## **MORE ARRESTS EXPECTED**

## 10 charged dealing meth, cocaine, pot

By DUNCAN DENT duncan@neshobademocrat.com

At least 10 people have been arrested and accused of selling methamphetamine, cocaine or marijuana in a roundup last Wednesday by city, county and state law enforcement agencies.

Four of the 10 have bonded out as the investigation contin-

ues with more arrests expected, officials said.

Collectively, the accused face a total of 16 counts of dealing drugs. Among those arrested were

Samuel Powell, 41, 212 Wilson Street, who faces three counts of selling cocaine.

Jail records show that Powell was arrested on Holland Avenue just before 3 p.m.

Records show that he appeared intoxicated at the time of his arrest. He remains in the Neshoba County Detention Center on a \$75,000 bond. Four other suspects who

bonded out are: • Billy Morris, 77, 245 Lewis Avenue, arrested and charged with sale of cocaine. He was arrested on Carver Avenue around noon and was

out on a \$25,000 bond the following day.

• Samantha Woodruff, 40, 10010 Road 331, Union, was arrested and charged with sale of a controlled substance. She was out by Friday on a \$25,000 bond.

• Deangelo Warren, 33, 227 Martin Luther King Drive, was charged with two counts of the sale of marijuana and a

contempt of court. He was released on a \$50,000 bond Friday morning.

• James Robinson, 31, 10280 Road 402, was arrested and charged with two counts of sale of a controlled substance. He was out on a \$50,000 bond Saturday afternoon.

The other five who remain in custody are:

• Billy J. Clemons, 55, 10181 Road 612, arrested and charged with two counts of sale of a controlled substance. He remains in jail on a \$50,000 in bond.

• John Nathan Davis, 35, 10343 Road 393, was arrested and charged with sale of a controlled substance. He remains in jail on a \$25,000 See DRUGS, page 2A

### **PICKUP PROBLEMS** Aldermen address garbage situatio

By STEVE SWOGETINSKY steve@neshobademocrat.com

City leaders discussed problems with garbage pickup during the Aug. 17 meeting of the Mayor and Board of Aldermen.

City customers have garbage pickup twice a week and many have complained about garbage running late, Mayor James A. Young said.

The trucks are supposed to run Monday, Tuesday, Thursday and Friday. Customers are advised to get their garbage out by 7 a.m. On days when the contractor, Waste Pro, has mechanical problems or personnel shortages, the pickup may come later in the day or the next day, Young said.

"We know what the contract says and we try to hold them to that," Young said. "They come a little late when there is a breakdown and they try to finish the day. Or they come the next day to double up. There are times when they missed the whole

Doug Johnson has been working at the Neshoba County Fairgrounds for nearly 45 years. He is retiring as Fair manager in January.

## 27 years as Fair manager, Johnson is retiring

#### By DUNCAN DENT duncan@neshobademocrat.com

This year's Neshoba County Fair was the last for longtime Fair manager Doug Johnson who will retire in January after roughly three decades in the role.

Johnson has been the Fair Manager for the past 27 years but he started with the Fair Association much earlier than that selling tickets in 1976 and worked his way up to gate supervisor before taking on the manager role.

In his roughly 45 years working the Fairgrounds one event sticks out in his mind.

"I can say that the best thing that happened while working the Fair is that I met my wife," Johnson said.

He has been married to Kaye for 34 years now. Johnson has forgotten more Fair stories than many Fairgoers are likely to experience in their lifetime.

He said he has enjoyed his time managing the

grounds and is mostly left with happy memories though the experience was not without its tense moments.

Johnson said he cannot remember the year off the top of his head but recounted a recent Fair where water pressure on the Fairgrounds meant most of the cabins were without water for most of the week.

That was a hectic time," Johnson said. "We still don't know exactly what caused it." After his retirement in January, Kevin

Cheatham will take over the job at the first of the year. In the meantime, Johnson said he has plenty of maintenance to do on the Fairgrounds and is not sure how much time he will be able to spend in the office as the year winds down.

Johnson said he is only the second person to hold the position of manager as it exists today. He succeeded Dwight Barrett in the role. He said he was "taught well" how to perform his duties by Barrett, Ellen Spendrup and Harry Carter, who taught him "everything about gate supervision" he

needed to know.

"A lot of good people on the Fair Board and with the Fair Association have been good to me over the years," Johnson said.

He served under four Fair Board Presidents in Norman Johnson Jr., Alan King, Barrett, Kenneth Greenland and Gilbert Donald. Johnson started his career as a teacher in

Greenville and he finished his teaching career at Neshoba Central. Johnson taught history and drivers ed. Johnson said he will still be in the area after he

retires and will gladly pick up the phone if Cheatham and his crew have any questions.

"I told them I would be happy to assist in any way I could," Johnson said.

In retirement, he hopes to get to some projects on his family farm that he has not been able to get to. The farm is just 3 miles from the Fairgrounds and where Johnson grew up. The 2022 Fair is scheduled for July 22 through

July 29.

day." The city will continue to monitor the situation, Young said.

In other matters at the Aug. 17 meeting, Cody Bryan, Parks and Recreation director, discussed his budget and requested an additional \$20,000 to cover repairs to air conditioning units. No action was taken.

In other actions, aldermen: • Approved the minutes of the previous meeting and the claims docket;

 Approved three road bores by C Spire;

• Approved hiring Dustin Vance to work in the Sanitation Department;

• Approved hiring Fernellia Thomas as a sergeant in the

### **15-20 POSITIONS** Allied Locke holding jobs fair

### **By STEVE SWOGETINSKY** steve@neshobademocrat.com

Business is booming at Allied Locke and the company is holding a jobs fair next Wednesday in hopes of finding 15 to 20 people to help open a new plant next to the one in Union.

The jobs fair will be from 9 a.m. until 4 p.m. Wednesday in the company's new building at 306 Industrial Drive Circle. The company offers paid family insurance and wages range from \$16 to \$23 per hour.

"We bought the old Hunter building from the county," said Plant Manager Ed Cannon. "It's right next to us. We are now trying to staff it up and put equipment in. It is basically set up for the asphalt industry."

"We serve woodyards, the automotive industry. We even have a division that is environmental," said Cannon. "We rebuild wastewater equipment. And we are heavy into ag industry. John Deer is our largest customer."

Cannon said the company is adding employees because business is up.

"Business is booming. We are having record months every month," Cannon said. "This will be permanent growth, and it will probably pass what we are looking at now. There are only four chain manufacturers in the United States. There is not a lot of competition. A lot of people have been buying overseas.

With tariffs overseas, the ability to get stuff in and out of the country is very difficult."

The parts come in and the Union plant assembles the chains. Cannon said the company does the assembly and the welding and they ship products out throughout the nation and to 37 countries.

Allied Locke started in 1965 with two plants in Illinois.

The Union plant is the third plant and was acquired by Allied Locke around 2000.

Allied employs approximately 40 people in two shifts.

Cannon, from House, has been in the chain business since 1967. He joined Allied about 20 years ago.

"In Union, we build everything the other plants do but we gear it toward the big industries," Cannon said.

Allied Locke Plant Manager Ed Cannon speaks with Daniel Laird of Little Rock on the plant floor. Allied Locke will be hosting a jobs fair Sept. 1 and will be looking to fill 15 to 20 positions.

### **COVID-19 cases trending down here**

#### **By SCOTT HAWKINS** scott@neshobademocrat.com

New COVID-19 cases in Neshoba County continue to trend downward for the second week in a row after an all-time high earlier this month.

New cases in the past week represented approximately 4% of the total cases here. A month ago, new cases represented  $4^{-}\%$  before rising to nearly 10% two weeks ago. Last week, new cases represented 8% of the county's new cases at the time.

Meanwhile, Mississippi will deploy more than 1,000 healthcare workers within the next six days to 61 hospitals throughout the state that requested extra staffing, Gov. Tate Reeves said Tuesday.

Neshoba General will not be receiving any of that assistance, however, because the hospital did not request any additional staffing when notice was given earlier this month, said the hospital's CEO and Administrator Lee McCall.

McCall said the hospital declined the extra staffing because Neshoba County's new COVID-19 cases have been declining over the past two weeks after reaching a peak earlier this month.

When those requests came forward we had all of our areas adequately covered, and we did not feel that it was necessary to request staff when we did not have the need at that time," McCall said of the decision made last week not to request the staffing.

McCall said he is proud of his hospital's staff and noted they had met the challenge during the height of the recent surge.

Neshoba County has recorded 222 new COVID-19 cases and three new deaths in the past week, according to the Mississippi State Department of Health's Aug. 24 report.

Neshoba County has now recorded a total of 5,789 cases of COVID-19 and 186 deaths since the pandemic began in March 2020.

Last week, there were 429 new weekly cases, and three

weeks ago there were 451. The total new weekly cases has dropped in half from the peak two weeks ago when the New York Times COVID-19 database was reporting that Neshoba County was the number one hotspot per capita in the world.

The Mississippi Band of Choctaw Indians has reported 95 new positive cases of COVID-19 and two new deaths in the past week as of Aug. 24, with the total number of positive cases for the Tribe standing at 2,267 with 118 deaths since the pandemic began in March 2020. Eight new hospitalizations have been reported.

"We looked at all of our numbers and we were adequately covering our beds in our hospital and we were able to cover our infusion center and our testing line with some diverted resources," McCall said. "We did not feel that it was necessary to request staffing when we were covering our own. We wanted that staff to be able to go wherever the highest need was."

McCall said that the staff is needed most in areas that have critical care units and ICU beds, which Neshoba General does not have.

"They were top-tier priority and we realized that and that we were managing our own and want that staff to be able to go wherever the demand and the highest need was," McCall said.

McCall also attributed the decline in Neshoba General patients needing hospital care to COVD-19 antibody infusions being offered by the hospital and said the hospital had treated more than 400 people with the infusions since Aug. 1, which he said reduced hospitalizations.

During a Tuesday press conference, Reeves said the state will deploy 808 nurses, three certified and registered nurse anesthetists, 22 nurse practitioners, 193 respiratory therapists and 20 paramedics to the state's 61 hospitals that requested help after the state received approval on Aug. 13.

"These are the number of healthcare personnel beginning to deploy this morning to 50 hospitals across the state to

meet the staffing shortages in our hospitals," Reeves said. "This medical staffing was secured through utilization and awarding of four of the original 19 bids that MEMA received on Aug. 13.'

The cost of the staffing will be \$10 million per week for eight weeks.

"Medical staffing provided by the state is for the COVID-19 mission to address the surge of patients due to the Delta Variant. Our staff has worked tirelessly to give our hospitals the relief they need and deserve. We are working with FEMA to secure reimbursement for these contracts worth roughly \$10 million a week statewide for eight and a half weeks. MEMA stands ready to coordinate any additional resources needed," says MEMA Executive Director Stephen McCraney.

MEMA is requesting an expedited federal reimbursement from FEMA to cover the costs of medical staffing contracts.

Meanwhile, last week the Mississippi State Department of Health re-issued a 2020 home-isolation order for people who are diagnosed with COVID-19.

"All persons, including fully vaccinated individuals, infected with COVID-19 must remain in the home or other appropriate residential location for 10 days from onset of illness (or 10 days from the date of a positive test for those who are asymptomatic)," states the isolation order issued by Dr. Thomas Dobbs, Mississippi's top health official and executive director of the MSDH.

A negative test for COVID-19 is not required to end isolation at the end of 10 days.

"You must be fever-free for at least 24 hours with improvement of other symptoms," the order states.

Mississippi K-12 schools are required to exclude all students and faculty diagnosed with COVID-19 from the school setting during the isolation period under the order.

"The failure or refusal to obey the lawful order of a health officer is, at a minimum, a misdemeanor punish-

able by a fine of \$500 or imprisonment for six months or both," the order states. "If a life-threatening disease is involved, failure or refusal to obey the lawful order of a health officer is a felony, punishable by a fine of up to \$5,000 or imprisonment for up to five years or both."

People who are infected with COVID-19 should limit exposure to household contacts and no visitors should be allowed in the home, the order states.

"Please stay in a specific room away from others in your home," the order states. "Use a separate bathroom if available. If you need to be around others in your home, you should wear a face mask."

As of Monday, 23% of Neshoba County's population is fully vaccinated, according to MSDH, and 28% of the county's population had received one of the 14,544 total doses of COVID-19 vaccines administered in the county.

Vaccinations are being administered at Walgreens at 1002 W. Beacon Street in Philadelphia, according to MSDH.

Also, Neshoba General will administer free doses of the Pfizer vaccine, which on Monday received full approval from the Food and Drug Administration, from 1 to 8 p.m. today (Wednesday, Aug. 25), at the Neshoba County Coliseum. The free vaccines will be available to everyone 12 years old and older, and the event also will administer second doses to people who received their first dose of the vaccine on Aug. 4.

"If you received the first vaccine on Aug. 4, your second vaccine is due on the 25th," organizers said.

Statewide, since the pandemic began in March 2020, 247,306 confirmed COVID-19 cases have been recorded by the MSDH along with 169,483 probable cases, totaling 416,789 cases. There have been 5,578 confirmed COVID-19 deaths, along with 2,580 probable deaths, totaling 8,158 deaths.

### **EDITORIALS** Biden sells out America

The scenes are stunning from President Biden's precipitous pullout of U.S. forces from Afghanistan: civilians clinging to U.S. cargo jets as they soar away from Kabul's international airport only to be blown off and die; traffic gridlock as frantic residents flee before a feared urban slaughter; Taliban fighters showing off warehouses of sophisticated armaments abandoned by departing U.S. personnel.

It all seems not only surreal but incomprehensible. How could the world's strongest superpower act with such apparent incompetence, or was it intentional? The answer could lie in a geopolitical cause more crucial than the fate of one remote realm: globalization.

Hillary Clinton, for one, has described the next phase in advancing toward the globalist dream: "a hemispheric common market, with open trade and open borders." President Biden's refusal to safeguard the nation's southern border amounts to tacit support for the chaos considered necessary to form a supranational merging of the Americas.

Added to the millions of illegal immigrants expected to be admitted and legalized during the Biden presidency are likely upwards of 100,000 Afghan refugees to be airlifted out of the convulsed country. While many are presumed to be interpreters and aides who assisted American forces in their 20-year effort to democratize the tribalistic land, certainty requires proper vetting. Without it, Mr. Biden may be opening the nation's door for another kind of immigrant - one who harbors the Islamicist hatred for America.

Laden, the niece of, yes, Osama bin Laden. A Trump supporter, the 33-yearold, who lives in Switzerland and condemns the diabolical legacy of her dead uncle, warned Americans of what they might face during a recent Steve Bannon podcast:

"What's happening right now in 2021 is that you have this debacle, this failure in Afghanistan, and it's being used to pin it on Americans to justify the taking of all these migrants into the country," she said. Later she added, "The majority of the people are able-bodied men, many of whom have this ideology. You have to close your borders. You cannot let these people come into the country."

Only a clueless naif could discount the admonition of one who has witnessed the danger of religious extremism up-close and personal. Still, rather than smother these refugees under a blanket condemnation, the American way is, as Ronald Reagan once advised, "trust, but verify."

Preserving national security – something the Biden administration treats as optional – should be the sine qua non of immigration policy. The teeming thousands of Afghans flown out of Kabul in the bellies of military aircraft must be carefully screened to weed out possible evildoers before being freed on U.S. soil.

Mr. Biden's handling of the southern border suggests he, like Mrs. Clinton, has little use for national boundaries. Blind acceptance of Afghans he made homeless with his chaotic U.S. pullout would confirm he has sold out America and bought into the globalist doctrine.

### **PATRICK J. BUCHANAN Chaotic U.S. withdrawal**

As President Lyndon Johnson and the best and brightest of the 1960s were broken on the wheel of Vietnam, the Biden presidency may well be broken on the wheel of the Taliban's triumph in Afghanistan. Less than a week into the

chaotic U.S. withdrawal at Hamid Karzai International Airport, a CBS poll found that Americans, while still approving of President Joe Biden's decision to get us out of this "forever war," were stunned by how badly botched the withdrawal was being executed.

By 75-25, Americans believe the withdrawal is going badly. And those who believe it has gone "very badly" outnumber by 9-1 those who believe it has gone 'very well.'

Biden's own approval rating has plummeted to 50%, the lowest of his presidency. Yet, the disastrous debacle at Kabul airport is by no means played out. It may yet become worse, far worse.

For it is difficult to believe the United States can get all its citizens out by Biden's deadline of Aug. 31, and impossible to believe we can withdraw all of our imperiled Afghan allies from that 20-year war who today live in terror for themselves and their families.

And there is a certainty – indeed, it is already happening that some of those left behind will be subjected to atrocities by rogue elements of the Taliban, if not its leadership. Those atrocities will make for film and footage in the Western press, underscoring the failure of the United States to rescue allies it left behind.

And, with reports already emanating from Afghanistan about food shortages, the country could become a human rights hellhole by fall.

Consider. The Taliban may have been able to overrun 15 provincial capitals and Kabul in a week. But the government officials running those cities cannot readily be replaced by Taliban fighters whose vocation for the last two decades has been fighting a terrorist-

**RICH LOWRY** 

Biden oversees America's worst *humiliation in living* memory in rugged Afghanistan.

guerrilla war.

While the triumphant Taliban have no interest in a renewed war with the United States, they do have an ideological interest in trumpeting their triumph over the superpower and rubbing America's nose in its defeat.

What, then, are the consequences of America's humiliation?

Biden's reputation as a capable veteran of half a century at the highest levels of the U.S. government is being daily deconstructed

The United States is being portrayed in the world's media as "a pitiful, helpless giant," in former President Richard Nixon's phrase. And that is the America whose public face today is that of Joe Biden.

As for the American people's appetite for intervention in future wars for democracy and nation building, that is almost surely gone.

Nations that have relied on the U.S. to come fight their wars for them should probably be raising their defense budg-

Billions of dollars in U.S. military equipment - armored vehicles, Black Hawk helicopters, drones, artillery, mortars, thousands of rifles and thousands of tons of munitions have been lost. Some of this will end up in Russia and China, with some of it transferred to ISIS and al-Qaida.

And, lest we forget, other dominos did fall in the wake of America's strategic defeat in Vietnam. Cambodia fell to Pol Pot's genocidal Khmer Rouge. Laos fell to the Communists.

Ethiopia fell to the Derg in East Africa. The former Portuguese colonies of Mozambique and Angola fell to the Communist bloc. Marxists took over Grenada in the Caribbean. The Sandinistas took Nicaragua.

At the end of the 1970s, our Near East ally, the shah of Iran, was overthrown, and an anti-American Islamic republic led by Ayatollah Ruhollah Khomeini was established.

In 1979, the Soviet Union invaded Afghanistan.

Across the Atlantic, "Eurocommunism" took root.

The perception that President Jimmy Carter did not understand the character and purpose of our Communist enemies, and that Ronald Reagan did, was high among the reasons the country took its gamble on the Gipper.

That another casualty of the Afghan fiasco is Biden's credibility is his own doing. Repeatedly, in recent days, what Biden predicted would never happen did happen. And the president made statements seemingly disconnected to the events on the ground in Kabul.

Often last week, Biden gave off the image of a befuddled man who did not understand what was going on or know what he was doing. Nor are Republicans alone in making the point. Democrats and NATO allies are saying the same thing.

One of the principal casualties of Kabul is the establishment's grand vision of a U.S. foreign policy for the new century - where liberalism and democratic capitalism have won the battle for the future, and the U.S., victorious in the Cold War, would lead the world in the realization of a new world order where we would write the rules and police the planet.

Biden depicted that new world struggle as between democracy and authoritarianism, and America as leading mankind toward the triumph of democracy.

The debacle in Kabul begins Biden's leadership of that struggle with America's worst humiliation in living memory.

### **County extorting city with jail costs**

To the editor:

The last time I checked, the residents of Philadelphia are paying the same county tax as the residents of the county and a city tax on top of that.

In other words, the jail already belongs to the city as much as it does to the county. Besides, after processing, all felons automatically transfer to the county and state.

The city of Philadelphia should not have to pay ANY amount, let alone an increase.

Bravo to Mayor Young (a Democrat) for running the city like a business and refusing to give in to an increase by transferring prisoners to Winston County.

This is just another example

of double-dipping where city residents have to pay more to get less

Joe Biden did to what his opponents couldn't shredded his own credibility in himself what his opponents couldn't -

> cation of alleged foreign-policy realism swathed in delusion and comforting talking points.

> Worse for Biden, his July 8 statements weren't countered by a "four Pinocchio" factbut by pictures and video over the past few days of Taliban flags flying from Kabul, Taliban fighters sitting in the presidential palace and desperate Afghans clinging to a U.S. transport plane - by powerful across the media landscape, from Fox News to NPR.

son — it was easier in the moment to accentuate the implausibly positive.

ances that didn't come close to bearing out, he could have frankly admitted error, a painful move for any officeholder, but one that is often met with a generous attitude by the American public.

Afghanistan earlier this week,

he only confessed that things had moved faster than he had expected, while unconvincingly insisting that his team had planned for every contingency.

This, like so much else he has said, has been contradicted by events on the ground. If everything was so carefully planned, why are so many Americans behind enemy lines, and why are we dependent on the good will of the Taliban to allow people into the Kabul airport?

Afghanistan, unless it gets much worse, won't kneecap Biden's presidency. The public is ambivalent about the war, and other events will intervene. But the blow to Biden's credibility will remain.

His next big priority, the \$3.5 trillion reconciliation bill, is not a modest measure. It is an unprecedentedly large spending bill with unforeseeable consequences. Will people believe Biden's assurances that there will be no downsides to the bill, only wondrous effects, after seeing what became so quickly of his assurances that there would be no downsides in Afghanistan? Will the handful of swing Democrats in the House and the Senate be as willing to follow his public line?

Then, there are crises yet to come. Biden won't be as believable if there's a showdown with Iran or China.

His talk of fearless truthtelling has proved, true to form, to be just talk.

Who will believe Biden now? Joe Biden did to himself

### a high-profile, hugely consequential matter that won't be forgotten. No memos from the desk of Donald J. Trump, no RNC talking points, no right-wing Twit-

ter memes or excoriating floor speeches by Republican senators possibly could have had the effect on Biden of Biden himself selling and defending his Afghanistan policy in terms instantly discredited by unforgettable and horrifying images on the ground this week. The fate of Biden's presiden-

cy might now depend on whether Taliban commanders decide to transform an ongoing evacuation crisis in Kabul into an explicit hostage crisis. Even if the United States and

the president escape that scenario, Biden has done himself long-lasting harm — not for the first time — with his own spectacularly ill-considered words.

Every president needs credibility, which is essential to the public trust necessary for political leadership. Biden has gone further, though, and made the telling of inconvenient truths a signature part of his political brand.

The idea was the Biden would be too experienced, too grounded in reality, too committed to the truth out of principle, too respectful of the American public to paint rosy scenarios to try to gull Americans into an unwarranted optimism. Then came July 8.

In that now-infamous press conference, Biden unloosed a farrago of wishful thinking, happy talk, half-truths and blatant deceptions. It was a justifi-

shredded his own credibility.

### 1 killed, 2 injured in wreck on Highway 19 Sunday afternoon

By DUNCAN DENT duncan@neshobademocrat.com

A Meridian woman died and two Neshoba County residents were injured critically in a head-on collision late Sunday afternoon on Highway 19 south, according to the Mississippi Highway Patrol.

Debra Karnes, 62, of Meridian died in the accident reported at 4:24 p.m. just north of Tucker, the authorities said.

Karnes was traveling south on Highway 19 when the Jeep Cherokee she was driving collided with a 1999 Ford F3S driven by Nicholas Posey, 42, of Philadelphia,

according to Highway Patrol spokesman Sgt. Jameka Moore

A passenger in the Posey vehicle, Katie Burrage, 39, of Philadelphia was also injured, Moore said.

The Ford F3S came to rest on the northbound shoulder of Highway 19. The Jeep Cherokee came to rest in the

southbound lane the highway, he said.

"The crash is currently under investigation by MHP," Moore said.

Karnes was pronounced dead at the scene while Posey and Burrage were ultimately transported to University Mississippi Medical Center in Jackson where they both

remained Monday afternoon. 'We will never know what

exactly happened as to why the Vehicle was in my lane so quickly," Posey wrote on Facebook Tuesday morning.

"I'll never understand how I was not seen at such a close distance I'd say 25-35 yards it happened that quick please pray for the family of the

driver of said vehicle," he wrote.

Posey went one to say, "... thank you dear baby Jesus that you seen fit for us to not be killed Sunday evening god bless everyone of you in Jesus name I'll continue to pray.'

### NOTICE OF A TAX INCREASE AND A **PUBLIC HEARING ON THE PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR** THE UPCOMING FISCAL YEAR FOR THE **NESHOBA COUNTY BOARD OF SUPERVISORS**

The Neshoba County Board of Supervisors will hold a public hearing on a proposed ad valorem tax revenue increase for fiscal year 2022 and on its proposed budget and proposed tax levies for fiscal year 2022 on Tuesday, September 7th, 2021 at 10:00 a.m. in the Board of Supervisors' Meeting Room in the Neshoba County Courthouse, 401 Beacon Street, Philadelphia, Mississippi.

## - Avoid Opioid Misuse. Say "No" to Meth and Other Drugs!

The rise of synthetic opioids and stimulant drugs, as well as amplified mental health conditions related to Covid-19, has caused the highest number of overdose deaths ever. Over 87,000 American lives were taken by drugs!

### Facts about these dangerous drugs:

Opioids are a class of drugs that includes prescription pain killers and heroin. Mixing opioids with alcohol or other drugs can slow down or stop your breathing and your heart. Misuse of opioid drugs is a leading cause of accidental death in the United States.

Methamphetamine, also known as meth, is an addictive stimulant drug. Some people notice an urge to use meth after the first use.

Sometimes people use meth in combination with heroin, prescription opioids or other drugs. This greatly increases the likelihood of health problems, overdose and death. Illegal drugs can be mixed with dangerous

drugs or toxic chemicals, such as fentanyl, that can cause poisoning or death. Just a sprinkle of fentanyl is deadly.

> IT ONLY TAKES A LITTLE TO LOSE A LOT. Overcoming addiction is not easy, but it's possible.

## **Tucker's love for cooking inspired by mother**

### **By JOHN LEE** john@neshobademocrat.com

Lora Tucker grew up cooking alongside her mother, Hazel Cotton, who is her biggest inspiration for cooking.

"I've been cooking all my life with my mother, who was the cook of the family while I was growing up," Tucker said.

Tucker, daughter of David and Hazel Cotton, grew up in Neshoba County and is a member of the Mississippi Band of Choctaw Indians.

She said she continues cooking not just because she loves to cook, but also because she wants to continue her mother's tradition, including cooking with her own children, Lena, Aaron and Alex Tucker, and her grandchildren, Noah Ben and Kaiden Tucker.

Tucker moved to Charleston, South Carolina, in 1982 with her family when her husband at the time was stationed there with the U.S. Navy. She moved back to Neshoba County in 1996

"While we were there, I met different people of different cul-tures," Tucker said. "I expanded my cooking experience by making other peoples' dishes since we would get together to cook and sample each other's recipes.'

Tucker's schedule is full of activities, but she still finds time to cook for family gatherings while working a full-time job as a lead inspector for the Choctaw Gaming Commission at Golden Moon Casino. In her spare time, Tucker also enjoys beadwork, sewing and crocheting.

Tucker said she has cooked for people who were quarantined due COVID-19 and for people who were unable to travel in the days following the ice storm in February.

"I made hot meals such as soups and chili," Tucker said. "I try to do whatever I can for people. My children, Lena, Aaron and Alex, would help me deliver the meals to people since they were quarantined or unable to go anywhere. I would make sure they'd get something."

Neshoba Central defeated Germantown High School 9-7 last week in a two-quarter matchup.

## **Rockets win jamboree at Germantown**, kick off season Friday against Hernando

#### By STEVE SWOGETINSKY steve@neshobademocrat.com

Neshoba Central will kick its 2021 football season off Friday night at Rocket field, but not against the team they were originally scheduled to play.

South Panola, their original opponent, reported last week that the school is on virtual learning because of the COVID-19 pandemic. And according to the rules of the Mississippi High School Activities Association, the South Panola Tigers must forfeit.

Neshoba Central Coach Patrick

Schoolar and Athletic Director Tommy Holland started looking for another opponent last week. And Monday morning, it was announced that the Hernando High School Tigers would be their opening opponent. Hernando is a 6A school and plays in Region 1.

"I think they were 6-4 last year," Schoolar said. "We needed to play this week. You get tired of hitting on your teammates every day. We need a game to get ready for. We don't know that much about them right now but we'll be making phone calls and looking at films to get ready."

The Rockets saw their first action Friday night in a scrimmage with Germantown, and the varsity won the twoquarter game beating the Mavericks 9-7 while the junior varsity took a 14-0 win. Schoolar said senior quarterback Eli Anderson scored the Rocket varsity's only touchdown on a 3-yard run. Germantown snapped a punt attempt out of the end zone for a safety and that was the difference.

"I thought our defense played well," Schoolar said. "We faced a big Division 1-A running back and we handled him well.

"Offensively, we have to put more plays together and put more points on the board. I don't know how well they travel but it's a three-hour trip. Hopefully, they will bring some fans.

Schoolar said that Tryeston Thompson and Makhi Gaddis both scored for the Neshoba Central junior varsitv

The Rockets only have four home games this season. After the Hernando game, they will be on the road four weeks in a row. They host Canton on Oct. 1, Vicksburg on Oct. 22 and Callaway on Oct. 29.

### Jake Gibbs enjoyed memorable career **By DALE MCKEE** sports@neshobademocrat.com

If you grew up in Mississippi back in the 1950s, you probably remember our footballcrazy state.

On Nov. 15, 1952, this craziness may have reached its peak as Ole Miss, led by quarterback Jimmy Lear, upset No. 3 Maryland, 21-14. The win propelled Ole Miss into the national spotlight. One Grenada teenager attended that game and knew he wanted to be the next Jimmy Lear. At that time Jake Gibbs, only a seventh-grader, was the starting second baseman on his local high school baseball team.

"I grew up listening to the Baseball Game of the Day on radio, and I dreamed of one day playing in the majors. Baseball was a lot of fun growing up in Grenada," Gibbs said.

Football, however, was also definitely in his future. Gibbs' high school football career was riddled with injuries.

"I broke an ankle one year and my nose another season. I was not that big — about 160 pounds — but I could run pretty good," Gibbs said.

Ole Miss football did come a calling Gibbs' senior year, and he signed with the Rebels. Four years later, Gibbs would become Mississippi's first twosport All-American, a two-time All-American in baseball and a 1960 All-American quarterback. Ole Miss football won two SEC crowns and a National Championship, and Gibbs finished third in the Heisman voting. In the spring, he would trade in the helmet and shoulder pads for a bat and glove. Gibbs was a three-time All-SEC third baseman for the Rebels as they won two SEC titles.

'Kansas City offered me \$35,000 after my junior season and Milwaukee was talking in the six-figures, but my parents wanted me to finish college," Gibbs said. Oddly, the Milwau kee Braves came to every football game his senior year. Gibbs signed for \$100,000 and headed to New York that day. Gibbs walked into the "Bronx Bombers" locker room for the first time and saw all the Yankee legends: Mantle, Maris, Berra and Ford. "Whitey Ford asked me if I was a power hitter, and I said, 'No, Î am more of a single, double and triple guy,' and they all had a good laugh," Gibbs said. Gibbs was assigned to Richmond where he played second, shortstop and third base in his first two years in the minors. He never saw his switch to catcher coming. He was at basic training at Fort Gordon, Georgia, in October of 1962, when a lieutenant came up to him and asked if he was Jake Gibbs. 'He said, 'You are going to be catching this year for the Yankees.' I just laughed it off and never gave it another thought. Yankee manager Ralph Houk called me into his office the first day of spring training and told me of the move to catcher," Gibbs said. "I guess that lieutenant knew something after all. Houk told me if I wanted to get to the majors, that was going to be my ticket." In 1965, he was assigned to Toledo and was called up to New York later in the season. He finally made the "Show" for good in 1966 and played in 538 MLB games. "Playing in New York was fun, but it was even more fun being a Yankee," Gibbs said. Gibbs retired from baseball after the 1971 season and returned to Ole Miss to become the Rebels' head baseball coach. The Rebels won three SEC Western Division championships and two overall SEC championships. During that first season in 1972, he led the team to the College World Series. They won the first SEC Baseball Tournament in 1977. He coached until 1990, leading the Rebels to 485 wins.

### **Tornadoes facing Noxubee County on the gridiron**

#### By STEVE SWOGETINSKY steve@neshobademocrat.com

The Philadelphia Tornadoes will open their 2021 football season on the road Friday when they visit Noxubee County in Macon.

The Tigers will be a tough opponent for the Tornadoes, having played in the Class 3A state football finals last year. They finished the season with a 10-2 record. In their last meeting, Nox-

Tornadoes finished last year with a 4-5 record.

"They played Starkville in the jamboree last week," head coach David Frey said. "Their defense is very good. They are young on offense and we have to slow them down. We are going to have to score some points.'

The Tornadoes warmed up for the Tigers last week by taking two wins on the Noxapater jamboree. The Torna-

ubee defeated Philadelphia 33-13. The does defeated J.Z. George 21-0 and Noxapater 26-0.

"We got better with our route running," Coach Frey said. "In practice, our routes haven't been spaced out enough. We were all on top of each other. In the jamboree, our kids saw what they needed to do. It helped. Our running game was pretty good. That's something we needed to work on. It's different going against another team than your second-team defense. We

got a lot out of that.

"J.Z. George gave our defense some challenges. We had to think about things and adjust."

Frev said the Tornadoes will be a running team this year but added they can throw the ball.

"We are going to try to run the ball," Frey said. "That's the first thing I want to do. We are going to run a two-tight end set."

### Mingo works to improve volleyball skills

#### By STEVE SWOGETINSKY steve@neshobademocrat.com

Last year was the first time Daylynn Mingo played volleyball and the Neshoba Central senior quickly made it her favorite sport.

"I had never played before," Mingo said. "When we started last year, I was contemplating whether I wanted to play or not. Once I started, I really liked it.

"After the season, I started playing on a club team Southern Select Volleyball. I played with them a couple of months and it went on from there."

Six team members played in club teams in Meridian and Jackson. They even went to Atlanta to play.

"There were college coaches there," Mingo said. "No one was talking to us but I think they were watching. I am hoping to get to play somewhere on the college level.

Mingo had played softball up until this year but now she is focusing all of her efforts on volleyball.

"I won't be playing softball this spring," Mingo said. "Volleyball is different. There is a lot of action and a lot of teamwork. You have to be aggressive, talk a lot and go after the ball. We are trying to get together."

The Lady Rockets went undefeated their first regular season. They made it to the second round of the playoffs before being eliminated by Lake Cormorant, a much more experienced team.

"That one stuck with me," said Mingo. "I want for us to do better in the playoffs. But they had been playing for a long time."

This year's team stands at 9-0. They

play in the same region as Starkville and New Hope.

Mingo is an all-A's student. Math is

her favorite subject, and one day she wants to become a dentist.

In her free time, she likes to hang out with friends and family. She has been going to Neshoba Central since the sixth grade. She spent grades K-5 at Pearl River Elementary School. She is the daughter of Candice and Demando Mingo.

'She is a real good athlete and a two-year starter," said Coach Zach Sanders. "She has seemed to pick the sport up. She is an all-around good player - a good front-row player and back-row player. She is dedicated to the sport. After we got started, she played a season with us and then went off and played club ball. She came back and had really improved her game. She does well in the classroom, one of those students you don't ever have any problems with."

## **Rebels open season with Winston win**

By STEVE SWOGETINSKY steve@neshobademocrat.com

Leake Academy football coach Brian Pickens says the goal of every football team is to win the first game of the season

The Rebels accomplished their goal as they scored 28 unanswered points to take a 35-7 win over homesteading Winston Academy on Friday night.

Leake improves to 1-0 on the season and will host Jackson Academy on Friday night.

Pickens said he was pleased with the effort on both sides of the football as the Rebels opened the season with a win.

"The first game of the season is so important to get your season off and going on the right foot," Pickens said. "To start off with a win, it just builds momentum and makes all the hard work in the offseason pay off. There are going to be mistakes.

"We looked good on defense and drove it right down the field on offense. I thought the offensive line did an outstanding job and opened up holes. Canon (Parkes) had a big night and ran for over 200 yards and when you can rush for 461 yards, that's impressive," Pickens said. The first half was tight as the

Patriots used a pair of turnovers to keep the Rebels out of the end zone.

Leake got on the board first with 4:48 left in the first quarter as Parkes scored on a six-yard run. Cole Arthur booted the PAT and Leake held a 7-0 lead.

The score stayed 7-0 until midway through the second quarter. Leake was driving in for a score when Parkes fumbled at the goal line and Winston came up with the football. The Patriots then tied the game as they got loose on a 94-yard touchdown run with 6:53 left in

the half. The PAT was good and Winston tied the game at 7-7. The Rebels answered with a

methodical drive down the field. Whitt Welch scored on a oneyard run with 3:41 left in the

half. Arthur booted the PAT and Leake took a 14-7 lead into the half.

The Rebels used a stiff defense and relentless offense in the second half and gradually

pulled away from the Patriots. The Rebels extended the lead with 5:17 left in the third when Rhett Atkinson scored on a 23yard run. Arthur booted the PAT and Leake led 21-7.

The Rebels got the ball right back as they recovered a Winston fumble. Atkinson then found the end zone again as he scored on a 16-yard run. Arthur's kick gave Leake a 28-7

lead

After a Winston punt, Leake moved down the field quickly again. This time, Riley Myers found the end zone on a 28-yard run with 11:53 left in the game. Arthur's PAT gave Leake the final score of 35-7 as the Rebels were able to run out the last eight minutes of the clock.

Leake limited Winston to 231 yards of total offense.

Leake had 530 yards of total offense while Winston had 231 yards. Parkes had a career night with 252 yards on 36 carries, averaging 7.2 yards a carry. Atkinson had 98 yards on nine carries and was 3-of-5 passing for 69 yards. Myers had 52 yards on four carries while Aiden Watkins had two catches for 34 yards.

Bryce Watkins led the Leake defense with 5.5 tackles while Ethan Dunn had five tackles and Welch had 4.5 tackles.

This week's game

The Rebels will be at home this week as they host Jackson Academy for the second straight season.

The Raiders opened the sea-son with a 37-0 win over Starkville Academy.

"It's going to be an extremely tough game," Pickens said. "They have a great football program and a great staff. After we beat them last year, they got a lot better and ended up playing for the state championship last year. And I think they will be right in it this year as well. It will be a great test for us. I know they are going to come out and be physical with that big running back. It will be a physical game for

Last season, the Rebels posted a furious fourth-quarter comeback, rallying from a 31-7 deficit to take a 47-37 win over the Raiders.

### This week's game

Both teams will finally get on the field this week as Union hosts Choctaw Central on Friday night.

"I really don't know a lot about them, they haven't played at all," Wren said. "All I know is they came out and it just looked Eli Joe will take snaps and his is

a really good football player. He's a big quarterback and runs the ball hard. They will probably run quarterback power about 70% of the time. Size-wise, they will be bigger than us up front. We will have to use our quickness up front to control the line of scrimmage. We can't just line up and play them straight up. They are hard to prepare for
