison, area townships, and mutual aid to surrounding fire departments. The club made contributions to help expand the Nerstrand Fire Department to include keeping an additional truck in Dennison and add equipment back into the Dennison Fire Hall on Main Street.

Other local community events and activities the club supports is the annual Dennison Days Festival, The Halloween Pizza and Game Party at City Hall, Thanksgiving Turkey Bingo, Christmas with Santa and Christmas Sharing, The Flake Out Festival (The Clubs winter community event in February) and annual Spring breakfast.

All of these activities, in addition to the club's charitable gambling location at Fireside Lounge in Dennison, help raise funds to support these activities all year round. The club generally meets monthly to take care of the business of the club and plan events and activities in the town and the area.

The members acknowledge it can be a challenge to get new members to step up and be a part of this important community organization, but for the club to survive and continue doing this important hometown work, the Dennison Lions Club is always looking for local volunteers. The club understands everybody can't always make a monthly meeting, nor do you need to. Some members come in and help a couple times a year with various events but still stay a part of the club, community and what

the lions' clubs stand for. If you are interested in getting involved more in the Dennison Lions Club, please reach out to lions president Diane Ruddle or any Lions Club member for more information.

Our Story

1917 The Beginning

Chicago business leader Melvin Jones asked a simple and world-changing question – what if people made a commitment to improving their communities? More than a century later, Lions Clubs International is the largest service club organization in the world, with more than 1.4 million members in 48,000 clubs acting on the same simple idea – when Lions come together for the good of humanity, there's nothing we can't achieve.

1920 Going International

Just three years after our founding, Lions became international when we established the first club in Canada.

Mexico followed in 1927. In the 1950s and 1960s, international growth accelerated, with new clubs in Europe, Asia and Africa.

1925 Saving Sight

Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become “knights of the blind.” Since then, we have worked tirelessly to aid those who are blind or visually impaired.

1945 Uniting Nations

We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter. We host an annual Lions Day with the United Nations to continue our partnership and identify global solutions to the challenges facing humanity.

1957 Organizing Youth Programs

We started the Leo program to provide the youth of the world with an opportunity to serve and lead with Lions. There are approximately 180,000 Leos and 7,200 Leo clubs in more than 140 countries worldwide.

1968 Establishing Our Foundation

Lions Clubs International Foundation (LCIF) assists Lions with global and large-scale humanitarian projects. Through our global Foundation, Lions have received more than US\$1 billion in grants to help meet the needs of their local and global communities.

1990 Launching SightFirst

Through the support of LCIF, Lions are restoring sight and preventing blindness on a global scale with the SightFirst program. Launched in 1990, Lions have raised more than US\$351 million for this initiative that targets the major causes of blindness.

HOPE CREAMERY BUTTER AVAILABLE AT PARKSIDE!

Local has become an important part of consumer's food choices. People like to know where their food is coming from and how it is produced. Hope Creamery fits that profile very well. Our butter is made using an age old process. Vat pasteurization, and small batch quantities are churned fresh every week.

The Hope Creamery makes butter the old fashioned way and you can tell the difference.

2017 Celebrating Our Centennial

Lions celebrate a century of service by serving more than 250 million people around the world through a special Centennial Service Challenge.

2018 Rallying Around Global Causes

Lions unite to support the global causes of vision, hunger, the environment, childhood cancer and our new global focus, diabetes. LCIF launches Campaign 100: LCIF Empowering Service to raise US\$300 million to increase the service impact of Lions around the world.

2020 Responding to COVID-19

Lions found innovative ways to safely serve their communities during this global health crisis. Our global Foundation, LCIF, donated millions of dollars in emergency grant funds, providing critical supplies and equipment to hospitals, medical clinics and emergency management systems, including front-line health care workers and first responders.

Our Service

Kindness matters to Lions.

Our motto is “We Serve” and Lions put it into action every day. We’re caring men and women who come together to be the difference in our communities. We believe we can do so much more together than we can alone.

Lions serve global causes.

Lions around the world are rallying around the five global causes of vision, hunger, the environment, childhood cancer and our new global focus, diabetes. We have set a goal of serving 200 million people a year through these causes and other humanitarian initiatives.

Lions empower young people.

We believe young people are the leaders of tomorrow. And today. Our Leo clubs give young people opportunities to become volunteers and service leaders, developing new skills and a lifelong passion for service. Approximately 180,000 Leos in 7,200 clubs are serving more than 140 countries worldwide. We also provide valuable local services to youth such as mentoring, health programs and scholarships. Internation-

ally, we empower youth through our Peace Poster Contest, youth camps and exchanges, and the Lions Quest program that has helped provide positive life skills to over 16 million students.

Our Foundation empowers the service of Lions.

We also help our global neighbors through the support of our Foundation, Lions Clubs International Foundation (LCIF). LCIF has awarded more than US\$1.1 billion in grants to support Lions’ humanitarian projects. In 2020, LCIF donated millions of dollars in emergency grant funds during the coronavirus (COVID-19) pandemic, providing critical supplies and equipment to hospitals, medical clinics and emergency management systems, including front-line health care workers and first responders.

Lions are making a world of difference.

Every day, every way, Lions are investing their time, talents and resources in the communities where we live, work and serve. We believe there is no challenge that can’t be overcome when we unite for good. Lions are a global force for good. Lions Clubs International is the largest service club organization in the world, with more than 1.4 million members in 48,000 clubs serving 200 countries and geographic areas worldwide. Since our founding in 1917, we have been proving that where there’s a need, there’s a Lion.
