3 Nice Sized Ponds, Spring Fed Creek and it Borders Deer Creek! If you are Looking for a Farm that Has It All, this is the Farm for You!

the Farm. Also, Attached to Property is a Cattle Corral, Livestock Shelter Building, and livestock Chute. Not Only is it a Great Cattle Ranch but it is Second to None for Hunting Potential! Trophy Bucks have been Harvested and Come Through this Farm Very Often and the Wild Turkey Population is Unbelievable! Looking Over the Property, I saw 40 Plus Turkeys and Several Deer Throughout! Trails are Made Through Timber to Make it Convenient for Hunters. You Will Not be Disappointed When You Come Look at this Farm! If you would like to schedule a private showing please contact **Trenton Scott with Missouri Land Company @ 660-351-3201. Thank you!**

Miller County-298 Acres \$819,750

Century Farm now on the Market! Located a short thirty minute drive from Lake of the Ozarks is this working cattle ranch that provides one hundred fifty plus acres of improved pasture and one hundred forty plus acres of hardwood timber.

Eight ponds for the cattle and wildlife, a wet weather creek, two deep wells that provide water for the freeze proof concrete water tanks. The farm is very easy to see using the numerous trails. A thirty foot by forty foot concrete floor, steel truss building with electric and water will provide storage for your farm machinery. The historic barn with corral and silo will provide additional shelter or hay storage. A former turkey barn is also available for use.

This property would be an ideal investment opportunity as a three phase electric line crosses the entire tract. There are multiple access points along the one and one half mile of State Hwy U road frontage. This property is bordered on the East and North by State Hwy U. Deer and Turkey are abundant, you won't have any trouble filling your tags. The seller mentioned the harvest of a sixteen point Buck on the property, his personal best was a twelve point Buck, and indicated many eight and ten point bucks seen. The land has many hidden small clearings that would make ideal food plot locations, and the timbered ridge is sure to see a lot of traveling buck action during the rut. Many pinch point locations to choose from for your tree stands. Farms like this do not make the market very often, so schedule a showing soon. Shown by appointment only, call **Sonya Ballard at 573-308-8253 or email at sballard@missourilandco.com or call Danny L. Miller at 573-528-1489 or dmiller@missourilandco.com**

The owner indicates the improved pasture ground will support one hundred cow/calf pair. The grass is made up of fescue, timothy, orchard grass and clover.

Toll FREE number for both locations 844-974-1850
