PROFILE

Jefferson County By The Numbers

“Local People Making International Products”

We are extremely proud of the nearly 300 men and women who make Port Townsend Paper a great place to work. Our roots run deep in the community with many of our families spanning back several generations. Port Townsend Paper has over 91 years of continuous operation and contributes over \$660 million to the Puget Sound Economy every year. We aren't just great at making paper, we actually feed back into the community; donating our time and resources at local events like the Rhododendron Festival and the Jefferson County Fair. And our employees donate thousands of hours of their time to volunteering for community projects and service organizations throughout Jefferson and Clallam County. We are proud to be part of this community, OUR community!

We are Port Townsend Paper, your friends and neighbors!

Port Townsend Walking Map

PUBLIC TRAIL
NOT
MOTORIZED
VEHICLES

Walking is one of the best ways to get around and enjoy Port Townsend. This map was developed to assist both residents and visitors alike in discovering the many trails, shortcuts, side-walks and quiet streets that exist in the town. Port Townsend was platted in the late 1800s and these right-of-ways provide the opportunity for the city's existing trail network. The routes shown on this map are all within those city right-of-ways, easements or on public property.

The suggested walking tours below showcase the wealth of places where pedestrians can enjoy the beauty of our town. Whether walking to the store, school, park, a friend's house, or just getting out in the fresh air, we hope this map will guide you to the most pleasant and pedestrian-friendly routes.

— Port Townsend's Non-Motorized Transportation Advisory Board

- **Walk against traffic on roads with no sidewalks.**
