YOUR LAND AND FARM EXPERTS!

Pulaski Co-178 Acres

\$623,000

The Redding Lane Gasconade River farm is one you won't want to miss. This property provides a very good mix of hay fields and pasture on the ridges, plenty of upland habitat for the small game such as rabbits and bobwhite quail, fertile river bottom soil for row crops, and mature hardwood timber in the valleys. Whitetail Deer and wild turkey habitat is excellent on this farm and could be further improved with selective positioning of food plots to compliment their acorn diet and browse. Wild turkey are plentiful and would also benefit from new food plots. This farm would be an ideal candidate for Quality Deer Management practices. There are many outstanding locations for a new home or weekend cabin. One of the best spots on the property is where the old home place is located. The view of the river bottoms is second to none. A drilled water well is in place and electricity is available. One thousand feet (approx..) of river frontage along the northern portion of the property will provide endless hours of fishing and relaxation. There you will find a boat launch at the lower end of the deep eddy for your jon boat, canoe, or kayak. Bring your camper as the owner has a spot cleared above the river for weekend camping trips. This property also provides river frontage along a portion of the southern boundary and there was mention of a cave in the bluff above the river. To schedule a showing call Danny L. Miller at 573-528-1489 or Mike Stoner at 573-774-9775.

Camden Co-5.8 Acres

\$89,000

A private little country home surrounded by 5.8 acres. 600 feet of beautiful Creekside frontage can be seen from the ridgetop field that over looks the property. There are several walnut trees throughout that add character to the landscape. A 30x50 metal shop also sits on the property, built in 2001 the building has a concrete floor as well as water and electric to it. An Old Barn that has been renovated to a house sits right on the creek. The House has some incredible features such as wooden beams, wagon wheels as accent pieces and a large rock fireplace. There are concrete floors throughout and a loft area. A little TLC and brush cleared is all it would take to uncover this one of a kind home. Call Shannon Curnutt for your private showing today. 573-525-1762.

Camden Co-less than 1 Acres

\$69,500

Looking for that weekend getaway at the Lake of the Ozarks? This offering is at the 12 mile marker in the McCain's Cabins area of the Lake of the Ozarks. The furnished home is well kept with lots of updates to include a recently added metal roof. The storage shed provides room for your side by side and lawn equipment and the big front deck has a great view of the lake. When you leave the boat slip its only a ten minute boat ride to the party cove or less time to your favorite fishing cove. Additionally, there are two boat launch points for your use. The home sits on a leased lot that will transfer to the new home owner. Yearly dues are \$1800.00 and include well water. Properties like this aren't available often so don't wait to view this property. Call Danny Miller at 573-528-1489 or email dmiller@missourilandco.com to schedule a viewing.
