### Dark Rum Pecan Pie

Paula Deen gives her pecan pie a deep, rich flavor by adding dark rum.

- 1 cup sugar
- 3 tablespoons butter, melted
- 1 1/2 - 2 cups pecan halves
- 3 large eggs, beaten
- 1/2 cup dark corn syrup
- 2 teaspoons dark rum
- 1 9-inch deep-dish pie shell, unbaked

1. Heat oven to 375 F.
2. In a large bowl, mix sugar and butter until well-combined. Add pecans, eggs, corn syrup and rum; stir until well-combined. Pour pecan mixture into an unbaked pie shell, and place on a heavy-duty cookie sheet.
3. Bake 10 minutes. Reduce oven temperature to 350 F, and bake 25 minutes longer, or until filling is set around edge but center jiggles slightly. Cool completely on wire rack. Makes 6 to 8 servings.

• Each serving: About 430 calories, 26g total fat (5g saturated), 6g protein, 46g carbohydrates, 2g dietary fiber, 74mg cholesterol, 165mg sodium.

HOLY SPIRIT, You who  
solve all problems. You light  
all roads so that I can obtain  
my goals. You who give me the  
divine gift to forgive and forget  
all evil against me and that in all  
instances of my life, you are with  
me. I want in this short prayer to  
thank you for all things and to  
confirm once again that I never  
want to be separated from you  
even and in spite of all material  
illusions. I wish to be with you in  
eternal glory. Thank you for your  
mercy towards me and mine. Say  
for three days. After 3 days the  
favor requested will be granted  
even if it appears difficult.  
This prayer must be published  
immediately after favor is  
granted without mentioning  
favor. Thank you Holy Spirit.

"Food Fresher than the Cook!"

402 Washington St. Coventry  
401-828-8300  
www.sherriscomealonginn.com  
Open Tues. - Sun. 11:30am

Welcome to Sherri's Come Along Inn, where our "Food is Fresher Than the Cook"! Sherri Delfino is the inspiration behind this concept, an unlikely hole in the wall, which strives to serve the "best you've ever had" food.

The Come Along Inn has a long, storied history and is revered by locals who wax on about the good ol' days. It once operated as a men's only Tavern, where the wives had to come in the side door to pick up their husbands who were playing cards. It was also a place where folks could come and meet Jonny Pinto to buy tickets to concerts, and more. It also operated as a local bar with food prepared by Chef David Spirito in a very tiny kitchen. Since then, several proprietors have maintained it as a local watering hole with not much love put into its appearance or food. The bar became available in 2017 and it was pretty tired and run down - to say the least. It needed a makeover so we took almost a year and renovated the inside to brand new condition with a large bar and enough kitchen space to run a professional operation.

When this opportunity came up, I knew we had to try this project because of what I've seen in Sherri through all of her cooking I've eaten over the years and detailed stories I've heard about her and her family's food

related experiences. Sherri was immersed in cooking at an early age. She was trained to cook by her mom, who just happened to be the best naturally talented cook in town, taught by her own mother and has passed that talent down. She was always in the kitchen learning by her mom's side from the time she could walk. Taught the "old school" way by her Italian-Swedish mom and grandmothers, they cooked for their entire family and the entire town, sending care packages here and there to family and friends. Stories float around about hundreds of Hungarian hot peppers stuffed and given away, feeding what seemed to be a whole campground, while working at the Foster Country Club on the line next to Chef David Spirito, and also sacrificing her summers to help run a spot with her mom in Bonnet Shores. If you have the good fortune to know her as I

do, I hope you'll agree her magnetic personality, presence and cooking expertise are what makes this Tavern a comfortable and inviting place to be.

You'll usually find Sherri at the Tavern cooking, cleaning, working closely with our excellent staff to figure out specials for the day and week and caring for our patrons daily. Arriving in the morning to whip up a Pasta e Fagioli, she loves to cook and we have very high standards when it comes to the food being prepared in our kitchen. Our secret is simple, make it the best you've ever had or we will work tirelessly to ensure it is! We thank all of you who have come to Sherri's Come Along Inn to try our food and hope to see you again soon! Take Care, and God Bless.

THE HISTORY CHANNEL

• On **June 30, 1859**, Emile Blondin becomes the first daredevil to walk across Niagara Falls on a tightrope. The feat was witnessed by some 5,000 spectators. Blondin wore pink tights and a yellow tunic, and carried a balancing pole.

• On **June 26, 1917**, during World War I, the first 14,000 U.S. infantry troops land in France. By the war's end on Nov. 11, 1918, more than 2 million American soldiers had served on the battlefields of Western Europe, and more than 50,000 lost their lives.

• On **June 25, 1950**, in one of the greatest soccer upsets of all time, an American team composed largely of amateurs defeats its more polished English opponents, 1-0, at the World Cup in Brazil. Assembled just days before the match, the U.S. team included a dishwasher, two mailmen, a teacher and a mill worker.

• On **June 29, 1964**, two dozen New Zealand Army engineers arrive in Saigon as a token of that country's support for the American effort in South Vietnam.

• On **June 28, 1972**, President Richard Nixon announces that no more draftees will be sent to Vietnam unless they volunteer for such duty. He also announced that a force of 10,000 troops would be withdrawn by Sept. 1, which would leave a total of 39,000 in Vietnam.

• On **June 27, 1988**, heavyweight champion Mike Tyson knocks out challenger Michael Spinks with a left hook in the first round. The match lasted just 91 seconds.

• On **June 24, 1997**, Air Force officials release a 231-page report dismissing long-standing claims of an alien spacecraft crash 50 years earlier in Roswell, New Mexico. The UFO rumors began in 1947 when a rancher found shiny material scattered on his land. The Air Force said it was a downed weather balloon.

### Prayer to St. Jude

Most holy Apostle, St. Jude, faithful servant and friend of Jesus, the church honors and invokes you universally, as the patron of hopeless cases, of things almost despaired of. Pray for me, I am so helpless and alone. Make use, I implore you, of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly (your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.

**Salome's Stars**

**ARIES** (March 21 to April 19) A change of season reinvigorates the Lamb, helping to overcome the effects of a recent slower-paced period. This is a good time to restate your feelings for that certain someone.

**TAURUS** (April 20 to May 20) You might not like using your authority to correct a workplace situation, but that's what being placed in charge is all about. Besides, you have people ready to lend support if need be.

**GEMINI** (May 21 to June 20) Your creativity continues to run high and helps guide you to make some fine choices in the work you're doing. Keep the weekend free for those special people in your life.

**CANCER** (June 21 to July 22) Don't be surprised if you experience a sudden spurt of energy strong enough to pull you out of that recent period of indecision and put you back in charge of your own goals.

**LEO** (July 23 to August 22) This is a good time for Leos and Leonas to set new goals regarding health, educational choices and possible career moves. The plans you make now could be a blueprint for your future.

**VIRGO** (August 23 to September 22) You might have much to offer a potential employer, but it can all be overwhelmed by too many details. Let the facts about you speak for themselves without any embellishments.

**LIBRA** (September 23 to October 22) This is a good week to balance your responsibilities to your work-a-day world with your obligations to the people in your private life. Expect news that could lead to a change in plans.

**SCORPIO** (October 23 to November 21) A changing attitude on the part of a once determined adversary could cause changes down the line. Be prepared to take advantage of an unexpected new opportunity.

**SAGITTARIUS** (November 22 to December 21) You'd be a truly wise Sagittarius to be skeptical about an offer that doesn't answer all your questions. Even a colleague's testimonial doesn't replace facts that aren't there.

**CAPRICORN** (December 22 to January 19) It's a good idea to avoid spending on unnecessary purchases this week in order to keep a money reserve against a possible upcoming (but, fortunately, temporary) shortfall.

**AQUARIUS** (January 20 to February 18) More information is what you should demand regarding that workplace situation that recently came to light. Don't be surprised at who might turn up as one of your supporters.

**PISCES** (February 19 to March 20) You might still be in a "treading water" mode, but by midweek, a shift in your aspect favors taking a more active role in pushing for the changes you feel are necessary. Good luck.

**BORN THIS WEEK:** You exude a warm, caring attitude that comforts everyone who comes into your life.
