coverstory BY JAY BOBBIN

Trace Adkins, Anna Friel (center) and Susan Sarandon star in "Monarch," premiering Sunday on Fox.

'Monarch' keeps Trace Adkins more than a little bit country

In his biggest acting commitment yet, country music star Trace Adkins is playing in a world he knows well.

Premiering Sunday, Sept. 11, before it settles into its regular slot Tuesday, Sept. 20, the Fox drama series "Monarch" casts the singer of such hits as "(This Ain't) No Thinkin' Thing" and "You're Gonna Miss This" opposite Oscar winner Susan Sarandon as the couple heading a hugely popular performing family. Others are eager to succeed them, though, making one of the couple's children (Anna Friel) intent on keeping her clan's entertainment-business status secure. Joshua Sasse, Beth Ditto, Broadway's Faith Prince and Sarandon's daughter Eva Amurri also are in the cast.

"They contacted me and wanted me to audition," the friendly, deep-voiced Adkins recalls, "so I did that, and things moved pretty quickly after that. It was something I was certainly interested in, and I liked what I heard, so I signed on."

Anyone familiar with Adkins' persona will recognize it in his "Monarch" role of country titan Albie Roman, just as he does: "I said to them, 'So you want me to be me, right? That's pretty much what I'm seeing here. I think I can do that.'"

With Shania Twain, Little Big Town, Martina McBride and Tanya Tucker slated to appear

during "Monarch's" first season, Adkins likes working with high-powered co-stars. He notes, "Somebody said, 'It must make you nervous to do scenes with Susan Sarandon.' Of course, it did in the beginning, then I realized that it's so easy to do a scene with an actor of that caliber. You know you're going to get everything you need, and you just try to hang on."

Though "Monarch" (delayed from last season) is fictional, first "Celebrity Apprentice" winner Adkins has been in country music long enough – 2021 marked the 25th anniversary of his first album – to have seen things that inspired the show. "Certainly, some of the bureaucracy is stuff I've had to wrestle with in my career," he allows, "but I've tried to keep my life as drama-free as possible, so in that respect, Albie's got a lot more on his plate than I ever have."

Having had roles in such movies as "The Lincoln Lawyer" and "I Can Only Imagine," Adkins (whose latest album, "The Way I Wanna Go," features his collaborations with everyone from Blake Shelton to Stevie Wonder) is familiar with acting, but "Monarch" is his first job in that profession sizable enough for him to rearrange his music schedule.

"I'm just really happy that this came along," he maintains. "I feel that you need to challenge yourself and continue to grow, and do things that make you a little nervous."

“Tell Me Lies”

From “Queen America” creator Meaghan Oppenheimer comes this drama series that follows college sweethearts Lucy and Stephen (Grace Van Patten, “Under the Silver Lake,” and Jackson White, “Mrs. Fletcher”) as they fall into an addictive entanglement that will permanently alter the lives of themselves and those around them. Branden Cook, Sonia Mena and Catherine Missal also star. (ORIGINAL)

“Movie: Whose Streets?”

From directors Sabaah Folleyan (“Look at Me: XXXTentacion”) and Damon Davis (“The Holly”) comes this 2017 documentary that takes a close up look at how the police killing of Ferguson, Mo., teen Michael Brown Jr. in 2014 inspired a community to fight back and sparked a global movement.

“Movie: What Just Happened?”

Robert De Niro and director Barry Levinson satirized the business of politics in “Wag the Dog,” and they reunite to give Hollywood similar treatment in this comedy. De Niro plays a producer who tries to reason with various parties in getting a movie finished, prompting him to mull whether it’s all worth it. Bruce Willis, John Turturro and Kristen Stewart also star.

“The Handmaid's Tale”

The new season finds June (Elisabeth Moss) facing consequences for killing Commander Waterford while struggling to redefine her identity and purpose. Also, widowed Serena (Yvonne Strahovski) attempts to raise her profile in Toronto as Gilead’s influence creeps into Canada and Commander Lawrence (Bradley Whitford) works with Nick (Max Minghella) and Aunt Lydia (Ann Dowd) as he tries to reform Gilead. “Narco-Saints”

From South Korea comes this crime drama about a businessman who has no choice but to cooperate with the secret operation of a government intelligence agency to track down the Korean drug lord who has taken control of Suriname in South America. Ha Jung-woo, Hwang Jung-min and Park Hae-soo head the cast. (ORIGINAL)

“Jo Koy: Live From the Los Angeles Forum”

The Washington-born and -raised comic takes on topics such as public sneezing, getting lost in the Philippines, his relationship with his teenage son and the indignities of living with sleep apnea in this stand-up special recorded this past March at what is now known as the Kia Forum in Inglewood, Calif. (ORIGINAL)

“Movie: Do Revenge”

Jennifer Kaytin Robinson (“Someone Great”) directed this dark comedy that stars Maya Hawke (“Stranger Things”) and Camila Mendes (“Riverdale”) as high-school girls who form an unlikely and secret friendship to go after each other’s tormentors. Austin Abrams, Sophie Turner, Ava Capr and Paris Berelc are also in the talented cast. (ORIGINAL)

“Fate: The Winx Saga”

As the sophomore round of this drama series opens, school is back in session under the militant authority of Alfea’s former headmistress Rosalind (Lesley Sharp) and fairies are disappearing, indicating the presence a dangerous threat that lurks in the shadows. Abigail Cowen, Hannah van der Westhuysen and Precious Mustapha are among cast returnees. (ORIGINAL)

Word Search Solution Puzzle on Page 13

When TV foodie series get weird

Anyone who has ever undercooked a turkey or overbaked bread knows that weird stuff can come out of the kitchen.

Same holds true for cooking shows. As culinary TV adds more and more to its number these days, programmers are going to greater and greater lengths to make foodie shows that stand out from the rest. To them, weirder is better and viewers seem to be eating it up (pardon the pun). Such as these productions, past and present.

“Hotties” (Hulu, 2022-present): Forcing down really hot food and collaborating on cooking challenges helps to break the ice for attractive singles on their first date in this foodie/dating show hosted by comedian Jade Catta-Preta from a food truck in the middle of the California desert. Hot, hot, hot.

“Is It Cake?” (Netflix, 2022-present): “Saturday Night Live” player Mikey Day hosts as skilled bakers create realistic replicas of everyday items such as a handbag, a radio and a bowling pin in the hopes of fooling a panel of celebrity judges into thinking they’re real. Those that are successful win a \$5,000 prize

“Hot Ones” (YouTube, 2015-present): Similar to “Hotties,” excessively hot chicken wings are the catalyst for conversation between host Sean Evans and celebrity guests in this foodie/talk series. Nothing like a wing that scores high on the Scoville heat scale to bring the real out of the likes of Ricky Gervais, Henry Rollins, Al Roker, Jeff Goldblum and Neil DeGrasse Tyson, among others.

“The Curious Creations of Christine McConnell” (Netflix, 2018): Part cooking show, part “Addams Family”-like sitcom, this goth-inspired series follows artist and baker McConnell in her haunted mansion as she creates morbid-looking desserts such as gingerbread haunted houses, caramel spiders and wolf claw donuts. Certainly imaginative but unfortunately it lasted only six episodes.

“Hotties”

“Crime Scene Kitchen” (Fox, 2021-present): In this competition series hosted by Joel McHale, contestants must enter a kitchen and examine clues left behind – crumbs, flour, etc. – to determine the dessert that was just consumed, then must recreate the confection. Those that guess right and recreate the dish that best impresses the judges wins a \$100,000 grand prize. Not bad work if you can get it.

“The Colgate Culinary Hour” (NBC, 1950-55): One of the rotating elements of “The Colgate Comedy Hour,” this spinoff series features Dean Martin and Jerry Lewis cooking. That’s right, suave Dino and silly Jerry. In the kitchen. Cooking. Yes, this is going back a ways to the Golden Age of Television but we couldn’t resist.

What's Available **NOW** On prime video

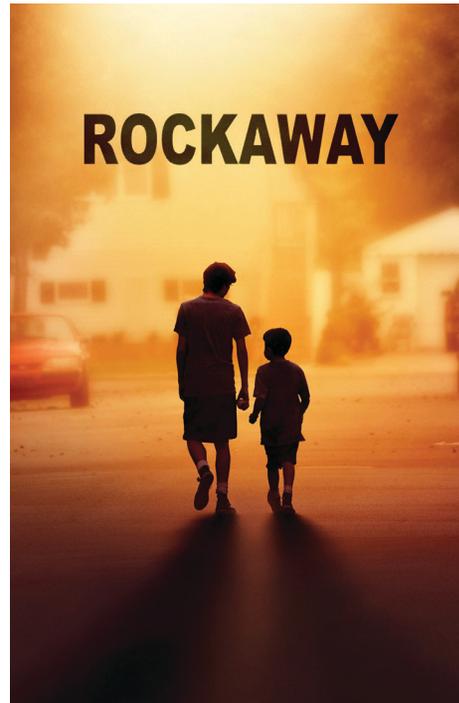

“Movie: Two Ways Home”

From director Ron Vignone (“Say I Do”) comes this 2019 drama that follows Kathy (Tanna Frederick, “Hollywood Dreams”), an ex-convict with bipolar disorder, as she tries to re-establish her relationships with her estranged daughter and cantankerous grandfather. Tom Bower, Joel West, Rylie Behr and Shanda Munson are also in the cast.

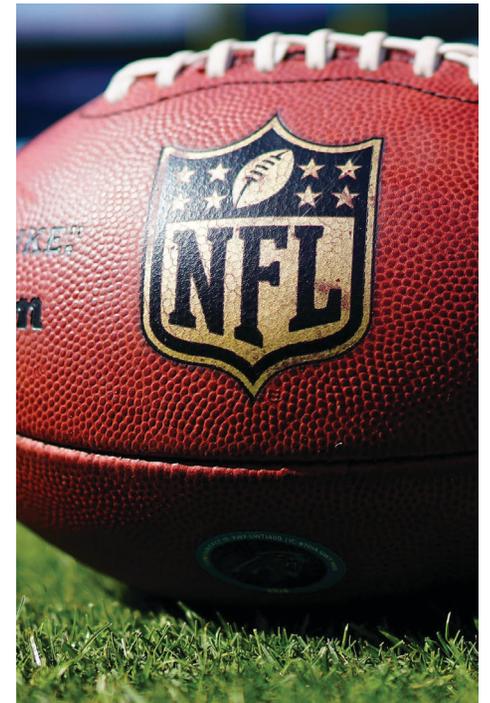

“Movie: The Best Exotic Marigold Hotel”

Several British acting veterans — including Judi Dench, who was guided to her “Shakespeare in Love” Oscar by this film’s director, John Madden — star in this tale of retirees who invest in a site in India where they intend to enjoy their retirement. Once there, they find the place isn’t in quite the lavish condition promised. Maggie Smith, Bill Nighy and Tom Wilkinson also star.

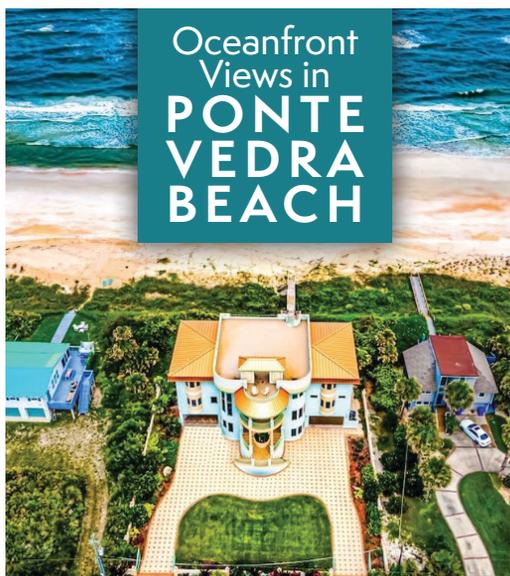

“Movie: Rockaway”

First-time filmmaker John Budion wrote and directed this 2017 coming-of-age drama that’s inspired by a true story as a New York man recalls the summer of 1994, when he and his brother plotted revenge against their abusive father. Keidrich Sellati, Maxwell Apple, James Di Giacomo and Tanner Flood head the cast.

“NFL Football”

The 17-game slate kicks off with a powerhouse AFC West match-up as Patrick Mahomes and the Kansas City Chiefs play host to Justin Herbert and the Los Angeles Chargers. Other noteworthy games include Miami Dolphins at Cincinnati Bengals (Sept. 29), New Orleans Saints at Arizona Cardinals (Oct. 20) and Buffalo Bills at New England Patriots (Dec. 1). Al Michaels and Kirk Herbstreit call the action. (ORIGINAL)

What's Available NOW On

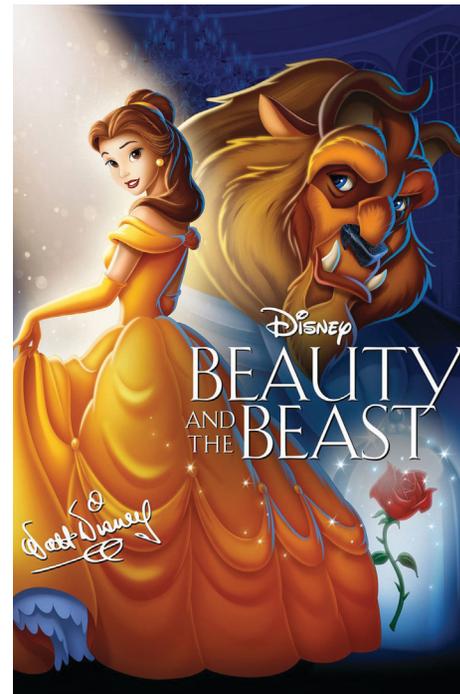

“Epic Adventures of Bertie Gregory” (Available now)

National Geographic Explorer Bertie Gregory takes viewers on epic journeys into the most spectacular and obscure corners of the wild world, along the way bringing viewers into animals' lives to capture the untold stories of iconic creatures living in some of the harshest environments on our planet in this unscripted adventure series. (ORIGINAL)

“Tierra Incognita” (Available now)

From Argentina comes this mystery series that follows Eric, a teen who runs away from the home he shares with his grandparents and sister to try to find answers about the disappearance of his parents eight years earlier in the abandoned park where they were last seen. Pedro Maurizi and Mora Fisz star. (ORIGINAL)

“Beauty and the Beast” (Available now)

This beloved 1991 fantasy puts its own spins on the familiar saga of a young woman (voice of Paige O'Hara) unexpectedly involved with a beastly creature (voice of Robby Benson). He's actually an accursed prince who needs true love to return to his former self. Angela Lansbury and Jerry Orbach also supply voices. The Oscar-winning score includes the title song and “Be Our Guest.”

“Thor: Love and Thunder” (Available now)

When galactic killer known as Gorr the God Butcher (Christian Bale) seeks to eliminate the gods, Thor (Chris Hemsworth) bands together with King Valkyrie (Tessa Thompson), Korg (Taika Waititi) and ex-girlfriend Jane Foster (Natalie Portman) to fight back in this action adventure flick from writer/director Waititi (“Jo Jo Rabbit,” “Thor: Ragnarok”). Russell Crowe, Chris Pratt and Dave Bautista also star. (ORIGINAL)
