Gonzo (left) and Will Arnett star in "Muppets Haunted Mansion," currently streaming on Disney+.

Streaming and screaming: Halloween content anytime, all the time

By now, you've likely overdosed on all the Halloween programming on broadcast and cable TV over the past several weeks, thus making the actual holiday on Sunday somewhat anticlimactic from a viewing standpoint. But rest assured, there is plenty of content still to be had.

If you're a streamer (and who among us isn't these days?), you'll find a veritable wealth of Halloween programming, ranging from horror movies to spooky reality TV and even a few comedies. So fire up the streaming device of your choice and take in the following.

"Halloween Kills" (Peacock): This highly anticipated slasher film picks up following the events of 2018's "Halloween" and finds masked killer Michael Myers on the loose again after having escaped from the basement of Laurie Strode's (Jamie Lee Curtis) burning house, prompting her, daughter Karen (Judy Greer) and granddaughter Allyson (Andi Matichak) to form a mob with other survivors of his reign of terror and hunt him down.

"Paranormal Activity: Next of Kin" (Paramount+): In this latest installment of the "Paranormal Activity" film franchise, a documentary filmmaker follows Margot (Emily Bader) as she ventures to a secluded Amish community to learn more about her long-lost mother and extended family, only to encounter a series of strange occurrences that seem to portend something sinister. Roland Buck III, Dan Lippert and Henry Ayers-Brown also star.

"Muppets Haunted Mansion" (Disney+): In this holiday special, world-famous daredevil the Great Gonzo takes on his greatest challenge yet – spending one very daring night in the most grim place on Earth, the Haunted Mansion. In addition to guest appearances by Chrissy Metz, Craig Robinson, John Stamos and the late Ed Asner, the show features many Easter eggs sure to please Disney die-hards. Will Arnett, Yvette Nicole Brown and Taraji P. Henson head the human cast.

"Eli Roth Presents: A Ghost Ruined My Life" (discovery+): Part of Discovery's "Ghostober" is this new hourlong series from the actor and horror maven that presents shocking stories of hauntings that have left emotional and sometimes physical scars on those unlucky enough to have experienced them.

"The Movies That Made Us" (Netflix): Film aficionados will want to take a look at this installment of the series that takes viewers inside the making of movies that have shaped generations, here training its lenses on classic horror films "A Nightmare on Elm Street," "Friday the 13th" and "Halloween."

"Horror Noire" (Shudder): Part of Shudder's "61 Days of Horror" is this original anthology film series that features new work from both established and emerging talents, showcasing stories of Black horror from Black directors and screenwriters. Players include Lesley-Ann Brandt ("Lucifer"), Luke James ("The Chi"), Erica Ash ("Survivor's Remorse") and Rachel True ("The Craft"), among others.

Relax. We've got this.

From "Yellowstone" co-creator Taylor Sheridan and Hugh Dillon comes this 10-episode original drama series that follows the McLusky family — power brokers in Kingstown, Mich., where the business of incarceration is the only thriving industry and systemic racism, corruption and inequality run rampant in it. Dillon, Diane Wiest, Jeremy Renner and Kyle Chandler head the cast.

“Movie: Jacinta”

First-time documentarian Jessica Earnshaw's deeply intimate portrait introduces viewers to Jacinta, a young Maine woman with a troubled past that includes addiction and imprisonment, who tries to maintain her sobriety and reconnect with her 10-year-old daughter Caylynn, despite being surrounded by the forces that led her into trouble in the first place. (ORIGINAL)

“Movie: Silent Night”

From the U.K. comes this 2020 crime drama about an ex-convict London hitman who tries to go straight for his daughter but gets drawn in for one last job by his former cellmate. Bradley Taylor, Cary Crankson, Frank Harper and Nathaniel Martello-White head the cast for first-time feature director Will Thorne.

“Movie: The Marksman”

Liam Neeson plays it grizzled once again in this 2021 actioner in which he stars as Jim, an ex-Marine living as a rancher on the Arizona/Mexico border whose peaceful existence is pre-empted when he takes in a boy on the run from a vicious cartel. Jacob Perez, Katheryn Winnick and Juan Raba also star for director Robert Lorenz (“Trouble With the Curve”).

“Taste the Nation With Padma Lakshmi”

The award-winning host, executive producer and cookbook author returns for this four-part “Holiday Edition,” in which she highlights unique holiday traditions through the lens of a different immigrant culture and city, such as Korean New Year in Los Angeles and Cuban Christmas in Miami. (ORIGINAL)

DISCOVER FLORIDA'S FIRST LIGHTHOUSE

**Where it
all began...**

To understand the significance of Menorcan's at the St. Augustine Lighthouse, we must recognize their role in its history. Many lightkeepers were of Menorcan descent, including Juan Andreu, the first lighthouse keeper in the newly lit St. Augustine Lighthouse, Juan Carrera, Joseph Andreu, Maria Andreu, and Siladonio Pellicer. These individuals, whose ancestors traveled to New Smyrna to work as indentured servants, were instrumental in the rise of Menorcan culture in St. Augustine.

Perhaps the most notable of Menorcan Lighthouse Keepers was Maria de los Delores Menstre Andreu, a woman of many firsts. After her husband Juan's tragic passing, Maria became the first female lighthouse keeper and Hispanic-American woman to serve in the United States Coast Guard and command a federal shore installation, setting a precedent for Hispanic American women serving in the military. For over 150 years, Maria Andreu's trailblazing experience has inspired generations of women to serve their country.

In Focus

The 95th Annual Macy's Thanksgiving Day Parade (NBC — new special, Nov. 25)

Last year, the COVID-19 pandemic mandated a dramatically downsized version of this annual crowd-pleasing extravaganza, with the parade closed to the public and filmed as a television-only event and no college and high school bands. Much of the glorious excess is expected to return for Thanksgiving 2021, however, with in-person spectators back, albeit in smaller-than-traditional numbers. Macy's also reports all participating volunteers and staff must be vaccinated, and other health guidelines will be followed.

Padma Lakshmi's 'Taste the Nation' heads a packed week of culinary programming

tastytv
BY GEORGE DICKIE

Padma Lakshmi is never one to sit still for too long and she again proves it in a limited "Taste the Nation" series that's upcoming on Hulu that's one of several culinary offerings to hit the small screen in recent weeks.

In "Taste the Nation: Holiday Edition," a four-part series that begins streaming Thursday, Nov. 4, the host and cookbook author travels the country to highlight the unique holiday traditions among immigrant groups in various U.S. cities.

So in the four episodes, Lakshmi connects with the Jewish-American community of New York's Lower East Side to explore the true meaning and culinary traditions of Chanukah; heads to Cape Cod and Martha's Vineyard in Massachusetts to deconstruct the holiday narrative behind the Thanksgiving feast and learn about the traditions and food of the local Wampanoag Nation; ventures to Miami to meet up with the Cuban-American community and find out about their holiday, Nochebuena; and goes to Los Angeles to take in the sumptuous flavors of Koreatown. A veritable cornucopia of international cuisine.

For fans of Thai cuisine, the Food Network/discovery+ special "Getting Spicy With Pepper Teigen" is certain to pique interest. Premiering Saturday, Nov. 6, the half-hour offering puts the cookbook author and matriarch of the Teigen family (which include her daughter, model/TV personality Chrissy Teigen) front and center as she and eldest daughter Tina share stories from the

Teigen sisters' childhood while preparing an enticing feast inspired by family recipes that are easily accessible. Be ready to take notes.

Over on HBO Max, the recently premiered third season of "Selena + Chef" finds the actress now with blond tresses and a little more savvy in the kitchen but still prone to the odd mishap. As in seasons past, she'll be cooking for family, friends and special guests, which this season include Lakshmi, actress Ayesha Curry, photographer Esther Choi and chefs Aarón Sánchez, Fabio Viviani, Jamie Oliver, Richard Blais, Gabe Kennedy, Kwame Onwuachi and Sophia Roe. No doubt, with a first aid kit nearby.

The notion of a cheat day, where one day a week people throw culinary caution to the wind, is a familiar one for those who try to eat to stay fit and now the Sunday Cooking Channel series "Cheat Day USA" addresses it. The recently premiered series follows host Robert Irvine ("Restaurant: Impossible") around the country to some of his favorite haunts to highlight some of the incredible variety of decadent dishes he's encountered. You'll gain a pound or two just by watching it.

And for fans of competition series, the season finale of "Halloween Wars" Sunday, Oct. 31, on Food Network sees the final two teams going head-to-head for the \$25,000 prize as they craft cakes that show what happens when two monsters square off in a duel. Zak Bagans is the host.

What's Available **NOW** On

“Movie: American Traitor: The Trial of Axis Sally”

From director Michael Polish (“Twin Falls Idaho”) comes this 2021 drama that recalls the case of Mildred Gillars (played here by Meadow Williams, “Boss Level”), who stood trial for treason for broadcasting Nazi propaganda to U.S. troops during World War II. Al Pacino plays James Laughlin, the lawyer who defended her. Thomas Kretschmann and Mitch Pileggi also star.

“Movie: Butch Cassidy and the Sundance Kid”

Paul Newman and Robert Redford star in this classic, Oscar-winning 1969 Western as turn-of-the-century outlaws who become the targets of a posse after committing one too many train robberies. Refusing to change their ways, they head for South America. Directed by George Roy Hill, the film also stars Katharine Ross, Jeff Corey and Cloris Leachman.

“Judy Justice”

All rise! After concluding the syndicated “Judge Judy” earlier this year, Judge Judy Sheindlin is back in this arbitration-based program doing what she did previously, hearing and ruling on various cases. In this iteration, she’ll be joined by three new personalities: bailiff Kevin Rasco, court stenographer Whitney Kumar and law clerk Sarah Rose, who is also Sheindlin’s granddaughter. (ORIGINAL)

“Movie: The Electrical Life of Louis Wain”

Based on a story by Simon Stephenson, director Will Sharpe’s (“Black Pond,” “The Darkest Universe”) biographical drama stars Benedict Cumberbatch in the title role of the turn-of-the-20th-century inventor and entrepreneur who adopted a stray kitten that inspired him to paint amazing images of cats for which he became famous.
