Due to the rain, Bancroft's Memorial Day Service was moved into the Summit Center on Monday, May 27. The Bancroft American Legion stands at attention while Donna Schfelbein plays taps in the background. Speakers at the service were Pastor Jim DeWar from the First Baptist Church, Legion Auxiliary President Marie Kemna and Legion Commander Andrew Hellman.

The Bancroft Historical Museum was open to the public following the Memorial Day Service on Monday, May 27. On display was a video of photos of those, past and present, who have served in the military. Pictured are Bob Wilhelmi and Eileen Kadow, sitting, and standing was Tim Bernhard.

Bancroft Ambulance Department helping those in need when emergencies arise

By Kim Meyer

As EMS recognition month comes to a end, the Bancroft Ambulance Department won't stop their dedication to the residents of Bancroft.

The importance of the men and women who serve on the Bancroft EMS is unsurmountable to those who need them.

Elaine Davis, EMS President, explained, "If you have ever needed medical assistance, you understand that five minutes is a long time to wait for help. Our crew is en route within minutes to help."

She added that Bancroft will tier with a paramedic service if needed, but they are first on the scene to assist the patient.

"We are very lucky to continue with this valuable service in our town due to the low number of members to provide 24 hours service seven days of week to the town of Bancroft and the rural community. This is an invaluable service to have in a town our size with our elderly population and the large businesses."

Decreasing numbers is very worrisome to not only Bancroft but to all EMS departments. This greatly affects the quick response Bancroft is used too.

"Small numbers on the crew mean only minimal staff for a call at times. That is one driver and one EMT," Elaine explained.

"It is always good to have more help on any call, from auto accidents, farm mishaps to sick patients. Small numbers could mean the ambulance would go out of service because all crew members are out of town, working, or have other obligations."

Due to their lower number of members right now, Algona is co-paged with Bancroft's service on every call so if Bancroft does not have a crew or would need additional help, Algona is en route which would be a minimum of 15 minutes away.

The Bancroft EMS is continually asking for volunteers to join their service. Whenever a class is being organized, the EMS members have a brain storming session at their monthly meeting to talk about who is out there and who would do great things by joining the ambulance crew.

"The way to retain individuals, is to have a large enough crew that would allow everyone ample time off."

In the past year, upgrades to the Ambulance Service have been through grants and donations to purchase a Zoll AED.

"This is a great addition to our service. Along with the Blood Pressure, Heart Rate and other information, we are now able to get a 12 lead heart readout and have it ready for the hospital when we arrive," stated Elaine.

In the future, Bancroft would like to add a power load cot to their rig. "It is always on our mind, with a small crew, loading a patient can be very difficult."

Serving the community are: President: Elaine Davis EMT, Vice President: Kelly Deitering, EMT, Secretary: Melissa Arndorfer, EMR, Training Officer: Courtney Blocker, EMT, Rig Maintenance: Brett Deitering, Driver, Rich Coleman, Driver; Jeff Broesder, Driver; Tim Rowlett, Driver; Heather Goche RN Exemption.

In addition to these members, Bancroft currently has three ladies finishing up the EMT class. "I am excited for them to join our crew. I believe organizers are talking about another class in the fall, but nothing is certain."

If you are interested in becoming an EMT, you can contact the Bancroft city offices and they will direct you to an ambulance member.

North Kossuth School Department hears update on school maintenance issues

By Kim Meyer

North Kossuth's maintenance director Chris Stevens had to inform the board of a recent break - in of the football concession stand at the May 20 meeting.

The individual or individuals ruined two doors causing around \$2,500 in damage. The damage was turned into the district's insurance. Stevens stated that nothing was stolen since no items were being stored in the building.

Unfortunately, the school could not identify who did the break-in by viewing the school's security cameras.

With softball season beginning, Chris stated that he had to dig out a broken water line near the softball field. He replaced the water line along with the hydrant to hopefully prevent any other issues.

The storage shed used by the high school softball team is in dire need of assistance. The roof leaked causing damage to some of the equipment stored in the shed. It is estimated to cost \$3,000 - \$4,000 to fix. To purchase a replacement would be an estimated cost of \$4,500. The new shed would match the softball concession stand.

The board had decided to replace the shed several months ago but did not materialize due to several things including the weather. Board member Phil Albers commented that the district needed to finish the project as they had discussed at prior meetings.

Chris Stevens will begin the process of ordering a new shed.

Talks were held on where the shed should be temporarily placed due to wet conditions and not being able to access the corn or soybean field owned by Lyndon Johnson. Once crops are out this fall, the shed will be placed

in the same spot as the old shed. To access the old spot, the building will need to come through the corn field.

Superintendent Travis Schueller updated the board on recent happenings at the high school. The girls golf team finished third, missing the chance to play at state. Track season had six individuals participating at the state competition. Elliott Hagebock won the high jump in class 1A with a school record and person best jump of 6'6". Hope Steinberger placed seventh and Sam Nielsen placed eighth in the girls high jump. Also participating was the girl's distance medley and Brendan Anderson in the 200 meter dash.

The school had a 100% graduation rate. The last day of school will be Friday, May 31.

Building principal Julie Runksmeyer spoke about career day on May 22. Local individuals will speak to the students about their careers.

Sixth grade orientation was held on May 20 and eighth grade orientation was held on May 21. A science and health fair day will be held during the last week of school.

Julie informed the board that instead of distributing bags of food to students in need on Fridays, the district will now have a food shelf. She was asked by the food pantry if this change could be made.

Due to the resignation of head cook at the Swea City campus, there will be no summer food program. Mrs. Runksmeyer stated she is very disappointed that this service cannot take place this summer as she knows there is a need in the community. Both she and Superintendent Schueller will try and find a solution to the issue.

Summer school for students in kindergarten through fifth grade will be held July 15 - August 2. The

students needing assistance have been identified.

The resignations of Larry Jones and Maurice Blair were accepted. The two have driven bus for the district for a combined approximate 40 years.

Jamie Elbert, special ed para and Kerrie Hardman, head cook, also submitted their resignations.

Contracts for Tina Burton - eighth grade language arts, Lydia Schwartz - kindergarten, and Molly Albers - middle school volleyball and basketball were approved.

The board approved the operational sharing agreement of the following positions with North Union CSD for 2019-20. Travis Schueller - Superintendent, Business Manager - Erin Rogers, HR - Jennie Larsen, and Transportation Director - Nathan Hanson. This is a savings of \$140,000.

The board also approved the agreements to share teachers and staff with the North Union CSD for the 2019-20 school year.

The North Kossuth Support Staff Handbook and North Kossuth Certified Staff Handbook were approved.

Following an exempt session, the board approved the following:

- a contract for PK-8 principal Julie Runksmeyer in the amount of \$88,000.00.
 - contract for Jennie Larsen as Human Resource Director with a 4.00% raise.
 - contract with Adam Fisher for 2019-20 as Technology Director with a 2.94% raise.
 - contract with Chris Stevens for 2019-20 as Maintenance Director with a 2.94% raise.
- Next regular scheduled North Kossuth Board meeting is June 18th at 5:30 p.m.

North Union School accepts staff resignations

By Kim Meyer

The North Union School board accepted resignations of two teachers during their May 20 meeting. High school music instructor David Spender informed the board he has taken a job in Ankeny. High school English instructor Janet Wacht also submitted her resignation. Both were approved. NU Superintendent Travis Schueller has already started the process of replacing the two staff members.

Resignations were also approved for Gail Anderson as elementary cook and Kathy Dacken as a para and elementary library.

Alison Nicosen, who has been a special education para for many years, is now switching to become a special

education teacher. She submitted her resignation but will be back in the fall to student teach between the North Union and North Kossuth districts.

Forest Johnson will fill in the position of special education teacher for the first semester. During the second semester, he will then be a substitute for the district along with doing para educator duties.

Alison will then take over the teaching duties during the second semester.

The board approved the operational sharing agreement of the following positions with North Union CSD for 2019-20. Travis Schueller - Superintendent, Business Manager - Erin Rogers, HR - Jennie Larsen, and Transportation Director - Nathan

Hanson.

The board adopted the resolution for the Emmet County Multi-Jurisdiction Local Hazard Mitigation Plan.

Superintendent Travis Schueller updated the board on recent happenings at the high school. The girls golf team finished third, missing the chance to play at state. Track season had six individuals participating at the state competition. Elliott Hagebock won the high jump in class 1A with a school record and person best jump of 6'6". Hope Steinberger placed seventh and Sam Nielsen placed eighth in the girls high jump. Also participating was the girl's distance medley and Brendan Anderson in the 200 meter dash.

Bancroft Bandits, Shawn Ross and Tommy Reyes - Cruz, enjoyed their first meal at Wrangling Grace Cafe on Friday, May 24. They, along with their host family, Dave and Eileen Hagist, enjoyed Beef Tot-choes as part of the Beef Promotion that is sponsored by Farmers and Traders Savings Bank.

Obituary

Rachel Erin Thompson . . . 37

Funeral service for Rachel Thompson was held at the Immanuel Lutheran Church, Swea City on Saturday, May 25, 2019 with Pastor Seth Campbell officiating. At Rest will be held at the Harrison Township Cemetery, Swea City, Iowa at a later date.

Rachel Erin Thompson, 37, passed

away to God's loving arms on May 10th, 2019, in her Minneapolis, MN apartment from natural causes. The celebration service of Rachel's life will be held at Immanuel Lutheran Church, Swea City, IA, on Saturday, May 25, 2019. Interment will be at a later date at Harrison Township Cemetery, Swea City.

Rachel was born on February 22, 1982, to Robert and Martha (Holt) Thompson. She grew up on the family farm 3 miles west of Swea City. She was baptized, confirmed and remained a member of Immanuel Lutheran Church, Swea City. Active in the church, she loved helping with making lefse at the church's annual Scandinavian Fair starting when she was about 3 years old through post college years. In high school she attended youth groups at both Immanuel Lutheran and E&R churches.

Rachel loved helping in the garden, planting flowers, helping in the kitchen, and her favorite - puddle jumping in the rain. She showed a talent and love for art at an early

age. That love and talent shared with her all of life. She loved reading and by second grade was reading the Worldbook Childcraft encyclopedias from cover to cover.

All of her school years were spent at North Kossuth Community School where she graduated as valedictorian with the Class of 2000. In high school she was a member of the National Honor Society, newspaper staff, band and chorus and received numerous music awards including the John Phillips Sousa award her senior year. She took art throughout high school under Dan Sorenson. She received numerous art awards over the years. She was nominated and attended the National Youth Leadership Conference in Washington, D.C. her senior year, as well as being nominated and attending the Minnesota Ambassadors of Music on a three-week tour of Europe.

Rachel went on to Iowa State University, Ames, IA, and graduated with a B.A. in Graphic Design with post-graduate studies. Her artwork was chosen to be in several art shows at ISU. Being the very pragmatic and logical person that she was, she did not want to be just an "art person". So she joined the ISU Marching Band and Concert Band and fully loved it all four years. To further round out her life, Rachel became involved with martial arts under the

instruction of Master Kung, where she found a full complement of lifelong friends. She attained a black belt in Hapkido of which she was extremely proud, won the National Collegiate Judo Competition in her weight class her junior year, and received several awards for her work within the martial arts program.

After leaving ISU, she went to work for Walmart in St. Paul, MN, then got a job with Children's Cancer Research Fund as a graphic designer. Rachel thoroughly loved her job at CCRF, the people she worked with, plus the idea of working for an organization that was doing so much to help fight against children's cancer.

Rachel was one of those rare people who could make friends and keep that friendship going for years. Her friends and family repeatedly talk about her being someone with a true light - a ray of sunshine, caring, loving, talented, smart, funny, and able to make people feel good.

Surviving Rachel are her parents, Rob and Martha (Mart), her brother, William (Ashley), niece, Alexia Escobar, and nephew, Bryce Thompson, all of Swea City. Aunts and uncles, Priscilla Jacobson (Iowa City), Mary Anne and Scott de Vry (Seattle, WA), Rachel and George Shidler (Ankeny, IA), Kristy Thompson Anderson (Frost, MN), Jean Thompson (Indianapolis, IN),

and several cousins.

Waiting to welcome her into their arms were her grandparents, Wayne and Marrian Thompson, Merle and Frances Holt, uncles, Jerry Thompson, Glenn Jacobsen, Peter Holt and aunt, Dianne Holt.

Online condolences may be left for the family at www.henryolsonfuneral.com

Trustees set tuition at Iowa Lakes for upcoming year

The Iowa Lakes Board of Trustees approved tuition and fees for the 2019-2020 school year during their regularly scheduled meeting on Tuesday afternoon in Spirit Lake.

The Trustees approved to set in-state tuition at \$183 per credit hour, while non-residents paying \$188 per credit hour. Online course fees will be \$189 per credit hour. International students will pay \$194 per credit hour.

An additional highlight of Tuesday's meeting was the presentation on the Dickinson County RSVP (Retired Senior Volunteer Program) provided by Patsy Donovan, Dickinson County RSVP Coordinator. The RSVP program is a federally funded grant program and has been housed on the five campuses of Iowa Lakes Community College since 1977.

"Our program consists of 116

volunteers, who range from 50 to 93 years of age and are actively involved in a variety of volunteer activities. Some of these volunteer activities include providing transportation to doctors' visits, assisting with mailings, and mentoring and pen-pal programs in the Okoboji and Spirit Lake School districts," said Donovan.

Donovan shared more details about the pen-pal programs and stated, "Our pen-pal program provides our volunteers with the opportunity to be paired up with a student in the fall. Once paired up, volunteers and students trade letters back-and-forth. Then in the spring, a party is held, and our volunteers and the students finally get to meet and often remain in contact."

In other action, Robert Leifeld, Vice President of Administration, presented the list of Spring Graduates,

which was approved.

Delaune Hiney, Executive Director of Facilities Management, was granted board approval to renew the college-wide multi-jurisdictional hazardous Mitigation Plans.

She also reminded the Board that contractors will soon be on campus to upgrade the dorm access system and to install a new card access system that will require a photo ID card for campus entry.

"The system will allow us to quickly change a person's access rights to the college and dorms, creating a more secure environment," said Hiney.

Jolene Rogers, Executive Director of Community and Business Relations, presented that Iowa Lakes was awarded their entire request for \$171,000 from the Iowa Economic Development Authority for Accelerated Career Education programs. These funds will be used to expand Emergency Medical Services programs and will create a new Renewable Energy Technician non-credit training program focused on

Produce Growers Offered Free Water Testing

Rural growers can get a head start on knowing what's in their water, before regulations take effect.

AMES, Iowa – Produce growers who want to get their water tested can do so for free, thanks to an effort by the Produce Safety Team at Iowa State University Extension and Outreach, which is providing five drop-off dates and locations across the state.

Some producers are required to have their water tested, depending on the size of operation and the source of water, in order to comply with the federal Food Safety Modernization Act. Others may wish to test their water to be precautionary, in case there are any issues.

Since testing is limited in rural areas, Iowa State Extension and Outreach is sending test cups to county extension offices and farmers markets across the state. Producers should use one cup per water source, and can submit multiple cups if they have multiple water sources.

Producers must follow all collection directions, being sure to mark the time on each sterile cup, and delivering the cup to the drop-off location within

three hours.

Members of the On-Farm Produce Safety Team will receive the samples at the drop-off locations and return them to the ISU lab in Ames. Testing and results will be completed in about a week's time.

"This is important for rural growers because water testing is going to be required by the FSMA, and there are very few labs in the state that are performing the required test," said Dan Filius, food safety educator with ISU Extension and Outreach.

Filius said FDA has pushed back the compliance dates to 2022 and beyond, depending on the size and classification of each producer. However, he said testing makes sense now, so growers can be prepared and take appropriate actions to improve their water quality, if necessary.

Growers who use public and municipal water do not need to do this test. Growers do not need to belong to a farmer's market to drop off samples, and growers from any county are welcome to use the service. The three-hour delivery of collected samples is critical.

Drop-off locations

Algona: July 24, 2-4 p.m., corner of Dodge and Nebraska streets

Atlantic: June 25 and July 23, 4-6 p.m., 1200 E. 7th St., Orscheln Farm & Home parking lot

Spartans ink Hagedorn for 2019-20 season

The Southwestern women's basketball team picked up a big addition for the 2019-20 season.

Southwestern Head Women's Basketball Coach Bryan Austin announced today the signing of Samantha Hagedorn.

Hagedorn, the daughter of Roger and Carol Hagedorn of Bancroft, graduated from North Union High School in May 2018.

At North Union, Hagedorn was a three-time first-team all-conference selection and a three-time first-

team all-area selection. Hagedorn surpassed the 1,000-point mark for her career. As a senior in 2017-18, Hagedorn ranked second for North Union with 14.8 points per game, including 46 made 3-pointers. She also grabbed 100 rebounds, dished out 113 assists and collected 66 steals, as North Union advanced to the Class 2A state semifinal round. Additionally, Hagedorn received first-team all-academic honors all four years of high school.

Hagedorn played the 2018-19

season at Iowa Lakes Community College, where she started all 31 of the Lakers' contests. She ranked third on the team in scoring at 12.7 points per game, making 2.5 3-point attempts per game to lead the team. Hagedorn averaged 4.5 rebounds, 1.7 assists and 1.1 steals per game for the Lakers, while averaging 16 minutes per game.

"We are excited about Sam joining the Spartan family," Austin said. "She has very strong academics and will add the deep ball threat to our team."

Brendan Anderson dives back to third base safely. But with a wild throw from the Belmont-Klemme catcher, Anderson ran home to score for the North Union Warriors.

Bishop Garrigan Golden Bears place 3rd at state

By Greg Grabianowski

Bishop Garrigan finished in third place overall at the rain-shortened Class 1A golf tournament. The tourney was completely washed out on Friday with Thursday's scores determining both where the teams and individuals finished.

The black-and-gold had a team total of 344 after the first day which was only topped by Harris-Lake Park's score of 322 and Grundy Center's total of 325 in the tourney played at the Westwood Golf Course in Newton .

Westwood Sloan was fourth with a 351 followed by Newell-Fonda with a 356, Sigourney shot a 357, Iowa Valley Margeno had a 359 and Exira/Elk Horn-Kimbalton rounded out the eight-team field with a 364.

Andrew Arndorfer had the low score individually with a 39-38—77 to finish in a tie for fourth place, the second straight year the junior has earned a top medal at state.

Arndorfer started the day with a birdie on Hole No. 10, but recorded a double bogey on 11 and a bogey on the 12th hole. The Golden Bear junior then rattle off five straight pars before bogeying Hole No. 18 for his 38 on the back nine.

Andrew had a par on Hole No. 1, but bogeyed both 2 and 3 before rebounding with two straight pars. He bogeyed Hole No. 6 and finished the day with three consecutive pars coming for a 39.

"I started off great with a birdie, but went double-bogey-bogey after that before paring five straight holes," said Arndorfer after his first round. "I did not hit a green the second nine holes. The greens were rolling really well and I probably should have scored a little better than I did."

Kyle Schaaf was next for the Golden Bears with a 43-42—85 to place 20th overall while teammate Grayson Rowlet was 26th his score of 43-46—89. Schaaf recorded seven pars as Grayson had two birdies along with a pair of pars.

Adyn Rowlet had the final counting score for Bishop Garrigan as he had rounds of 48-45—93 and ended up in 33rd place with three pars among his 18 holes on Thursday.

The non-counting scores for the black-and-gold was a 56-54—110 for 52nd place by Joey Schumacher and Jacob Leerar carded a 59-54—113 for 56th place overall on Thursday.

"I am proud of the guys for placing third," said Golden Bear head coach Jared Montag. "We are also very happy that Andrew earned another medal and that Kyle finished in the

in the top of the seventh frame in the win.

Noah Morphew led the winners at the plate with two hits, including a triple and Braden Pierce also added a pair of hits. Rounding out the eight hit attack with singles were Elliott Hagebock, Robert Ortman, Avery Krantz and Parker Eichenberger.

Both Hagebock and Eichenberger touched the plate three times as Keagan Boland and Isaac Engeman scored twice with Brendan Anderson, Krantz and Morphew each crossing the plate once.

Morphew knocked in four RBI with Hagebock chasing home three, Pierce drove in a pair along with one RBI each from Ortman and Krantz in the contest.

Pierce tossed the first 6 1/3 frames to earn the victory on the bump as he allowed two runs, one earned, on four hits while fanning 12 and walked four batters. Morphew pitched the final 2/3 of an inning with one base-on-balls.

top 20 individuals.

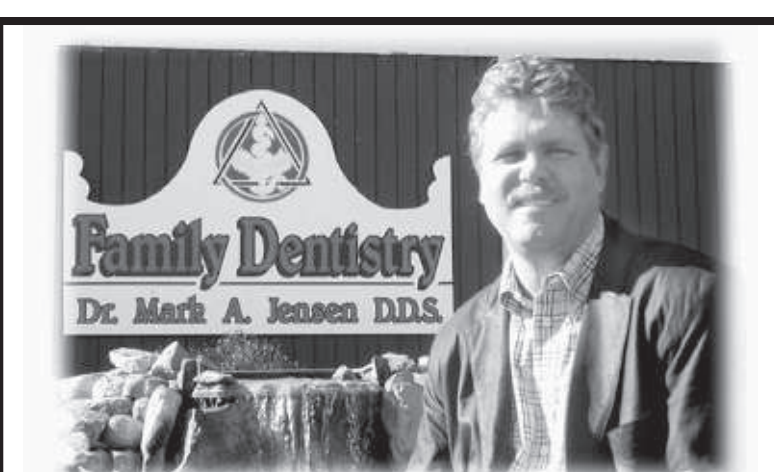

"We were looking to play well again on Friday, but that did not happen. We registered our best team total of the season on Thursday, but the guys thought they all left some strokes out there. They golfed the best they could today and that is we can ask for as their coaches."

Warriors shutout by Emmetsburg 9-0

By Greg Grabianowski
North Union was limited to just two hits as the Emmetsburg E-Hawks shutout the green-black-and-silver by the score of 9-0 in a non-conference baseball contest played in Emmetsburg on Thursday, May 23.

The E-Hawks started fast with two runs in the bottom of the first inning, added three more in the second frame and one in the third inning. The home team added three insurance runs in the fifth to seal the win.

The only hits for the Warriors were singles from Noah Morphew and Jay Heinen. Robert Ortman pitched the first four innings with Elliott Hagebock tossed the final two frames.

Ortman gave up six runs, three of them earned, on two hits while fanning seven but issued seven base-on-balls. Hagebock allowed three runs, one earned, on one hit with two strikeouts and walked two batters.

Green Devils edge North Union 1-0

By Greg Grabianowski
Osage nipped the North Union Warriors baseball team 1-0 in a well-played Top of Iowa Conference contest played on Friday, May 24 in Bancroft.

The Green Devils scored the only run of the game in the top of fifth inning in the game. Hits were hard to come by in the contest as Osage had three and the Warriors were limited to a single from Braden Pierce.

Noah Morphew was the tough luck loser on the hill as he pitched the first 6 2/3 innings. He allowed one earned run on three hits while fanning nine and walked six as Brendan Anderson came in get the final out for the green-black-and-silver.

North Union first baseman Shawn Person catches the throw to get the out against Osage during their conference match up on May 24.

Osage out-slugs Warriors 16-14

By Greg Grabianowski

Osage exploded for six runs in the top of the seventh inning to rally to pull out a wild 16-14 Top of Iowa Conference softball game played in Swea City on Friday, May 24 over the North Union Warriors.

The Warriors had just regained the lead at 14-10 in the bottom of the sixth frame with a seven-run outburst before the Green Devils rallied for the victory.

Katelyn Thackery led the green-

black-and-silver at the plate with three singles as Olivia Von Bank belted a home run and ripped a double in the contest.

Both Hope Steinberger and Ariel Olson had a single and a double; Maddie Rolling laced a double and Shawna Person and Victoria Laubenthal each added a single in the 12-hit attack.

Olson knocked in four RBI for North Union with Von Bank chasing home three, Rolling drove in a pair of runs and Steinberger had one RBI in

the game.

Steinberger crossed the plate three times while teammates Von Bank, Thackery and Rolling all scored twice along with one run each from Ella Ulrich, Samantha Nielsen, Kaylee Tirevold, Cassie Beadle and Person.

Rolling absorbed the loss in the circle, throwing all seven innings. She allowed 16 runs, 10 earned, on 11 hits while fanning six, but issued 10 base-on-balls and hit one batter.

Emmetsburg defeats Warriors 6-3

By Greg Grabianowski

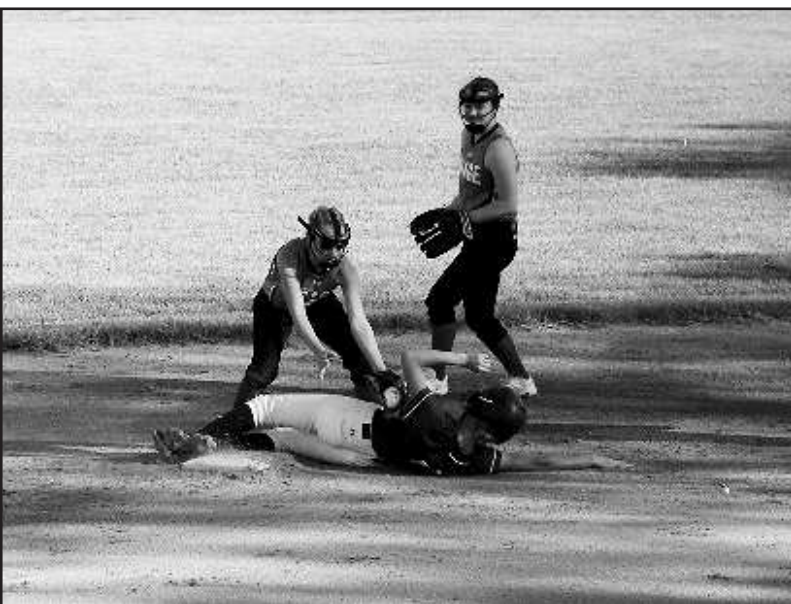

Emmetsburg broke a 2-2 tie with two runs in the fifth inning and tacked on two more in the sixth frame to earn a 6-3 non-conference softball victory over the North Union Warriors in a game played on Thursday, May 23 in Swea City.

The green-black-and-silver scored twice in the bottom of the fourth inning and added another run in the bottom half of the fifth frame in the contest.

Both Hope Steinberger and Shawna Person had a pair of singles to lead the Warriors at the plate while teammates Ariel Olson and Kaylee Tirevold added doubles and Olivia Von Bank had a single.

Victoria Laubenthal, Maddie Rolling and Katelyn Thackery each scored once in the contest as Tirevold knocked in two RBI and Olson chased home one RBI.

Rolling pitched the first four innings, giving up two runs, one of them earned, on no hits with five strikeouts and walked four, Person hurled the final three frames as she allowed four runs, three of them earned, with on walk and one strikeout.

Hope Steinberger safely steals second base during North Union's game against Osage. Steinberger scored three times during the night.

Getting a little dirty and sliding into third base was North Union's Samantha Nielsen.

Warrior girls defeat Broncos 12-5

By Greg Grabianowski

North Union used two big innings to hand Belmond-Klemme a 12-5 Top of Iowa Conference softball loss in the season opener on Wednesday, May 22 for both squads in Belmond.

The Warriors plated four runs in the top of the fourth inning to rally from a 2-0 deficit and added seven more in the fifth and one in the sixth inning for the victory.

Ariel Olson had a big night at the plate with four hits while teammate Katelyn Thackery added three hits, including a double and Maddie Rolling added three singles.

Rounding out the 13-hit attack for the green-black-and-silver with one single each was Shawna Person, Olivia Von Bank, Kaylee Tirevold and Cassie Beadle.

Brynn Olson, Vanessa Von Bank and Ariel Olson each scored twice as Hope Steinberger, Samantha Nielsen, Olivia Von Bank, Ella Ulrich, Tirevold and Person all touched the plate once. Thackery knocked in a pair of runs while Ariel Olson and Rolling each chasing home one.

Pastor's Message

Pastor Jim Dewar • First Baptist Church • 201 S. Portland St. Bancroft, IA 50517

"This Do In Remembrance Of Me"

The recent Memorial Day observance in the United States of America is a time when we as Americans pause and remember our nation's war dead. On that day we are remembering the men and women who, while serving in the Armed Forces of the United States, died in securing and keeping our freedom.

In the Bible we read the phrase "This Do in Remembrance of Me". Those are the words of Jesus and He is instructing His disciples in what we call communion. Communion is also called the Lord's Table. In the Gospel of Luke we read, in chapter 22 and verses 19 & 20 "And he took bread, and gave thanks, and brake [it], and gave unto them, saying, This is my body which is given for you: this do in remembrance of me. Likewise also the cup after supper, saying, This cup [is] the new testament in my blood, which is shed for you." In the verses above, Jesus is speaking and is instructing the disciples how to remember His death. Isn't that a little interesting when you think about it? I mean, who would forget what Jesus did on the Cross? The answer to that question is: the same people who forget a birthday, an anniversary or appointment. In other words, we all forget sometimes! So, what are we to be remembering? We are to remember the sacrificial substitutionary death of Jesus Christ on the Cross for our sins. Why did Jesus come to earth? The answer to that question is found in Matthew 1 when the angel of the Lord spoke to Joseph in a dream about the child that Mary was carrying. Matthew 1:21 "And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their inisins." In Romans 10:13 the Bible says "For whosoever shall call upon the name of the Lord shall be saved." Have you ever asked Jesus to be your Saviour? In the Gospel of Luke 19:10 we read "For the Son of man is come to seek and to save that which was lost." According to the Bible we are all lost and in need of Salvation. That is what it means here in Romans 3:23 "For all have sinned and come short of the glory of God." We are all lost sinners in need of salvation and only Jesus saves. Titus 3:5 reads "Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost." Ephesians 2:8-9 "For by grace are ye saved through faith; and that not of yourselves: [it is] the gift of God: 9 Not of works, lest any man should boast." Bible salvation is by grace alone through faith alone in Christ alone.

So, Jesus' coming to earth was to be the Saviour. He was the spotless Lamb of God and the only one that could pay the penalty of our sin. We had a debt we could not pay, He paid a debt He did not owe. In I Corinthians 15:3 we read "For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures." Christ died for our sins, because of our sins. And Jesus says that the bread of communion is a symbol of His broken body. The cup of communion is a symbol of the blood that He shed. So we are remembering that Jesus, the Son of God, came to earth to die on the cross. The Bible calls the cross a curse ("cursed is everyone who hangs on a tree"). In I Peter 2:21-24 we read, "For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps: Who did no sin, neither was guile found in his mouth: Who, when he was reviled, did not again; when he suffered, he threatened not; but committed [himself] to him that judgeth righteously: Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed." The verses above tell us of Christ's suffering; His sinlessness; and also Him bearing our sin. This is what Christ did and this is what we remember. May we never forget!

Bancroft Museum Memories

By Marjorie Fitzgerald
I hope that you will enjoy these two pictures which I have chosen to share with you this week. It will be our last visit to Droessler's Market when it was newly expanded and remodeled in 1956. Dan Mc Gee and Butch Droessler were pictured standing behind the refrigerated meat counter. Do you see the ground hamburger, the plump sausages and other items all prepared fresh for the customers? I was amused to see the coloring books displayed at the end of the counter. Were they placed there to tempt the children while Mom was placing her order?

In the second picture, Dan was carefully placing the refrigerated quart bottles of milk in the glasserated show case. It appears to me that he may have been whistling while he worked. Handling all of those returnable bottles was quite the chore in those days. I like checking the prices visible in this picture. Were 46 ounce cans of Libby's Tomato Juice really only three for eight cents? Butter was sixty six cents a pound. Those prices seem unbelievable, but we must remember that the money we had to spend wasn't that much either.

Dan McGee with his quick Irish wit and his ability to exchange friendly banter with the customers was a valued employee. He was a capable meat cutter, and there were unlimited opportunities for him to use his talent. His daughter, Dianne, recalled that when he prepared the pork chops, he would saw through the bones, but would cut the meat with a knife. Sawing through the meat would get small fragments of bone on it, and he would have none of that!

Originally from a farm near Fairmont, Minnesota, Dan came to work on a relative's farm in the Bancroft area. He met perky, dark haired Doris Hunt at a dance in Bancroft. Doris was the daughter of Alvah and Cora Hunt. Alvah was a most successful moving contractor and at one time employed twenty men.

Dan and Doris were married at St. John's Catholic Church. For a few years they lived at Fort Dodge,

Fairmont and Estherville where Dan worked. Eventually, they moved to Bancroft where they remained for the rest of their lives. They were blest with four daughters, Doris (Mrs. Robert Acla), Donna (Mrs. Harvey Boeckholt), Denise (Mrs. Roger Wilhelm), and Dianne (Mrs. David Schiltz).

Dan retired at the age of 65, but being a "people person", it wasn't long before he was working for Garry Funeral Home, assisting on ambulance calls and serving as greeter for funeral services.

A talented harmonica player and story teller, he became a popular entertainer at many local events. He spent the last two years of his life with his wife, Doris, at the Heritage Home in Bancroft. He loved his life there, because as I stated earlier, he was a

"people person". And there were many people there with whom he could visit. He died in 1994, just short of his 94th birthday.

Help preserve Bancroft's heritage. Support your local museum.

Addendum: If you would like to read more about Alvah and Cora Hunt, true pioneers of the Bancroft community, I suggest you check page 66 of the Bancroft Centennial Book. There are two copies in the Bancroft library.

And now, I need to make a correction of my May 15th column. The picture was of the three first cousins who graduated from St. John's on the same day. Betty Doyle's flower girl was not her sister, Marilyn. It was her little sister, Marilyn. Marilyn was only three years younger than Betty. Thank you, Karen and Jan for helping get it right!

Kidstop Preschool in Bancroft held their Preschool Graduation on Thursday, May 23 in the Summit Center gymnasium. The young graduates sang songs to their families and friends before being presented their diploma.

Residents of Bancroft were invited to share their thoughts at a round table discussion regarding incentives to attract new business, ideas to help our current business thrive and Housing-Are we in need and what can be done on Wednesday, May 15, 2019 at 6:00 PM at the Summit Center. Facilitator was Mark Reing, from Iowa State, who lead the group in discussion. Those attending brainstormed many ideas about how they and others can help improve Bancroft and move forward to continually attract new businesses, retain current businesses as well as attract and retain residents of Bancroft.

The driver of the second vehicle, Paul Doerning of Bancroft, sought his own treatment for minor injuries...Joe and Doris were honored at a surprise party hosted by their children on the occasion of their 40th wedding anniversary.

Fifty Years Ago June 4, 1969

Work has begun on the grading of lots and streets in the new Murray addition in southeast Bancroft, by Doyle Construction of Bancroft and Bud Lee of Lone Rock. Construction will begin soon on the new 2 bedroom home of Mr. and Mrs. Leander Menke. Eugene Elsbecker is the building contractor...Mr. and Mrs. Wayne Lynch and family of Fenton have moved to Estherville, where they have purchased a home. Mr. Lynch is the Emmet County assessor...The seven sisters leaving St. John School after this school year and Mrs. Eileen Kadow who is also leaving, were honored at a farewell party in the Home Arts room after school on Wednesday. The sisters leaving include Sister Rosaire, Sister Clara, Sister Lois, Sister Angelita, Sister Rose Marie, Sister Lucentia and Sister Elizabeth.

Seventy Years Ago June 2, 1949

Maybe it took a crowd to make the Bancroft Lions turn in their best baseball. Anyway, Bancroft Memorial Park was jammed to the rafters - and then some - Sunday night when 2,000 fans watched one of the finest exhibitions of baseball seen in many years. In fact, it was a perfect ball game in every respect, that is if you are a Bancroft Lions booster. Both Bancroft and the Original House of David from Benton Harbor, Mich. played errorless ball as the locals downed the visitors 5-1...The Rev. Urban J. Kramer S. J., the son of Mr. and Mrs. F. J. Kramer, formerly of Bancroft, will say his first Mass here at St. John the Baptist Church in Bancroft. Father Kramer will be ordained to the Sacred Priesthood by the Most Reverend Ignatius Glennie, S. J. on June 14 in the Chapel of the Immaculata. St. Mary's College, St. Mary's Kansas.
