Sept. 9 MCHS vs. Tullahoma

For the past several years, Tullahoma has been the cream of the Class AAAA crop, highlighted by last year's state championship. A season ago, the Tigers mounted an incredible rally against the Wildcats, but came up just short of knocking off Tullahoma. The Tigers hope to snap a three-game skid in the series against the Wildcats and Marshall County gets the defending state champs at Preston Hopkins Field.

Coach Speak

"I'm as excited about this football team as I have been in about three or four years. We have some talent. At least at the moment, we're not putting many guys out there who aren't ready."

-Tiger coach Thomas Osteen
